On the Job Training

Position: Summer Intern
Course: Round Hill Club
City and State: Greenwich, Connecticut
Club Website: http://www.rhclub.org/

Responsibilities: Emphasis is placed on training the individual in: effectively running small crews, maintaining and operating a state of the art irrigation system, safe and proper chemical storage and application, course set up for tournament and weekend play, hand watering that coincides with championship playing conditions, and in-house project management. Our goal is to ensure that interns have an educational and successful internship if they have the desire and drive to do so.

About the Club: Round Hill Club is an 18 hole Walter Travis design opened in 1924. The club sits on 210 acres and includes driving range/skeet range, indoor/outdoor tennis, squash, fitness center, and pool. The club is environmentally progressive as we have developed and implemented an environmental master plan for all departments and facilities, and has recently been recognized by the MGA for our achievements.

Upcoming Projects: Bunker Renovation & Installation of a new chemical mix building
