https://www.canr.msu.edu/agrifood_safety/psa-training

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Persons with disabilities have the right to request and receive reasonable accommodations.

Accommodations for persons with disabilities may be requested by contacting Phil Tocco at 517-788-4292 two weeks prior to the event to make arrangements. Requests received after this date will be fulfilled when possible.

Produce Safety
ALLIANCE

GROWER TRAINING

Certificate of Course Completion from AFDO Included

2022-2023

*Pre-Registration
REQUIRED*

**Course Fee
\$85**

The PSA Grower Training Course is one way to satisfy the Food Safety Modernization Act (FSMA) Produce Safety Rule requirement outlined in §112.22(c) that requires, ‘At least one

supervisor or responsible party from your farm must have successfully completed food safety training at least equivalent to that received under standardized curriculum recognized as adequate by the Food and Drug Administration.’

The course will provide a foundation of Good Agricultural Practices (GAPs) and FSMA Produce Safety Rule requirements, and details on how to develop a farm food safety plan. After attending the entire course, participants will be eligible to receive a certificate from the Association of Food and Drug Officials (AFDO) that verifies they have completed the training course. To receive an AFDO certificate, a participant must be present for the entire training and submit the appropriate paperwork to their trainer at the end of the course.

**Partial funding for this program was made possible by the Food and Drug Administration through grant PAR-16-137.

The views expressed in the program do not necessarily reflect the official policies of the Department of Health and Human Services; nor does any mention of trade names, commercial practices or organization imply endorsement by the United States Government.
