Member 3 *(opt)*:			
Grad Prog Coord:	Gail A. Vander Stoep		
CSUS Chair:	Michael Hamm		
CANR Asso Dean:	Kelly Millenbah		

MSU is an Affirmative-Action, Equal-Opportunity Employer   *Created 9/5/13, CSUS revised 7/10/17*

Name of Student   (do not include PID) _____

Degree Type *(MS-A, MS-B, PhD)* _____

Degree Program *(CARRS, CSUS, STPAM)* _____

This form is intended as an "add-on" program planning form on which to list courses not fitting on page 1, or to record one or more specializations, certifications, or other special program elements to plan and track their progress. In many cases, a specialization or certification is simply incorporated as all or part of one (or more) focus areas in the official Program of Study. Other students choose to ADD a specialization or certification on top of their official Program of Study. In other cases, some program requirement courses fulfill part of a specialization, yet additional courses beyond the Program of Study courses are needed to complete a specialization or certification. Thus, use this form for planning purposes. Use as many extra pages as needed.

It is recommended that any courses NOT needed as part of the official Program of Study (30 credits for MS and 60 credits for PhD degrees) NOT be included on the official Program of Study. Rather, they can be tracked on this form. The reason is that, should students change course choices for specializations/certifications or later decide to NOT complete one, they do not have to complete a Change of Program Plan form or complete a new Program Plan/Planning Form.

Additional Program Plan Courses – Requirement Category (from pg. 1) -- Identify in right-hand column below:

Course #	Course Title	# Credits	Requirement Category (from pg 1)

Name of Specialization
or Certification #1 _____

Course #	Course Title	# Credits	Part of Official Program of Study?	
			Yes	No

Name of Specialization
or Certification #2 _____

Course #	Course Title	# Credits	Part of Official Program of Study?	
			Yes	No
