MICHIGAN STATE UNIVERSITY | **Extension**

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Rev. 12/2014

Objectives of the 4-H Cloverbud Dog Project

1. To gain experience caring for dogs.
2. To explore different dog breeds and training types.
3. To participate in group activities within your 4-H club.

NOTE:

- ☺ Cloverbud projects are for the child to explore and discover project areas.
- ☺ Cloverbud projects are not to be judged or placed in any 4-H activity.
- ☺ Cloverbuds will participate in dog showmanship and obedience in the Cloverbud class.
- ☺ The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- ☺ Safety of the child should be the primary concern of the Cloverbud project.
