The opportunity to participate in or attend 4-H activities is a privilege. All 4-H participants – youth, families, volunteers, and Extension staff – who participate in or attend any activity or event sponsored by the Michigan State University Extension 4-H Youth Development Program are expected to uphold the values of the Michigan 4-H program.

All 4-H youth participants must conduct themselves according to the following standards that apply to all Michigan 4-H programs, including virtual programs, and interactions such as social media and internet engagement.:

1. **Create a Welcoming Environment for All.** Encourage everyone to fully participate in 4-H. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why. Our first priority is to create a safe, inclusive space for learning, sharing and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.
2. **Bring Your Best Self.** Conduct yourself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of 4-H activities and programs with grace and empathy for other participants. Accept the final opinions of judges and evaluators. Be open to new ideas, suggestions, and opinions of others.
3. **Obey the Law.** Obey the laws of the locality, state and nation and Michigan State University and Extension policies and guidelines. Commit no illegal acts. Do not possess, offer to others, or use alcohol, illegal drugs, marijuana, or tobacco products, which include e-pens, e-pipes, e-hookah, e-cigars, JUULs, vapes, vape pens or other electronic nicotine delivery systems. Do not attend 4-H activities under the influence of alcohol or illegal substances. Do not possess or use weapons or firearms except as expressly permitted as part of supervised 4-H shooting sports programming. This includes dangerous or unauthorized materials such as explosives or similar items.
4. **Honor Diversity – Yours and Others’.** Respect and uphold the rights and dignity of all persons with whom you interact as part of Michigan 4-H.
5. **Create a Safe Environment.** Be kind and compassionate toward others. Be considerate and courteous of all persons and their property. Do not carelessly or intentionally harm or intimidate

7. **Humane Treatment of Animals.** Treat animals humanely and provide appropriate animal care.

- Separate housing accommodations are required for adults and minors. Minors may be housed with their parent(s) and/or guardian(s) upon request.

Procedures for Responding to Behaviors that Violate Policies

If a youth participant is involved with an incident that violates University and/or program policy, program staff will speak with everyone involved to gain understanding of what occurred and will contact listed parent(s), guardian(s), and/or other emergency contact(s) of both the participants responsible for the policy violation and the participants directly affected by the incident. In the instance that participants have violated University and program policies, program staff will connect with the appropriate MSU supervisors and/or authorities to determine the best course of action to resolve the situation, including whether the participant(s) responsible for the policy violation must be removed from the program. If it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, program staff will make contact with the participant's approved adult contacts, and the parent(s), guardian(s), or emergency contact(s) must pick-up the participant immediately.

If it is suspected that a crime may have occurred, program staff will immediately stop investigating, contact MSU Police, and follow the lead of MSU Police investigators. Should police or emergency response professionals need to make contact with a participant, program staff will make every reasonable attempt to notify the appropriate parent(s), guardian(s), and/or other emergency contact(s) as immediately as possible.

If an allegation of inappropriate conduct including but not limited to abuse, neglect, assault, harassment, sexual assault, sexual abuse, sexual harassment, child pornography, furnishing alcohol, drugs, and/or sexual materials to a minor, and violations of the University's anti-discrimination policy is made against an adult participating in a youth program, including program staff/volunteers, the accused adult will be removed from any further participation in MSU youth programs and activities covered by the MSU Operational Requirements for Conducting University Youth Programs until such allegation has been satisfactorily resolved. Adults may not retaliate against minors, families, parents, guardians, and staff/volunteers who report allegations of inappropriate conduct.

Procedures for Early Dismissal

In the instance that a participant needs to leave either temporarily (i.e.: for an appointment, family event, etc.) or permanently prior to the end of the program, the participant's authorized parent(s), guardian(s), or other emergency contact(s) must complete the Pick-up/Drop-off/Commuter Form and return it to Darren Bagley at bagleyda@msu.edu. When the participant is picked up from the program, 4-H Capitol Experience staff will ask for a photo ID to verify the identity of the adult attempting to pick up the participant. Program staff will only permit participants to be released to individuals who have been authorized by the parent(s)/guardian(s). In the event that an unauthorized adult attempts to pick up the participant, program staff will make contact with the authorized parent(s), guardian(s), and/or emergency contact(s). In the instance of protecting the safety of all youth participants, local authorities will be contacted if it is deemed necessary by program staff.

In the instance of an emergency or if it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, program staff will make contact with the participant's approved adult contacts, and the participant's parent(s), guardian(s), or emergency contact(s) must pick up the participant immediately.

Procedures for Emergency Situations

The MSU Alert System for emergencies sends out notifications via email, text message, and prerecorded phone call. If you would like to receive SMS text messages on your cell phone, you can register your phone information by logging in to our system and adding your number, at <http://alert.msu.edu/>.

In case of a weather related emergency, (severe thunderstorm warning or tornado warning), everyone should seek shelter in an interior hallway in the basement or ground level of a building, or in the lowest level of a parking ramp away from windows.

In case of other emergencies on campus (accident, medical emergency, suspicious activity, presence of a firearm), the best course of action is to call 911 immediately.

If a "Secure in Place" action is advised (for active violence), you should:

- Lock doors of the room you are in.
- Close blinds and turn off lights.
- Find a well-hidden and protected area to hide using objects in the room to barricade with or hide behind.
- Wait for the "All Clear" from local authorities before leaving your secure location.

Notification Procedures for Emergency Situations

- In the instance of a medical or behavioral incident or emergency, program staff will contact the participant's parent(s), guardian(s), or other emergency contact(s). Program staff will call all listed phone numbers on file until contact is made with at least one of the adults listed on the participant's registration materials. If emergency responders need to make contact with the participant, program staff will make every reasonable attempt to notify parent(s), guardian(s), and/or other emergency contact(s) as immediately as possible.
- Program staff will communicate with participants' and chaperones' emergency contacts if an emergency involving either or both parties occur. In the instance that an immediate emergency occurs, program staff may be unable to reach a parent, guardian, or emergency contact to consent for emergency care. If this is the case, the signed medical treatment authorization form gives program staff consent to contact emergency services. In medical emergencies, a staff member will contact local emergency responders, who will determine the best plan for treatment and will continue to attempt to contact the parent/guardian.

Guidelines for Contacting Your Participant during 4-H Capitol Experience

- In the instance that a parent, guardian, or emergency contact listed on file as an approved adult needs to contact their youth participant, please contact Darren Bagley at 810-964-7531. While youth are permitted to keep cell phones on them, they are asked to silence them during sessions, and may not be able to respond immediately. Please consult the program schedule before reaching out to youth participants directly. Please understand that in the interest of safety for all participants, program staff will not be able to discuss information about a participant or facilitate contact with an individual who is not listed on file as an approved adult without written authorization from the participant's authorized adult contacts.
