PROGRAM DESCRIPTION

Program Features

4-H Explorations Days is a MSU pre-college program that welcomes youth participants ages 12-19 (as of January 1 of the current program year) to explore their future, try new things and experience college life! During this three-day event, youth will gain confidence and independence through hands-on learning and make friends for a lifetime. Youth are housed on campus in the residence halls and all meals are held in the campus cafeteria. During registration of the event, youth can pick their sessions. Sessions can be found all over campus, encouraging participants to utilize the bus system (or walk) and develop their skills for map reading and time management. During the time when sessions are not held, a variety of activities are provided to keep the youth engaged and having fun.

Parents provide consent to participate in program evaluations when they enroll their children annually in 4-H Online.

The phone numbers above will be monitored throughout 4-H Exploration Days. The general headquarters number is also listed at the bottom of the name badge each participant receives upon arrival. Staff may not be able to answer their phones immediately depending on their responsibilities, but will closely monitor voicemail upon receipt. Callers can expect a call back within a 30 minute window in the case of an emergency. Please understand that, in the interest of safety for all participants, program staff will not be able to discuss information about a

participant or facilitate contact with an individual who is not listed on file as an approved adult without written authorization from the participant's authorized adult contacts. If an emergency arises at home, 4-H Exploration Days General Headquarters can be contacted and a message will be relayed to the participant. The participant can use a phone designated by the program staff to return the call.

EMERGENCY SITUATION INFORMATION

Emergency Contact Information

The telephone number for the 4-H Exploration Days General Headquarters is 517-432-7611. This number is listed at the bottom of the name badge each participant receives upon arrival. The Headquarters is staffed from 7:00 a.m. to midnight on Wednesday and Thursday and from 7:00 a.m. to 2:30 p.m. on Friday. In the case of a night time emergency, contact the West Holmes night staff at 517-353-6360. That person will put you in touch with a member of the 4-H Exploration Days Leadership Team.

Medical Emergencies

If a youth participant gets sick or hurt during 4-H Exploration Days, General Headquarters should be contacted as soon as possible at 517-432-7611 (call or text) as well as the county chaperone/lead chaperone. Participants should be taken to the nurses with all non life threatening injuries or sickness. The nurses station is open 24/7 during the event. Parents or guardians will be contacted immediately using the contact information on the Youth Medical Treatment Authorization form. Messages will be left seeking a return call if there is no answer, and the next number will be called. Depending on the medical concern, a parent or guardian will be asked to determine whether and what level of treatment will be sought during the program or if they wish to delay medical treatment or advice until the youth participant returns home.

An onsite Nurse's Station will be staffed from 10:30 a.m. on Wednesday to 1:00 p.m. on Friday of the event in one of the residence halls being used for the event. The nurses are available 24 hours a day during the duration of the event. This service is available to participants at no charge. If healthcare is needed beyond what the nurse can provide, participants will be taken to a Lansing-area health care facility. The cost of treatment will be billed to the youth, parents or guardians.

The nurses assigned to the event should be aware that participants are going (or have gone if an incident occurred off-site) to a healthcare facility. The nurses have the releases and should have complete records of health treatment/issues for all participants.

When a child is seen at a health care facility they should ask for a release for the child to come back and attend Expo Days. If any restrictions are given the nurse should communicate that with the County Staff &/or chaperones (for example no physical activity due to a head injury).

If a youth participant must leave 4-H Exploration Days early for health or family emergency reasons, the parent or guardian is expected to arrange for timely pick up and to incur any related expenses. During the time between when a parent or guardian is notified and he or she arrives with proper identification, the youth participant will be separated from program activities and remain under staff supervision. Please follow the procedures for early dismissal on page 20.

Procedures for Emergency Situations

The MSU Alert System for emergencies sends out notifications via email, text message, and prerecorded phone call. If you would like to receive SMS text messages on your cell phone, you can register your phone information by logging in to our system and adding your number, at <http://alert.msu.edu/>.

In case of a weather related emergency, (severe thunderstorm warning or tornado warning), everyone should seek shelter in an interior hallway in the basement or ground level of a building, or in the lowest level of a parking ramp away from windows.

In case of other emergencies on campus (accident, medical emergency, suspicious activity, presence of a firearm), the best course of action is to call 911 immediately.

If a “Secure in Place” action is advised (for active violence), you should:

- Lock doors of the room you are in (Main doors of the building will also be locked.)
- Close blinds and turn off lights.
- Find a well-hidden and protected area to hide using objects in the room to barricade with or hide behind.
- Wait for the “All Clear” from the MSU Alert System before leaving your secure location.

