4H BACKGROUND

4-H is delivered by Cooperative Extension—a community since 1902 that provides experiences where young people learn by doing. Youth complete hands-on projects in areas like health, agriculture, arts, animal science, literacy, STEM, and citizenship to name a few. Youth receive guidance from adult mentors and are encouraged to take on proactive leadership roles.

4-H In Berrien County has been offered for over 100 years by Michigan State University Extension. Berrien County 4-H hosts a wide range of personal development experiences through projects that focus on gaining life skills that help youth succeed. Members range from age 5 through 19.

Programming is activity-based, cooperative, fun, and experiential. Members can also be involved in:

- Tours of many places around the county and state
- Local, state, and national events that allow you to travel and meet 4-H'ers from our state, our country, and our world
- Everlasting friendships
- Developing skills to last a lifetime
- Making a difference in our community

HOW DO I JOIN?

Step 1: Choose a Club

Each club is unique as they offer a variety of project areas, differ in membership size as well as activity involvements throughout Berrien County. Berrien County 4-H offers over 25 clubs ranging from special interest, short term, after-school, and community clubs. Find a club that fits your youth's interest as well as located near you!

Step 2: Contact the Club

Families wishing to join Berrien County 4-H are encouraged to contact a local Club Coordinator listed in the enclosed Club Coordinator Directory based on their club selection. Club Coordinators will be able to provide more information about the club, current upcoming activities and how to enroll.
