The Traverse Bay Poverty Reduction Initiative invites you to a day of creating opportunities in Northwest Michigan.

Many groups are discussing how to improve our community. This Summit is a chance to bring all of those discussions together and to make sure that people in poverty are part of the solution. Discussion will focus on the following topics:

a. Transportation  
b. Housing  
c. Energy  
d. Education  
e. Employment  
f. Healthy Food  

Together, we will create opportunities for everyone!

Dr. Donna Beegle, national poverty expert, will discuss the ways in which infrastructure impacts people in poverty. Donna Beegle grew up in poverty and dropped out of high school at 15. At 25, she was a divorced mother of two facing homelessness. Yet by 35, Donna earned a PhD and started her own business.
