

PERRY PUBLIC SCHOOLS

Every One, Every Opportunity, Every Day

NOTICE OF VACANCY

February 3, 2017

POSITION TITLE: Agriscience & Science Teacher / FFA Advisor

QUALIFICATIONS:

- Must possess or be eligible for a valid Michigan Secondary Teaching Certificate with an Occupational (vocational) endorsement (HX – Agriscience and Natural Resources, VA – Vocational Agriculture (Agriscience and Natural Resources))
- Must either possess Interim Occupational Certificate (IOC) or Occupational Education Certificate (OEC) in Applied Horticulture and Horticulture Operations or Agriculture Science and Natural Resources
- Must possess valid Michigan teaching certificate endorsement in one or more core subject science area (Biology, Integrated Science, Chemistry, etc.)
- Must meet Federal Highly Qualified Teacher requirements
- Ability to demonstrate:
 - the strong desire and ability to build meaningful, caring relationships with students and adults
 - the ability to collaboratively create and deliver clear, engaging, challenging instructional plans that produce proven student learning
 - The commitment to coordinate instruction within and across grade levels
 - The aptitude to discuss subject-specific content instruction
 - The drive to innovate new ideas and use research-based best practices to improve student learning
 - The capacity to align curriculum, instruction, and assessments while responding to the individual needs of students
 - The competence to collect and analyze data to inform instructional decisions
 - The ability and desire to design and utilize formative assessments to modify and adjust instruction on a daily basis
 - The ability to help create and thrive in a professional environment that is one of mutual respect, teamwork, and accountability
 - The ability to seek out knowledgeable peers, coaches or administrators for instructional support in the never-ending quest to deliver the vision of high quality, subject-specific instruction in every class period, every day
 - The skill and willingness to leverage the student support network to ensure that students' social, emotional, nutritional, and health needs are addressed
 - Use of technology as an educational tool
 - The ability to promote leadership and development skills in students pertaining to FFA
- Criminal background check including fingerprinting required

RESPONSIBILITIES:

- Teach high-quality agriscience and science courses to high school students, as well as other courses as needed (middle school exploratories, work-based learning, etc.)
- Regularly update instruction, program objectives, curriculum, and instructional materials to meet Office of Career and Technical Preparation standards and reporting requirements
- Supervising FFA chapter and all related activities, including extending program activities, attending conventions, and competitions
- Form close ties with local business and trades community, the agricultural community, as well as non-profit organizations, including maintaining an advisory committee
- Recommend tool, equipment, and material purchases, and maintain equipment inventories
- Adhere to all building and district policies regarding attendance, business procedures, safety, professionalism, and personal appearance

- Maintain student records, student achievement, and attendance
- Maintain confidentiality
- Other duties as assigned by the building principal(s)

SALARY/BENEFITS: Per Perry Education Association Master Agreement
