The College of Agriculture & Natural Resources Alumni Association

Chartered in 1975 under the auspices of the MSU Alumni Association, the College of Agriculture and Natural Resources Alumni Association (CANRAA) works to build relationships that serve the college, alumni, students and friends of Michigan State University.

Golfing for Scholarships and AutumnFest — the largest tailgate at MSU — are hosted each year by the CANRAA. These two events raise more than

\$20,000 for student programs and scholarships annually.

Since 1989, the association has granted 338 scholarships to CANR students totaling more than \$646,000. In addition, an endowment has been established that will ensure scholarship support for generations to come through the CANRAA Endowed Scholarship Fund. The CANRAA has also funded 117 grants for student

club activities since 2007 totaling \$86,425 and presents awards honoring outstanding alumni and other supporters annually.

We encourage you to become involved! Join us at AutumnFest and other CANRAA events, contribute to the endowment fund and become a member of the MSUAA Alumni Association and CANRAA today at www.alumni.msu.edu.