Notification Procedures for Emergency Situations

In the instance of a medical or behavioral incident or emergency, program staff will contact the participant’s parent(s), guardian(s), or other emergency contact(s). Program staff will call all listed phone numbers on file until contact is made with at least one of the adults listed on the participant’s registration materials. If emergency responders need to make contact with the participant, program staff will make every reasonable attempt to notify parent(s), guardian(s), and/or other emergency contact(s) as immediately as possible.

Program staff will communicate with participants’ and chaperones’ emergency contacts if an emergency involving either or both parties occurs. In the instance that an immediate emergency occurs, program staff may be unable to reach a parent, guardian, or emergency contact to consent for emergency care. If this is the case, the signed medical treatment authorization form gives program staff consent to contact emergency services. In medical

emergencies, a staff member will contact local emergency responders, who will determine the best plan for treatment and will continue to attempt to contact the parent/guardian.

CANCELLATION AND REFUND INFORMATION

All cancellations for the event must be submitted to 4h.expodays@msu.edu. NO refund request will be processed after June 17th. Please note the following refund cancellation deadlines below:

- Cancellations through May 1, 2025 are fully refundable. (Pre-payment is non-refundable for cancellations after May 1.)
- Cancellations between May 2 and May 26th, 2025 will receive payment minus the \$50 pre-payment.
- Cancellations after May 25th will lose \$120 of their payment(s). Refunds for the amount paid beyond \$120 will be processed in July.
- Cancellations after June 15th, 2025 are considered no show and refunds will not be given.
- All Fee balances are due by May 25, 2025. This is the remaining balance, that includes additional fees or minus any applicable scholarship credits/coupon codes for local scholarships. Anyone not fully paid by May 25, 2025 will be canceled and is not eligible for a refund.

Attendance/Participation

Youth participants are expected to attend and participate fully in all sessions during the duration of the event.

If youth are not feeling well and need to step out of a session, they should let program staff/volunteers know immediately. If their illness prevents their full participation in the program for an extended period, they may be asked to call parents/guardians for early pick-up from the event at their own expense.

If youth participants bring a cell phone to this program, it is expected that notifications should be silenced during meetings, free time activities that require focus/quiet, and session times so that participants can participate fully and don't disrupt instructors, staff or other participants. Family and friends should limit their calls and texts during the event, and youth should notify them of this in advance so that youth participants can make the most of their experience.

Statement for Disability Inclusion

Accommodations for persons with disabilities may be requested by contacting your local MSU Extension Office by May 1, 2025. Requests received after this date will be honored whenever possible. Do not attend 4-H activities under the influence of alcohol or illegal substances. Do not possess or use weapons or firearms except as expressly permitted as part of supervised 4-H shooting sports programming. This includes dangerous or unauthorized materials such as explosives or similar items.

Honor Diversity – Yours and Others’. Respect and uphold the rights and dignity of all persons with whom you interact as part of Michigan 4-H.

Create a Safe Environment. Be kind and compassionate toward others. Be considerate and courteous of all persons and their property. Do not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Do not insult, harass, or bully others or engage in other hostile behaviors, including sexual harassment, sexual assault or sexual abuse. Abstain from sexual behavior and intimate physical/sexual contact in either public or private situations.

Be a Team Player. Work cooperatively with all individuals involved in 4-H programs and activities. Be responsive to the reasonable requests of the person in charge such as volunteers and staff. Respect the integrity of the group and the group’s decisions.

Humane Treatment of Animals. Treat animals humanely and provide appropriate animal care.

Participate Fully. Participate in and contribute to planned programs, be on time and follow through on assigned tasks/responsibilities in a manner that fosters the safety, well-being, and

quality of the educational experience for self and others. Have fun!

Watch What You Wear. Use good judgment. Wear clothing suited for the activity in which you will participate. Dress in a manner that is respectful to yourself and others. Clothing that displays or promotes violence, obscenity, illegal activities, discrimination is prohibited. Do not wear clothing that excessively exposes the body or shows undergarments.

Be a Positive Role Model. Act in a mature, responsible manner, recognizing you are role models for others and that you are representing both yourself and the Michigan State University Extension 4-H Youth Development Program. Be responsible for your behavior, use positive language, and uphold the highest standards of conduct at all 4-H activities.

