The 50-year master plan of Carriage Hill shopping center focuses on creating areas of strategic mixed-use infill with office located above shops, grocery store and restaurants. The proposed shopping center will include 92,000 square feet of retail space, 75,000 square feet of office space, plus one grocery store. A series of civic spaces would anchor these areas, accommodating community events and gatherings for the surrounding residents.

NOTES:
A. Playground
B. Central Plaza
C. Farmer’s Market
D. Main Entrance
