

Allegan County 4-H Small Livestock Clinic

Thursday, August 1, 2019

Allegan County Fairgrounds

6 – 8 p.m.

Admission to the clinic:

*****FREE*****

Participants please bring a dish to pass for the dinner potluck.
Also please bring your own table service and drinks.

This is a free educational clinic designed to teach 4-H youth the basics of showmanship for goats, rabbits, and poultry. Youth will be guided by experienced individuals and will watch demonstrations and have the opportunity to have their questions answered. Youth will see various developmental stages of chicks as Don Berens will bring eggs and open them at the clinic. You may bring your rabbits to be tattooed, otherwise please do not bring any animals to this clinic. Instruction will be performed using demonstration animals.

If you have any questions, contact:

Don Berens, 4-H Leader and Poultry Superintendent

Dberens3@gmail.com or call 616-896-9249 or 616-446-1951
