With a successful 96th PGA Championship in our rearview we look forward to excelling the Golf Digest ranking of Kentucky’s most prestigious golf facility. We take pride in providing pristine course conditions on a daily basis for the membership and the ability to host a world-class golf tournament at a moment's notice.

During the peak of the season the maintenance crew is commonly at 30-35. As a Valhalla Golf Club intern, there are general expectations you must fulfill. Applicants must be enrolled in either a 2 year or 4 year turf program, and have at least one year of experience working on the golf course. Interns will be expected to work long hours and be dedicated to the club.
