

LIST OF PUBLICATIONS

I. AGRICULTURAL ECONOMICS AND AGRICULTURAL DEVELOPMENT

A. Books

1. Rural Development in Bangladesh and Pakistan, Robert D. Stevens, Peter J. Bertocci, and Hamza Alavi, Eds., University Press of Hawaii, 1976.
2. Tradition and Dynamics in Small Farm Agriculture--Economic Studies in Asia, Africa, and Latin America, Robert D. Stevens, Ed., Iowa State University Press, 1977.
3. Agricultural Development Principles - Economic Theory and Empirical Evidence from Developing Nations, Robert D. Stevens and Cathy L. Jabora, Johns Hopkins University Press, 1988. (*Chinese edition published in 1990*)

B. Chapters in Books

1. "Putting Science to Work to Improve World Agriculture," (with Raymond P. Christensen) in Food: One Tool in International Economic Development, Iowa State University Press, 1962.
2. "Population, Income and Food Consumption," in America's Stake in World Agriculture, the 1964 Yearbook of Agriculture, USDA.
3. "Discussion of Product Markets in Agricultural Development," in Institutions in Agricultural Development, Melvin G. Blase (Ed.), 1971.
4. "Comilla Experimental Rural Development Programs--Results to 1971," Chapter 5 in Rural Development in Bangladesh and Pakistan, in Robert D. Stevens, Peter J. Bertocci and Hamza Alavi Eds., University Press in Hawaii, 1976.
5. "Themes in Economic Growth and Social Change in Rural Pakistan," Chapter 9 in Rural Development in Bangladesh and Pakistan, in Robert D. Stevens, Peter J. Bertocci, and Hamza Alavi, Eds., University Press of Hawaii, 1976.
6. "Accelerating the Green Production in Hungry Nations," pp. 28-45 in Dare We Feed the Hungry, Robert W. Dell Ed., North Manchester, Indiana: Printing Office of Manchester College, 1976.
7. "The Transformation of Traditional Agriculture: Theory and Empirical Findings," Chapter 1 in Tradition and Dynamics in Small Farm Agriculture: Economic Studies in Asia, Africa, and Latin America, edited by Robert D. Stevens, Ames, Iowa: Iowa State University Press, 1977.

8. "Policies and Programs for Small Farm Development," Chapter 9 in Tradition and Dynamics in Small Farm Agriculture: Economic Studies in Asia, Africa, and Latin America, edited by Robert D. Stevens, Ames, Iowa: Iowa State University Press, 1977.
9. "World Food Shortages and Effective Roles for the United States," World in Transition: Challenges to Human Rights, Development and World Order, Henry H. Han, University Press of America, Washington, D.C., pp. 229-238, 1979.
10. "Agricultural and Rural Development in Low Income Nations - Course Outline," pp. 165-180 in Economics Reading Lists, Course Outlines, Exams, Puzzles and Problems, compiled by Edward Tower, Durham, NC: Eno River Press, 1981.
11. "Inducing Development at the Micro Level: Theory and Implications for Technology Transfer Strategies," in Transforming Food Production Technology to Developing Nations: Economic and Social Dimensions, Boulder, CO: Westview Press, 1983.
12. "Technology Transfer for Chinese Agriculture: Theory and Implications for Strategy" pp. 401-414 in China's Rural Development Miracle edited by John W. Longworth. Queensland, Australia: University of Queensland Press, 1989.
13. 中国农业的技术改造——理论和战略意义……斯蒂文斯 国际农村发展战略学术讨论会论文集 中国农业经济学会编印 一九八八年七月 (*Chinese version of 12.*)

(Rural Development Strategies - Collected Papers, Chinese Association of Agricultural Economists, July 1988, pp. 557-579, Chinese publication of #12).
14. "Introduction to the Chinese Edition" of Agricultural Development Principles, July 1990, pp. 4.

