

Forest Carbon & Climate Program

Department of Forestry Scholarship Program

The Department of Forestry is pleased to announce the availability of scholarship support for three (3) 2017–2018 Academic Year participants in the amount of \$1,500 each. The funds will be distributed on a “per-course” basis – meaning that participants will receive one third (33%) of the total award in tuition support for each of the Certificate’s three courses.

Applications will be accepted and reviewed prior to the Fall 2017 semester (see Timeline below). **In order to accept the scholarship, prospective participants must demonstrate ability to pay for remaining costs (e.g. by loans, private funds, employer match).** If selected participants do not accept the scholarship within the timeframe provided, the scholarship will be offered to the next ranked applicant.

The scholarship recipients will have the opportunity to be featured in outreach materials.

Award	Criteria
\$1,500	Based on short essay and letter of recommendation. Financial need also considered.

Eligibility

Only off-campus students completing the entire Certificate program are eligible.

Application Information

To apply, applicants must submit a short essay and one reference letter. The essay should be no more than 350 words and must describe how the Forest Carbon Certificate will support the applicant’s career objectives. Applicants are encouraged to be concise, and to include specific examples of how skills and knowledge acquired in the Program will increase their effectiveness as professionals. Details concerning financial barriers can be included, but should make up less than
