Updated: November 18, 2014
New student Lifelong Education Program online application:  https://admissions.msu.edu/Apply.asp. Be sure to select “Domestic (US) or International” in the first blank and in the second blank “Lifelong” (not “Freshman”, “Graduate” or “Transfer” student). Please also email the course name and your Application Number (which you will receive upon submitting your application) so that I can do the override required for all of our courses.

- **Name**
  - First
  - Middle Initial
  - Last
- **MSU Personal ID A-**
- **Social Security Number (if any)**
- **Date of Birth**
- **Address**
- **City**
- **State/Province**
- **Zip/Postal Code**
- **Country**
- **Telephone - Home (____) Business (____) Email (____) @**

- **Country of Birth**
- **Country of Current Citizenship**

If you will be attending courses in the U.S., you must report the address at which you resided prior to coming to the U.S. If it is the same as the address above, enter SAME below.

- **Street**
- **City**
- **Country**

If you have or will receive a bachelor’s degree or higher, or have attended other colleges or universities, enter the last school attended below and provide degree and graduation information. If you have not attended a college or university, enter the name of your high school.

- **School**
- **Location**
- **Degree**
- **Date of Degree**

Michigan State University seeks to admit students who provide evidence of intellectual performance, good character, and potential which will permit them to profit from programs of the academic rigor of those offered by Michigan State. The University recognizes that learning opportunities are enhanced by a secure environment. As part of the admissions process, we require applicants to respond to the following questions. Information provided in response to these questions needs to be reviewed, but rarely results in denial of admission.

1. Have you ever been expelled, suspended, disciplined, or placed on probation by any secondary school or college you have attended because of (a) academic dishonesty, (b) financial impropriety, or (c) an offense that harmed or had the potential to harm others?
   - **NO**
   - **YES**

2. Have you ever been convicted of a criminal offense (including in juvenile court), other than minor traffic violations, or are there criminal charges pending against you at this time?
   - **NO**
   - **YES**

If you answer “YES” to either #1 or #2, please submit a letter of explanation. If circumstances arise in the future (until the time you begin attending classes) that make your answers to the above questions inaccurate, misleading, or incomplete, you must provide the Office of the Registrar with updated information.

I certify that I understand the restrictions as stated, that the items above have been completed correctly, and I agree to observe the rules and regulations of Michigan State University.

Michigan State University is an affirmative-action/equal-opportunity institution 07/03
Lifelong Education Status

Lifelong Education Status includes all students attending the University who are not pursuing a University degree or an Agricultural Technology or Veterinary Technology certificate. First-time Lifelong Education students should complete the application available on the Web at [www.msu.edu](http://www.msu.edu). Hardcopy applications may be obtained from the Office of the Registrar, 150 Administration (517-355-3300), and MSU Regional Offices, and may be submitted to any of these offices. Lifelong Education status permits and facilitates access to MSU courses (on-campus, off-campus, or workshop) for persons not wishing to pursue an undergraduate or graduate MSU degree. With the exception of high achieving high school students, this status is limited to persons who have attained a high school diploma or its equivalent. Students who have obtained a baccalaureate degree are considered Graduate Lifelong Education students. All other students are considered Undergraduate Lifelong Education students. A person who has been denied admission to an undergraduate program at MSU may not attend as a Lifelong Education student until at least two years have elapsed from the date of that denial. Students pursuing MSU degree programs, students pursuing programs in the Institute of Agricultural Technology or English Language Center, students pursuing the Veterinary Technology certificate program, and students who have been recessed or dismissed from MSU or any other college or university are not eligible for enrollment as Lifelong Education students.

Rules of Application, Enrollment, and Fees

1. Students wishing to enroll as Undergraduate Lifelong Education students must have a high school diploma, or its equivalent. This information is collected as part of the application procedure. The high school transcript is not required as proof. The only exception to this requirement is for High School High Achievers. (See item 8 below.)

2. Students who have a baccalaureate degree are considered Graduate Lifelong Education students. This information is collected as part of the application procedure. The degree granting transcript is not required as proof.

3. Students attending Lifelong Education programs are assessed fees at the Lifelong Education rates. These rates are set at a per credit amount. There are no additional fees associated with this status (i.e., no registration, or late registration fees, etc.).

4. Prerequisites, grading standards, class assignments, and attendance requirements of a course apply to all students in that course including Lifelong Education students.

5. The Coordinator of Student Affairs will monitor students’ academic progress each semester to ensure that once nine or more credits have been attempted, a cumulative grade-point average of 2.00 for Undergraduate Lifelong Education students, or 3.00 for Graduate Lifelong Education Students, has been achieved. Failure to maintain the appropriate GPA standard may result in removal from Lifelong Education status.

6. Lifelong Education students are not eligible for most sources of financial assistance including federal financial assistance programs, graduate assistantships, and most fellowships. The Mildred B. Erickson Scholarship is an exception; for information call 353-1635.

7. Lifelong Education students who contemplate subsequent admission to degree programs must seek advice from the admitting department or school and college as to the applicability of courses/credits taken while in Lifelong Education status. There is no guarantee that these credits will be accepted. Applicability is subject to the following general limits:
   a. no more than 16 Lifelong Education credits may be applied to the undergraduate degree program.
   b. no more than 10 Lifelong Education credits may be applied to the graduate degree program except in the Teacher Certification Internship-Year Studies Program, where the 12 credits taken in Teacher Education 801, 802, 803, and 804, or their equivalents, may be applied to a master’s degree program.
   c. courses taken under the Lifelong Education status may not be transferred to Human, Osteopathic, or Veterinary Medical Programs but instead may be used to waive program requirements.

8. Permission to enroll under the Undergraduate Lifelong Education status as a “high school high achiever” is determined by these criteria: Courses in which enrollment is desired represent advanced study for that student at a level not offered by the high school and are approved by the high school counselor/principal or a representative of MSU’s Honors College as compatible with that student’s academic program and suitable for his or her background and qualifications. Performance in these courses will be monitored as a condition of continued high achiever status.

9. Enrollment of a student as a high achiever does not assure regular admission status upon completion of high school graduation requirements. If at a later time the student desires to enroll as a regular student, complete official transcripts from all high schools, colleges, and universities attended and the regular application for admission must be presented to MSU.

Lifelong Education – Enrollment and Registration

Students may enroll during the designated enrollment periods. In order to enroll you must have obtained both your Personal ID (PID) and your Personal Access Number (PAN). Generally, you will receive a bill in the mail following your enrollment activity. To become registered you must return the payment stub portion of your Registration Billing Statement along with payment at least equal to the “Minimum Amount Due” indicated on the bill. Payment should be mailed to the address indicated on the back of the payment stub. Your payment and stub must be received by the indicated due date for you to become registered. (NOTE: Even if your “Minimum Amount Due” is $0.00 you must return the payment stub by the indicated due date.) Failure to meet these requirements will result in your being disenrolled; you will lose all the courses in which you enrolled. If at least the Minimum Amount Due was paid at a regional office prior to the Registration Bill being produced, the bill will be mailed out for information only; no action will be required. If there are any “HOLDS” noted on your Registration Billing Statement you must resolve these prior to the payment due date indicated on the bill in order to become registered. Failure to resolve all listed holds will result in your being disenrolled. (See HOLDS section on bill for more information.)