C. Ag. Econ. Reports, International Development Papers, Etc.

1. The Organizational and Capital Structure of Farms in Herkimer, Ontario, and Orleans Counties, Department of Agricultural Economics, Cornell University, A.E. 970, February 1955.
2. Aspects of United States Experience in Improving Agricultural Output and Productivity Relevant to Less Developed Countries, (with Raymond P. Christensen), U.S. Department of Agriculture, Economic Research Service, ERS foreign-76, March 1964.
3. Elasticity of Food Consumption Associated With Changes in Income in Developing Countries, Economic Research Service, U.S. Department of Agriculture, Foreign Agricultural Economics Report No. 23, pp. 85, March 1965.

4. Institutional Change and Agricultural Development--Some Evidence from Comilla, East Pakistan, Agricultural Economics Report No. 64, Department of Agricultural Economics, Michigan State University, p. 59, April 1967.
5. Evolution of Agricultural Planning in East Pakistan 1948-65, Department of Agricultural Economics Report No. 128, Michigan State University, p. 29, May 1969.
6. Rural Development Programs for Adaptation from Comilla, Bangladesh, Department of Agricultural Economics Report No. 215, Michigan State University, June 1972.
7. Benefit Cost Methods for Project Appraisal--A Computer Program, by Robert F. Ranger, Revised by Robert D. Stevens and Roy C. Saper, Department of Agricultural Economics Report No. 149, Michigan State University, Rev. September 1975.
8. An Annotated Directory of Statistical and Related Microcomputer Software for Socioeconomic Data Analysis, by Valerie Kelly, Robert D. Stevens, Thomas Stilwell and Michael T. Weber, MSU International Development Papers, Working Paper No. 12, Department of Agricultural Economics, Michigan State University, p. 164, 1983.
9. A General Purpose Cost-Benefit and Cost-Effectiveness Analysis Mainframe Computer Program (BENCOST), by Robert E. Ranger, Robert D. Stevens, Roy A. Saper and Ting-Ing Ho. Agricultural Economics Report No. 474, pp. 35, December, 1985.
10. Increasing the Utilization of Health Services in Rural Areas of the United States and Britain: Implications for Michigan, by Richard B. Francoeur and Robert d. Stevens, Department of Agricultural Economics, Michigan State University, Agricultural Economics Report No. 510, March, 1988.

D. Journal Articles (Refereed)

1. "The Average and Marginal Product of Farm Labor in Underdeveloped Economies," (with J.W. Mellor), Journal of Farm Economics 38:780-791, August 1956.
2. "A Farm Survey in Lebanon: Some Results and an Evaluation of Methods," Middle East Economic Papers, American University, Beirut, 1959. *(From my Cornell, Ph.D. thesis)*
3. "A Review of Measures of Farm Income for International Use," Indian Journal of Agricultural Economics, pp. 1-19, October-December, 1963.
4. "The Influence of Urbanization on the Income Elasticity of Demand for Retail Food in Low Income Countries," Journal of Farm Economics 45: 1495-1499, December 1963.

5. "Rates of Growth in Food Requirements During Economic Development," Journal of Farm Economics 47, December 1965.
6. "Agricultural Mechanization and Rural Welfare in South and Southeast Asia," Robert D. Stevens and B. Ahmad in Agricultural Mechanization in Southeast Asia, Y Kishida Ed., Tokyo, Japan, Farm Machinery Industrial Research Corporation, 1971.
7. "Three Rural Development Models for Small-Farm Agricultural Areas in Low-Income Nations," Journal of Developing Areas, April 1974.
8. "Rice Land Preparation Techniques in Indonesia," (with Soedjatmiko & Merle L. Esmay) in Transactions of the American Society of Agricultural Engineers, Vol 26, No. 3, pp 678-682 and 686, 1983.