This exception only applies during the period that the firearms are in use for 4-H Shooting Sports educational, demonstration and competition purposes, and does not allow 4-H Shooting Sports volunteers to possess firearms for other purposes in conjunction with MSU Extension-sponsored programs. For more information on the MSU Extension and MSU firearms policies, see the "[Firearms \(All Employees and Volunteers\)](#)" section of the MSU Extension Administrative Handbook and the [MSU Firearms Policy](#), respectively.

4-H Exploration Days Event Rules

Participants at 4-H Exploration Days are expected to abide by the event-specific rules that follow.

supplies for sessions.

- Wear your name badge visibly at all times (except when sleeping or showering).

- Communicate with county chaperones and attend all county meetings as noted on the schedule.
- Treat all areas of the facility and grounds with respect and pick up after yourself. Repair costs for damages incurred to property will be billed to those responsible.
- Remember that you are responsible for your own belongings. Leave your valuables (such as expensive clothing and jewelry and electronic devices) at home. We recommend labeling your belongings with your name. If you lose anything, check with the Lost and Found station at residence hall. 4-H Youth Development is not responsible for any lost or missing items. You will be charged a fee if you lose your room key or access card.
- Do not leave the grounds of the program (grounds of Michigan State University), except for field trips arranged as part of the program under the supervision of event staff/volunteers. The grounds of Michigan State University refers to not crossing Harrison Avenue, Grand River, Hagadorn Road or Service Road.
- Refrain from yelling out of windows, removing window screens, leaning out of windows, or sitting on window ledges. Close your blinds when dressing and after dark.
- Refrain from running in residence halls and classroom hallways.
- Use of roller skates, in-line skates (such as Rollerblades) and scooters (push) is restricted to sidewalks. Users of these devices may not use bike paths, parking ramps, buildings, gardens or any other posted area, or go on any roadway except while crossing a street within a crosswalk.
- Riding of electric scooters is prohibited.
- Wear shirts and shoes in eating areas. Swimsuits may only be worn during sessions that require time in or on water and that may require swimming. Swimsuits may not be worn as regular clothing.

Housing Policies & Regulations

The policies and regulations listed in this section cover curfews, visitors and housing assignments. The housing assignment policy conforms with the Michigan 4-H Youth Development Youth-Adult Overnight Housing Policy.

Housing Assignments

Roommate assignments are made at the county level in Mid May, usually at the pre-event county orientation meeting. Let your county staff know if there's a specific person from your county you'd like to room with. There are times when housing requests can not be granted, but all effort to do so will be honored. **(Note:** Requests to room with someone from another county cannot be honored. All participants – youth and adult – must be housed with the county delegation that submitted their registration and payment.)

Youth are housed according to their gender identity. Youth participants will be housed with other youth who identify as the same gender and adult participants with other adult participants.

Any youth aged 18, 19 or 20 at the time of the event must complete a background check, which includes a reference check and a criminal history check. Program staff are responsible for ensuring that this background check is completed before the event. Michigan 4-H allows 18- & 19-year-old 4-H members, as they are considered program youth participants, to house with younger 4-H members per approval of parent or legal guardian.

An adult chaperone may share a room with unrelated youth participants only if at least two minors are assigned to the room and the parent or legal guardians of the youth provide consent. No child who is unrelated to an adult chaperone will share a room alone with an adult. Each chaperone will have been through the MSU Extension Volunteer Selection Process as a Gold level volunteer and will be in Active Gold status.

A parent or guardian should review and sign the [Overnight Housing Permission Form](#). If the form is not signed, the youth participant will be assigned to a room only with other youth under age 18.

Buddy System

The buddy system is utilized for youth who have physical, functional or learning disabilities. Some participants with mild disabilities may be able to function on their own without a buddy. This is a decision that will be made at the county level following communication between the participant's family and local MSU Extension professionals about the needs of the youth. Utilizing the buddy system can include:

- The buddy must accompany the special needs participant to the event, attend the same sessions and must serve as the roommate. They will stay together during the entire conference (meals, sessions, free time activities, etc.)
- Information may be collected by event staff indicating who the buddy will be, the disability type and special needs required, as specifically as possible. Mobility disabilities must be explained so that housing assignments can be based on hall accessibility needs. This information will be handled with discretion.
- Special accommodations can be made for youth who need additional support if current policy does not fully support it. In these cases, youth and families should work with their local county staff to discuss options before registering.

Curfew

To promote the safety of all 4-H Exploration Days participants, each evening all participants must return to their assigned residence hall by 10:00 p.m., be on their assigned floor by 10:15 p.m., and to their residence hall room by 11:15 p.m. Quiet time starts at midnight. Lead Chaperones will do room checks each night at 11:15 p.m. to ensure that youth are in their

assigned room. If youth want to go to sleep before 11:00 p.m., they should inform their chaperone so that they can be checked in before the official room check time.

