DESCRIPTION
The Department of Environmental Science, Policy, and Management at the University of California, Berkeley seeks an Assistant Cooperative Extension Specialist (Fiscal Year) in Forest Health. The expected start date is July 1, 2015. The Forest Health Specialist will help create a collaborative, multidisciplinary and multifaceted research and outreach program with UC Cooperative Extension Advisors and Specialists; community partners; government/institutional groups; forestland owners and managers, and land management and advisory agencies with forestland responsibilities. The Specialist will investigate the linkages between policy and planning processes, and environmental outcomes on forests at multiple scales. A full description of the position can be found at https://aprecruit.berkeley.edu/apply/JPF00587