E. Reviews or Abstracts

1. Review of An Economic Study of Small Farming in Jamaica, by David Edwards, in Agricultural Economics Research, Vol. 14, No. 2, April 1962.
2. Review of Agricultural Policy Under Economic Development, by Earl O. Heady, in Agricultural Economics Research, Vol. 15, No. 3, July 1963.
3. Review of Hungry Nations, by William and Paul Paddock, Journal of Farm Economics, February 1966.
4. Review of Agricultural Development and Economic Growth, by H. M. Southworth and B.F. Johnston, Eds., International Development Review 10:26, June 1968.
5. Review of Rural Development: World Frontiers by Laurence Hewes, Agricultural History, Vol. 50, No. 3, July 1976.
6. Review of Development Planning in Bangladesh: A Study in Political Economy by Nural Islam. New York: St. Martin's Press, 1977 in Economic Development and Cultural Change, 27:821-14, July 1979.
7. Review of State and Rural Society in Bangladesh: A Study in Relationship, by Kirsten Wentergaavd. London and Malmo: Curzon Press, 1985 in Economic Development and Central Change 36(1):211-216, October 1987.
8. Review of Transforming Agriculture in Taiwan, by Joseph A. Yogen. Ithaca, NY: Cornell University Press, 1988 in American Journal of Agricultural Economists. In press 1989.

F. Ag. Econ. Staff Papers

1. "Food Production in Developing Countries Barely Keeping Pace with Population Growth," Department of Agricultural Economics Misc. Mimeo No. 1967-4, Michigan State University, 1967.
2. "The Traditional Agricultural Systems of Hacienda Vicos--An Analysis of Agricultural Production in the Andes Mountains of Peru," Department of Agricultural Economics, Misc. Mimeo 1967-11, Michigan State University, pp.41, 1967.
3. "A Selection of International Crop Yields and Conversions," Department of Agricultural Economics, Misc. Mimeo 1968-10.
4. A Review of "The Mechanism of Underdevelopment and Development," (Appendix II of Asian Drama) by Gunnar Myrdal, Department of Agricultural Economics Misc. Mimeo 1970-2, March 1972.
5. "Selected Bibliography on Comilla Rural Development Programs," Staff Paper 72:12, Department of Agricultural Economics, Michigan State University, June 1972.
6. "The Effectiveness and Financial Stability of the Comilla Agricultural Cooperative Credit System for Small Farmers," by Robert D. Stevens and Anwarul Hoque, Department of Agricultural Economics Staff Paper 72-8, p. 24, April 1972.
7. "Accelerating the Green Revolution in Hungry Nations," Manchester College, North Manchester, Indiana, Staff Paper 75-15, February 13, 1975.
8. "The Quest for An Assured Food Supply in Developing Nations - The Green Revolution Today," Department of Agricultural Economics Staff Paper 76-8, presented at the Farmers' and World Affairs Conference, Adrian College, March 1976.
9. "World Food Shortage and Effective Roles for the United States," Staff Paper No. 76-50, presented at the Annual Conference on United Nations Affairs, Central Michigan University, December 1976.
10. "Getting Food to the World's Hungry People," for a program on "Food, Land, and Alaska--Future Prospects and Possibilities," presented in Anchorage, Alaska, Ag Econ Staff Paper 77-33, May 10, 1977.
11. "Minimum BASIC--An Easily Transferable BASIC Language for Micro-Computers," Ag Econ Staff Paper No. 81-6, January 1981.
12. "An Introductory Guide for Interactive Use of the CDC Computer Via a Terminal," Ag Econ Staff Paper No. 81-16, March 1981.