Youth must keep their assigned room once assignments have been made and keys and conference cards issued. Unapproved changes make it difficult to contact youth in emergencies and at bed check time.

Visitors

Event Participants of the Opposite Gender

Visitation by guests of the opposite gender identity in the residential area of the building is prohibited. Participants are not allowed in the opposite housing areas. The only exception is if your county's meeting (on Wednesday after check-in) is held in a study lounge on a housing floor. If this applies to your county, a chaperone will gather participants of the opposite gender identity in the residence hall lobby and escort them to and from the housing floor study lounge.

Guests Who Aren't Event Participants

Participants may not have visitors in sessions, in residence halls or at recreational activities during 4-H Exploration Days who are not associated with the event.

Consequences for Misbehavior- Youth and Adults

Consequences for misbehavior can range from a discussion and verbal warning to immediate dismissal from the event. The Michigan 4-H Youth Code of Conduct and Michigan State University Extension Volunteer Code of Conduct are foundational for behavior expectations. These documents also outline consequences for misbehavior as stated below.

If a youth or adult is involved with an incident that violates University and/or program policy, or an MSU Extension professional or Exploration Days Leadership Committee will speak with everyone involved to gain understanding of what occurred. For youth, this may include contact with listed parents/guardians and/or other emergency contact(s). If it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, an MSU Extension professional or Exploration Days Leadership Committee will make contact with the participant's parents/guardians and/or other emergency contact(s) so that immediate participant pick up from the event can be arranged.

MSU Extension professionals, lead chaperones, and chaperones will work with the youth participant regarding the misbehavior and determining the appropriate consequence. Youth participants can expect any of the following types consequences for not following Michigan State University regulations (see the section above), the Michigan 4-H Youth Code of Conduct, and the 4-H Exploration Days Event rules:

- Having a discussion with 4-H adults regarding behavior and deciding what can be done to address any harm

Participant Safety

The physical and emotional safety and well-being of the youth participants at 4-H Exploration Days are high priorities for Michigan 4-H Youth Development and Michigan State University. The 4-H Exploration Days conduct and safety policies and procedures meet or exceed the MSU requirements regarding all programs involving minors. More information about the MSU requirements for programs involving minors is available [here](#).

Additional information related to 4-H Exploration Days conduct expectations and safety is available on the 4-H Exploration Days [website](#).

Participants attend 4-H Exploration Days as part of a county delegation. MSU Extension staff and 4-H volunteers carry out the following processes to ensure the safety and well-being of participants:

Pre-Event County Orientation Meeting – Each participant, along with a parent or guardian, must attend a pre-event county orientation meeting. This meeting will include a preview of the event, chaperone and staff meet and greet and additional information on expectations and program details to support a successful and safe event. Local county 4-H staff will provide the specific date, time and location of this important meeting.

Youth and Chaperone Assignments – All youth participants will be assigned to a specific adult chaperone. There must be at least one chaperone for every eight youth of the same gender identity.

Whereabouts Schedules – Youth participants and the assigned adult chaperone need to keep each other informed of where they will be, when and with whom. All chaperones will create a system to ensure all parties know where they are. This could be using Whereabouts Schedules, group texting or another method that lets all parties know where people are.

Youth and Chaperone Huddles – In addition to the county meeting held shortly after arriving at 4-H Exploration Days, there are five youth and chaperone huddles throughout the event. These mandatory meetings will provide a chance to touch base with chaperones after sessions, before and after evening activities, before bedtime, and just before check-out and departure.

Adult Session Support –Assigned adults will provide extra support and assistance throughout the event as needed.

Procedures for Early Dismissal

In the instance that a participant needs to leave prior to the end of the program, the participant's authorized parent(s), guardian(s), or other emergency contact(s) must complete the Pick-up Form at Event Headquarters.

When the participant is picked up from the program, event staff will only permit participants to be released to individuals who have been authorized by the parent(s)/guardian(s) and will need to show proper identification. In the event that an unauthorized adult attempts to pick up a participant, program staff will make contact with the authorized parent(s), guardian(s), and/or emergency contact(s). In the instance of protecting the safety of all youth participants, local authorities will be contacted if it is deemed necessary by program staff.

In the instance of an emergency, participant illness, or if it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, program staff will make contact with the participant's approved adult

contacts, and the participant's parent(s), guardian(s), or emergency contact(s) must pick up the participant immediately.
