Interns are typically hired in April/March for a 12 week summer internship program (beginning in May). All Granger Construction internships are paid. Scholarship opportunities may be available.

Please contact Matt Bozung, Human Resources Manager, at 517-887-4146 or mbozung@grangerconstruction.com with questions or to submit your resume in application for an internship!
Granger Construction has been delivering Remarkable Buildings since 1959. As a third generation, family-owned, full service construction company, Granger is one of the most trusted names in the construction industry. We offer a positive work environment where team members are engaged and empowered; fostering their ability to provide our clients a truly Remarkable Experience.

Granger has always served as a solution-focused partner and we define our success through the success of our customers. Specializing in a wide array of delivery methods including Design-Build, Integrated Project Delivery, Construction Management, and General Contracting, we offer the highest level of Safety and Quality programs in addition to second-to-none estimating, scheduling, logistical planning, procurement, self-perform, and commissioning services.

We pride ourselves in utilizing state-of-the-art technology and techniques to Advance the Art of Building and to maximize our customers’ return on investment. In addition, we consistently hire Remarkable People with the knowledge and experience to seamlessly lead our clients through all phases of exceptional project delivery.

Our customers know that quality is a way of life at Granger. Whether we are building new industrial plants, exceptional units in which to live, sophisticated data centers, leading-edge hospitals and medical centers, educational facilities, flagship corporate headquarters buildings or performing challenging additions/renovations to existing structures, the foundation for our success has always been based on being in complete alignment with The Golden Rule.

To provide customers with the Peace of Mind that accompanies knowing that their project is in the right hands, a company must demonstrate integrity, honesty and a proven track record of Remarkable Customer Satisfaction.

Granger Construction is that company!