13. "Microcomputer Software for Professional Use -- Notes on Programs with Emphasis on Apple, TRS-80, and CP/M." Ag Econ Staff Paper No. 82-16, March 1982.
14. "Word Processor Software for the Apple II Microcomputer - Summary Comparisons," Ag Econ Staff Paper No. 82-21, March 1982.
15. "Data Base Management & Other Programs for Professionals Using Microcomputers -Comparisons and Reference Materials - Focus on the Apple, TRS-80, and CP/M Systems," Ag Econ Staff Paper No. 82-22, March 1982.
16. "Microcomputer Software for Professional Use -- Notes on Programs with Emphasis on Apple, TRS-80, and CP/M," Ag Econ Staff Paper No. 82-23, December 1982.
17. "A Comparison of Data Base Management Programs for the Apple, TRS-80, and CP/M Microcomputer Systems," Ag Econ Staff Paper No. 82-31, March 1982.
18. "Comparisons and Notes on Statistics Program Packages for Apple, TRS-80, and CP/M Microcomputers," with Valerie Kelly, Ag Econ Staff Paper No. 82-32, May 1982.
19. "The ELF Microcomputer Statistics Program - Contents, Sample Printouts, and Comments," with Valerie Kelly, Ag Econ Staff Paper No. 83-13, February 1983.
20. "The A-STAT Microcomputer Statistics Program - Contents, Sample Printouts, and Comments," with Valerie Kelly, Ag Econ Staff Paper No. 83-14, February 1983.
21. "Aids for Pie Writer Word Processor." Agricultural Economics Staff Paper 83-58.
22. "Microcomputer Research Tools for Economists and Other Scientists in Developing Nations." Agricultural Economics Staff Paper 84-22, March 1982.
23. "New Statistical Computing Tools on Microcomputers: Search Criteria, Evaluation Methods, and Available Software" (with James W. Pease), Agricultural Economics Staff Paper No. 84-40, July 1984.
24. "Technology Transfer for Chinese Agriculture - Theory and Implications for Strategy," presented at the Joint Meeting of the Chinese Agricultural Economics Sciences Societies, the Chinese Association of Agricultural Economists and the International Association of Agricultural Economists at Beijing, October 25-29, 1987. Agricultural Economics Staff Paper No. 87-67.
25. "Chinese Agricultural Development in an Induced Innovation Perspective - Implications for Future Strategy," Ag. Econ. Staff Paper No. 87-102, December 1987. Presented at the meeting of the International Association of Agricultural Economists, Buenos Aires, Argentina, August 1988.

26. "Bookends Software for Literature Storage, Searches and Reference Lists - A Concise Illustration of Its Use," Agricultural Economics Staff Paper 89-65, July, 1989.

G. Michigan Farm Economics, Magazine Articles and Similar Output

1. "The World Food Crisis," Vital Issues, 17, No. 2, October 1967.
2. "The World Food Crisis," Michigan Farm Economics, February 1969.
3. "Serious Nutritional Problems in Developing Countries," Michigan Farm Economics, March 1970.
4. "Types of World Hunger and Effective Aid," Michigan Farm Economics, October 1977.

H. Other Publications

1. "Capital Formation and Agriculture in Some Lebanese Villages," Ph.D. Dissertation, Cornell University (unpublished), 1969.
2. "Compound Interest Rate Tables," ERS-USDA, 1962 (mimeo).
3. "The International Dimension of the Department of Agricultural Economics, Michigan State University--History, Challenges, and Guidelines for 1965-70," a report of the Subcommittee on International Program Involvements of the Program Planning Steering Committee, September 1965, p. 50 (mimeo).
4. "Planning Agricultural Development--Summary Notes," Report on the AURP Seminars of the Agricultural Development Council held at East Lansing, June 1966 (mimeo).
5. "Annual Report for FY 1965/66 of the Economic and Agricultural Development Institute," Michigan State University, June 1966 (mimeo).
6. "Notes on Project Costs and Gains to Cooperative Farmers, Comilla Thana, East Pakistan," June 1967 (mimeo).
7. "Graduate Training for Careers in Agriculture in Developing Countries," a report of the Ad Hoc Subcommittee of the Institute of International Agriculture, 1968 (mimeo).

8. "Special Collection of Materials on Economics and Rural Development in Pakistan," a Card Index (700 cards), December 1970.
9. "A Bibliography--The Pakistan Academies for Rural Development--1965-70," with Muzammel Huq, June 1971 (mimeo).
10. "Report on the 1971 Summer Research Workshop on Rural Development in Pakistan," Asian Studies Center, Michigan State University, p. 35 (mimeo).
11. "Useful Roles for International Voluntary Service Personnel in the Cooperatives of the Integrated Rural Development Program in Bangladesh," June 1972.
12. "On the Income Distribution Implications of Alternative Institutional Strategies in Bangladesh Agriculture," Summary in Socio- Economic Implications of Introducing High Yielding Varieties in Bangladesh, Proceedings of the International Seminar, Bangladesh Academy for Rural Development, Comilla, Bangladesh, November 1975.
13. "Note: Statistics Programs for Microcomputers: Directory, Descriptions, and Evaluations," American Statistition, May 1985, Vol. 39, No. 2, p. 142.
14. Discussion of "Everything You Every Wanted to Know About Food Aid But Were Afraid to Ask!" by Truman P. Phillips and Daphne S. Taylor in Government Intervention in Agriculture edited by Bruce Greenshields and Margot Bellainy, IAAE Occasional Paper No. 5, Aldenshot, Hants, United Kingdom: Dartmouth Publishing Co., 1989. pp. 156-157.

