

BEEF QUALITY ASSURANCE

IN-PERSON TRAINING & RECERTIFICATION

Cattle producers who obtained Beef Quality Assurance (BQA) certification ahead of the 2019 packer requirement are now due for recertification. If your certification was obtained more than 3 years ago, it has expired. To help producers renew their BQA certification and to ensure Michigan cattle can be marketed for full value, the Michigan Beef Industry Commission, in partnership with the MSU Extension Beef Team will be coordinating in-person BQA Training and Recertification classes. These classes are for those needing 1st time BQA Certification or those needing Recertification. On-site testing will be included.

No cost to attend, but RSVPs are requested at: bit.ly/MiBQAreg
 Walk-ins are welcome. (Meetings require minimum #RSVPs)

Date	Start Time	Location	Address	City
