

Visitor Navigational Aid
Justin S. Morrill Hall of Agriculture
(Formerly known as "Agriculture Hall")
Michigan State University

Visitor parking on campus can be frustrating due to a shortage of visitor parking spaces and gated lots. Use the City of East Lansing parking garage one block north of Grand River Avenue at 141 Division Street. People don't seem to have trouble finding a spot there.

Locals call the garage the "hamster cage" due to the odd-looking tubes on its exterior. The photo, taken from a Grand River Avenue perspective, should help you recognize it. Allow about five minutes to walk from the hamster cage to Justin S. Morrill Hall of Agriculture.

If you need more information, here is a link to an interactive map of campus (the hybrid feature looks like the photo below). <http://maps.msu.edu/>
