From: 2008 CANR Distinguished Service Award Committee

Re: Call for Nominations for 2008 CANR Distinguished Service Award

Each year the College of Agriculture and Natural Resources presents Distinguished Service Awards to those individuals or partners who have made outstanding contributions to Michigan's agriculture and natural resources industries. As many as three of these prestigious awards are presented during ANR Week, February 29-March 8, 2008.

If you know of someone whom you believe should be considered for this award, please take the time to nominate that individual. You may want to consider updating and resubmitting the nomination form for a previous nominee who was not selected.

A nomination form is enclosed for your convenience or you may download an electronic version of the form and submit on-line. The DSA nomination form and a list of past recipients can be found at <http://www.canr.msu.edu/anrweek/>. Nomination forms should be sent to the following address

CANR Distinguished Service Award Committee
Michigan State University
Room 10A Agriculture Hall
East Lansing, MI 48824-1039

The nomination forms must be received by December 1, 2007 to be considered.

As can be seen from the list of past recipients, this is our opportunity to recognize individuals who have contributed greatly to our agriculture and natural resources industries, and we encourage you to take an extra bit of time to nominate those individuals whom you feel should be recognized for their efforts. Should you have questions, please contact Meghan Honke at 517-353-3175 x229, honkemeg@msu.edu.
