18 holes of a classic Macdonald design, The Creek offers a diversified links landscape and challenging golf. Maintained at tournament type conditions on a day to day basis, it is the management’s goal to obtain fast and firm conditions year round. Through a united effort, it is expected to continue to improve the golf course on a daily basis. Interns will play an integral role in achieving our maintenance standards.

Adam Wilkins – Golf Course Superintendent
The Creek
1 Horse Hollow Rd.
Locust Valley, NY 11560

PAST AND PRESENT

The Creek is a Macdonald-Raynor course built in 1923 on the north shore of Long Island. This unique course offers a blend of seaside, inland and parkland holes. All maintenance practices are geared toward providing firm and fast conditions on a daily basis to complement the strategies intended by Charles Blair Macdonald. Many course improvement projects are currently in the planning stages, including a new irrigation system and a Master Restoration Plan.
Interns can expect to be immersed in ALL facets of golf course maintenance. It is our goal to provide you with the adequate skill sets and knowledge to move onward with your career upon graduation. You will be given a realistic view into the world of golf course management at an elite private club, which is maintained at tournament conditions daily. Interns will be provided with a foundation for proper agronomic principles pertaining to links golf.

**Qualifications**

We are looking for hard working individuals who are dedicated to advancing their careers in the golf course management industry. Responsibilities will include all areas of golf course maintenance including course set-up, fertilizer and pesticide applications, crew management and irrigation and equipment repair.

**Requirements**

Interested individuals must be enrolled in a two or four year turfgrass management program and have at least one season of golf course maintenance experience. Additionally, we expect a positive attitude and a willingness to be taught and corrected. Simply put, we will put an equal effort into those who devote themselves to our program.

**Compensation & Benefits**

- **Salary Range**: $10/hr + OT
- **Benefits**: Housing, uniforms, meals, and golfing privileges.
