Potential Sponsorship Opportunities

The Barry County 4-H Rabbit and Cavy Developmental Committee is seeking sponsors for the 2026–2027 program year. Our program provides 4-H youth with opportunities to build confidence, responsibility, leadership skills, knowledge of animal science, and sportsmanship. With your support, we can continue offering educational resources to all Barry County 4-H Rabbit and Cavy members, host multiple hands-on workshops, and provide youth the opportunity to showcase their skills, knowledge, and livestock at the Barry County Fair. Our program is growing and currently supports approximately 60 youth ages 5–18.

We are excited to offer additional sponsorship opportunities. As always, we greatly appreciate monetary donations of any amount. We are also accepting award sponsors. If you are interested in sponsoring an award, please refer to the attached list for details. Please return this form to the 4-H'er if not mailed. Thank you for supporting the Barry County 4-H Rabbit and Cavy Developmental Committee

Sponsorship Deadlines & Recognition

- By March 1, sponsors will be: Listed in the Barry County Fair book, recognized on the sign outside the Rabbit and Cavy Barn during fair week
