The **Mission** of our 4-H Youth Development Program is to provide personal growth opportunities for youth in Berrien County through educational programs and activities which utilize quality volunteers, trained staff, and community partners.

Our **Vision** is to make a positive difference in the lives of Berrien County youth.

Reminder:

With the recent easing of restrictions regarding public gatherings from the State of Michigan, it is an important time to remind the 4-H community that MSU Extension's guidance regarding face-to-face programming has not changed. No face-to-face MSU Extension youth events or programs may take place anywhere in the state until further notice. This applies to events and activities led by Michigan 4-H volunteers, including 4-H club meetings or in person gatherings of any size. We welcome and encourage 4-H clubs and groups to continue meeting virtually at this time; please let us know if we can assist you in identifying options for your virtual meeting spaces.

Important Changes to 4-H Financial Manuals for Volunteers & Treasurers

The 4-H Financial Manuals for Volunteers and Treasurers support 4-H volunteers and adult and youth treasurers in their roles managing 4-H funds.

Small revisions and updates to these books were made in 2020. The online PDF versions of the manuals contain the changes. However, if you have a printed or hard copy version that does not contain the 2020 changes, a one-page document is available online that notes all the important content adjustments. It is recommended that you print this resource and store it in your manual for quick reference.

Update on 2020-2021 4-H Participation Fees

MSU Extension recognizes that the COVID-19 pandemic and other associated factors have put a financial strain on many families.

Therefore, we have opted to waive the Michigan 4-H participation fee of \$20 per person or \$60 per family for the 2020-21 4-H program year which begins September 1, 2020. Some events may continue to have registration fees. You will continue to register through 4-H Online, but no participation fees will be collected or expected next year.

If you are interested in supporting 4-H in lieu of paying participation fees, please contact your 4-H program coordinator for opportunities.

Changes coming to 4-H Online

This fall, 4-H Online will be upgraded to version 2.0. This enhanced version of our current registration system will offer many improvements, including the ability to register for events, the ability to collect registration fees via credit card, and improved communication features, among others. Though the system will look a bit different, we anticipate this upgrade will also provide a better user experience for the 4-H community.

In preparation for this upgrade, 4-H Online will shut down on August 27 as our Michigan 4-H data are migrated to the 2.0 version. The system will reopen mid-September; during the transition time, you will not be able to access 4-H Online. Once the system is operational again, MSU Extension will email the 4-H community with instructions on how to enroll/re-enroll in the upgraded system. In that communication, we will also provide additional training resources for administrative leaders/volunteers, as well as 4-H families who would like to learn more about 4-H Online 2.0.

We appreciate your patience with this transition and look forward to starting the 2020-2021 program year with an even better 4-H Online experience.

Update on Face-to-Face Michigan 4-H Programming

Earlier this year, MSU Extension pivoted all programming to online formats to comply with the original Stay Safe, Stay Home order (EO2002-42). Though this has been difficult time for communities, families and our own faculty and staff members, we are proud of the work our team has done to ensure that the 4-H community continues to have access to high-quality educational opportunities throughout Michigan.

After much discussion and study, we have decided to continue to keep all 4-H programming, meetings and events virtual until further notice. This applies to all children and youth activities involving ages birth to 19. We recognize that this a hardship on those who are eager to engage in in-person activities with their 4-H community. However, we must do everything we can to keep youth and adults safe and healthy. As such, please continue to hold 4-H club meetings and other local events virtually. MSU Extension staff members, including 4-H program coordinators, cannot support in-person activities. In addition, funds raised in the name of 4-H cannot be used to support in-person events until further notice.

Although, our delivery modes have changed, we are still hard at work for you. Because of our statewide reach, you have access to a number of MSU Extension events. Visit our MSU Extension Remote Learning and Resources to learn more.

We assure you that this does not diminish our commitment to the 4-H community. We will continue to offer high-quality, virtual programming and experiences, and look forward to the day when we can resume in-person programming.

National 4-H Week to be celebrated Oct. 4 - 10

For the 78th consecutive year, millions of youth, parents, volunteers and alumni across the country will celebrate *National 4-H Week* from October 4-10.

The theme for this year's National 4-H Week, Opportunity4All, is a campaign that was created by National 4-H Council to rally support for Cooperative Extension's 4-H program and identify solutions to eliminate the opportunity gap that affects 55 million kids across America.

With so many children struggling to reach their full potential, 4-H believes that young people, in partnership with adults, can play a key role in creating a more promising and equitable future for youth, families and communities across the country. In 4-H, we believe every child should have an equal opportunity to succeed. We believe every child should have the skills they need to make a difference in the world.

To help bring awareness to the many positive youth development opportunities offered by 4-H, Michigan 4-H is encouraging 4-H youth, volunteers, staff and supporters to celebrate National 4-H Week in their communities. A few ways to do that while maintain safe social distancing include:

- Share how 4-H has inspired you or your kids on social media channels and with individuals in your community.
- Show your 4-H pride by wearing your 4-H apparel on Wednesday, Oct. 7, the official 4-H Spirit Day.
- Write an op-ed for your local paper to tell your Michigan 4-H story or submit it to MSU Extension for the [Meet Michigan 4-H'ers series](#).
- Decorate an [Opportunity4All sign](#) and share your pictures and captions of what opportunity means to you using the hashtag #Opportunity4All on social media.
- Use a [National 4-H Week Zoom background](#) on your virtual meetings.

Guidelines for Positive Youth Development Virtually

As Michigan 4-H staff, volunteers and youth continue to practice safe social distancing, 4-H programs have moved online and many 4-H clubs are connecting virtually. To help both 4-H staff and volunteers view the 4-H Guiding Principles through a virtual lens, MSU Extension recently developed "Michigan 4-H Guiding Principles for Positive Youth Development: Virtual Programming Focus." This resource is a great tool for adults interacting with 4-H'ers to review as they consider the best ways to optimize 4-H programming for the online world.

View the Michigan 4-H Guiding Principles for Positive Youth Development online at www.canr.msu.edu/resources/michigan-4-h-guiding-principles-for-positive-youth-development-virtual-programming-focus.