I. Papers and Presentations

1. L'amelioration des exploitations agrioles a l'aide des etudes sur la gestion des exploitations," (How Farm Management Studies Can Help Increase Farm Income), paper presented in a series of seminars sponsored by the Ministry of Agriculture, Government of Vietnam, Saigon, Vietnam, January 1961 (mimeo).
2. "Problems in Transforming Traditional Agriculture in Developing Nations--Focus on East Pakistan," Talk with slides given May 1966 and June 1966 (slide-tape program made June 1966).
3. "Discussion of 'Some Notes on Indian Food and Agricultural Policy' by W. W. Cochrane," at the Symposium on Development and Change in Traditional Agriculture: Focus on South Asia, Michigan State University, June 21, 1968.
4. Review of "The Mechanism of Underdevelopment and Development," Appendix 2 of Asian Drama by Gunnar Myrdal, Asian Studies Center, February 1969.
5. "Rural Socio-Economic System Performance for the Supply of Modern Technology to Agriculture: Focus on Pakistan," with Anwarul Hoque, presented to the Workshop on Rural Development in Pakistan, Michigan State University, July 1971.

6. "Some Rural Development Models for Small Farm Agriculture--Results from Comilla, Bangladesh," August 1972.
7. "The Potential of Comilla Rural Development Models for Small Farm Areas in Other Developing Nations," invited paper presented at the Seminar on Rural Development, World Bank, Washington, D.C., January 17, 1974.
8. "On the Income Distribution Implications of Alternative Institutional Strategies in Bangladesh Agriculture," delivered at the Seminar on "The Socio-Economic Implications of Introducing High Yielding Varieties in Bangladesh" at the Bangladesh Academy for Rural Development, Comilla, Bangladesh, April 1975.
9. "The Green Revolution in Developing Nations and Energy Constraints," presented at the Energy Institute, Oakland University, July 14, 1977.
10. "Types of Hunger in the World and Ways to Help," presented to Michigan Farm Bureau Women, Grand Rapids, October 19, 1977.
11. "Inducing Development at the Micro Level: Theory and Implications for Technology Transfer Strategies." Presented at the Pakistan Agricultural Research Council, Islamabad, the Applied Economic Research Institute, Lahore, and at the Faculty of Ag. Economics, University of Faisalabad, Pakistan, April 1984.
12. "Microcomputer Research Tools for Economists and Other Scientists in Developing Nations." Presented at the International Rice Research Institute, Los Baros, Philippines and at the Pakistan Agricultural Research Council, Islamabad, Pakistan, April 1984.
13. "New Statistical Computing Tools on Microcomputers: Search Criteris, Evaluation Methods, and Available Software" (with James W Pease). Presented at the American Agricultural Economics Association Meeting, Ithaca, NY, August, 1984.
14. "The Transfer of Agricultural Technology and Agricultural Development" seminar for the faculty of the Institute of Agriculture, Tribhuvan University, Rampur, Nepal, July 15, 1986.
15. "Accelerating Technological Change in Livestock in Nepal Through Improvement of the Operation of the IAAS Livestock Farm - A report of the Livestock Farm Economic analysis consultant to the Institute of Agriculture and Animal Science of Tribhuvan University," Rampur, Nepal, July 16, 1986.
16. "Progress and Problems in Increasing Food Security in Less Developed Nations," Talk presented at Ohio Northern University, Ada, Ohio, 12 April, 1988.

