

2017 BHEARD Scholar
Bernard Rwubatsé

Profile

Country of Study:	Kenya
University:	University of Nairobi
Department:	Agriculture
Student Position:	Graduate Research Assistant—Ph.D.
Home Country:	Kigali, Rwanda
Home Institution:	University of Rwanda
Home Position:	Assistant Lecturer
Mentored By:	

Research Area: *Technologies for Bioactive Compounds*

BHEARD PROGRAM START DATE: September 2017

UNDERGRADUATE EDUCATION: B.Sc. Food Science and Technologies, Kigali Institute of Science and Technology, Rwanda

GRADUATE EDUCATION: M.Sc. Food Science and Technology, University of Nigeria, Nigeria

RESEARCH INTERESTS: Bernard is interested in technologies for the enhancement of bioactive compounds and for the reduction of harmful processing contaminants in baked and fried foods. These foods are regularly consumed by many throughout the world and need to be healthier and produced through cheap, simple and sustainable technologies.

PERSONAL STATEMENT: Upon completion of his Ph.D. studies, Bernard intends to transfer his research results, science and technology to the his community. He wants to also write proposals for grants and manuscripts to publish. Bernard also plans to organize, lead and manage conferences, seminars and workshops.

WHEN I AM NOT WORKING I ENJOY: Bernard enjoys trekking, reading and watching news. He also likes to visit relatives, friends and colleagues.
