

Fall 2009 TelFarm Training Workshops

Program details will be added to the Telfarm website as they become finalized. Accounting will be covered in the morning and payroll in the afternoon. If you have topics you would like to see covered, please let us know.

In Allegan and St. Johns, we will offer an evening session. All workshops are open to non-Telfarmers, so we encourage you to invite others whom you think could benefit by using the Telfarm system.

All of the daytime sessions begin at 9:30 a.m. and end by 3:30 p.m., except Escanaba. Evening sessions will be 6:00-9:00 p.m. and will cover the same material as the daytime sessions. Complete the registration form below and return to TelFarm or register by phone, fax, or email. See instructions below.