Dr. Robert D. Stevens
 Office of Medical Education Research
 & Development, College of Human Medicine,
 and Dept. of Agricultural Economics,
 College of Agriculture
 July 1990

LIST OF PUBLICATIONS

II. ECONOMICS OF HEALTH CARE

A. Chapters in Books

1. "Resources Used in Providing Module Service," pp. 86-133 in Community Care: The Chronic Disease Service Module--Progress Report, (with Anne Cunningham) East Lansing, Michigan: Office of Health Services Education and Research, Michigan State University, July 1976.
2. "The Effect of Module Service on Health Care Resource Use," Chapter IX in Community Care: The Chronic Disease Service Module--Final Report, (with Anne Cunningham) East Lansing, Michigan: Office of Health Services Education and Research, Michigan State University, September 1977.
3. "The Effect of Module Service on Health Care Resource Use," (with Anne Cunningham), Chapter IX in Joseph A. Papsidero; Katz, Sidney, Kroger, Sr. Mary Honora and Akpom, C. Amechi, Chance for Change: Implications of the Chronic Disease Module Study, East Lansing, Michigan: Michigan State University Press, 1979.
4. "Increasing Health in Rural America - Research Issues During a Transitional Period," Chapter 9 (Part III, Section 2) in Social Science Agricultural Agendas and Strategies, edited by Glenn L. Johnson, James T. Bonnen, LeRoy Quance and Darrell Fienup, Michigan State University Press, Forthcoming (1991)

B. Experiment Station and Extension Bulletins

1. Changes in the Distribution of Medical Services in Michigan Counties and Regions, 1961-1977, East Lansing, Michigan: Agricultural Experiment Station, Michigan State University, Report No. 373, (with James Chapman) 1979.
2. The Growing Importance of the Elderly in Michigan Counties, by Lea A. Isgur and Robert D. Stevens, Extension Bulletin E-1584, Department of Agricultural Economics, Michigan State University, pp. 6, December 1981.

C. Journal Articles (Refereed)

1. "Managing Hypertension in a Family Practice Health Center - Reduction in Blood Pressure, Treatment Costs and Cost-Effectiveness," (with Leo J. Bingley, Jr., M.D.), Volume I, Number 3, Family Practice Research Journal, pp. 132-139, Spring 1982.
2. "Variability in the Management of Hypertension and Cost- Effectiveness--Methodology, Community Care Results, and Potential Cost Reductions," Robert D. Stevens, Leo J. Bingley, Jr., Marilyn Rober, Jabr El-Wanni and Julie Kaston, Social Science and Medicine, Vol. 18, No. 9, pp. 767-774, 1984.

D. Agricultural Economics Report

1. "Estimating the Cost of Small Scale Ambulance Operations," Robert E. Navin and Robert D. Stevens, Department of Agricultural Economics, Michigan State University, East Lansing, Michigan, Report No. 354, 1979.
2. Increasing the Utilization of Health Services in Rural Areas of the United States and Britain: Implications for Michigan, by Richard B. Francoeur and Robert D. Stevens, Department of Agricultural Economics, Michigan State University, Agricultural Economics Report No. 510, March 1988.
3. Shifts in Hospital Services and Resource Use to Metropolitan Areas in Michigan and the East North Central States, 1980 to 1987, Agricultural Economics Report No. 526, Department of Agricultural Economics, July 1989.
4. Shifts in Hospital Services from Rural Areas in the North Central States 1980-1988: Cost and Equity Issues, Agricultural Economics Report No. 540, Michigan State University, July 1990.

E. Agricultural Economics Staff Papers

1. "Sources of County Population Estimates for Michigan, 1960-1990," by Robert D. Stevens and James A. Chapman, Staff Paper No. 75-17, Department of Agricultural Economics, Michigan State University, 1975.
2. "Nurse Practitioners and Physician Assistants in Michigan--Emphasis on Rural Areas." Revision of paper, NCR 127 committee meeting on Health Services in Rural Areas, St. Louis, MO, May 19, 1983. Agricultural Economics Staff Paper 84-13.
3. "Trends in Hospital Services and Resource Use in the East and West North Central States, 1974-1986", Staff Paper No. 88-45, Department of Agricultural Economics, Michigan State University, April 1988.
4. "Trends in Hospital Services and Resource Use in Michigan and in the East North Central States, 1974, 1980-1986," Staff Paper No. 88-57, Department of Agricultural Economics, Michigan State University, January 1988.

