RESEARCH AID POSITION

Professor Mrozowski from the School of Planning, Design and Construction is looking for 1-2 undergraduate or graduate students to work on an hourly basis for the rest of Spring semester. The student will help him and a graduate student who is already working on this. The work may include any of the following: visiting the project, conducting a field assessment and taking field measurements, learning the modeling software, setting up the computer simulation and helping to prepare reports.

The pay rate is $10.00/hr, hours are flexible, and will average around 10 hours per week. The project will start around Feb 9.

Any interested students should contact Professor Mrozowski at mrozowsk@egr.msu.edu directly.
