

James and Donna Kells Scholarship for Undergraduate Study Abroad

Procedures and Instructions for Applicants; 2017 Awards

Eligibility

Scholarships are available to Undergraduate students majoring in Crop and Soil Sciences, to support participation in ***CANR Sponsored Study Abroad Programs***. Study Abroad programs offered through other MSU Colleges, or institutions other than MSU are not supported by this scholarship.

Application

Students should complete the application form and save it as a pdf with their name in the file name (ie John Smith Application.pdf). Please e-mail the file to Susan Gruber at grubers@msu.edu. Applications will be accepted at any time, but students applying for spring and summer 2017 programs should have their applications in by February 15, 2017.

Evaluation of Applications and Notification of Award Status

Applications will be reviewed by Susan Gruber, Dr. Jim Crum and Dr. Karen Renner. Awards will be made at the discretion of this committee and students will be notified of the amount of the award by letter. Applications for winter 2017 programs will be evaluated immediately. Applicants for spring and summer 2017 will be reviewed after the February deadline and students will be notified of their status in early March.

Scholarship Awards

Successful applicants will be notified of their *potential* awards, which will be held until after the program confirmation deposit or initial payment to a host institution has been paid by the applicant. The award will then be deposited to the student's MSU account. Awards are not transferable to other programs.