5. "Metropolitan and Non-Metropolitan Hospital Data, Analysis, and Graphs for the West North Central States and A Single State, 1980-1989 - A Description of a Spreadsheet Template," Department of Agricultural Economics Staff Paper #89-70, July 1989.
6. "Slow Increase in Many Services in Rural Hospitals in the United States, 1982 to 1988," Agricultural Economics Staff Paper #90-14, July 1990.

F. Michigan Farm Economics

1. "Hope for Health Maintenance Organization," Michigan Farm Economics, September 1974.
2. "New Michigan Prescription Drug Pricing Law," Michigan Farm Economics, March 1975.
3. "National Rural Health Care Initiatives: Relevance for Michigan?" Michigan Farm Economics, No. 404, September 1976.

G. Papers Presented

1. "Contributions of Economics to Policy Issues in Health Care," presented at a symposium on Health Care Policy: The Contributions of Philosophy, Economics and Political Science sponsored by the Medical Humanities, Seminar, Michigan State University, January 18, 1978.
2. "The Cost-Effectiveness of Managing Hypertension in a Family Practice Health Center - An Exploratory Empirical Study," with L. Bingley, Jr., presented at the National Conference on High Blood Pressure Control, Houston, Texas, March 25, 1980.
3. "An Economic Framework for Process and Outcome Evaluations of Health Services," presented at the American Public Health Association Meeting, Detroit, Michigan, October 20, 1980.
4. "Managing Hypertension in a Summer Research Workshop on Rural Development in Pakistan," Asian Studies Center, Michigan State University, p. 35 (mimeo).
5. "Limiting the Rapidly Rising Costs of Medical Care and Improved Health Insurance," invited paper, Seminar III for the Faculty Seminar on Health Policy, April 30, 1981.
6. "Variability in the Management of Hypertension and Cost Effectiveness--An Explanatory Empirical Study," presented at the National Conference on High Blood Pressure Control, New York City, New York, May 4, 1981.

7. "Nurse Practitioners and Physician Assistants in Michigan -- Emphasis on Rural Areas," presented at the North Central Research Committee Meeting (NCR-127), St. Louis, Missouri, May 19, 1983.
8. "Quality and Utilization Analysis for Evaluation of Health Care System Performance," Seminar OMERAD, 11 March, 1988.
9. "Principles for Improving Rural Health Services," presented at the Michigan Rural Health Forum in Addison, MI, September 22, 1988.
10. "Changes in the Availability of Hospital Services in Small and Large Hospitals - 1982 to 1987," presented in the Poster Session at the Sixth Annual Meeting of the Association for Health Services Research, Chicago, Illinois, June 18, 1989.
11. "Shifts in Hospital Services to Urban Areas in the North Central States: An Equity Issue for Rural People? Presented paper at the American Public Health Association Meeting, Chicago, IL, October 1989.

H. Other Papers

1. "More Useful Management Information from Accounting Systems of Ambulatory Health Care Units," 1975.
2. "Cost Benefit Analysis of Special Poliomyelitis Clinics," Flint, Michigan, 1975," with R. Lewis and M. Cole, 1975.
3. "Implications of the Chronic Disease Module Cost Studies for the Identification of Policy Areas Related to Long-Term Care Needing Additional Study," July, 1979.
4. "Supply and Demand Factors Inhibiting Increased Use of Non-Institutional Long-Term Care Under Medicaid," (with Lea Isgur), September 1981.
5. "A Data Archive for Use in Long-Term Care Policy Analysis - Final Report," (in 3 volumes) Author of pp. 33-43 plus Appendices A-K and in Volume 2, Appendix B, Department of Community Health Science, Colleges of Human and Osteopathic Medicine, Michigan State University, December 1981.
