All Exhibitors must also fill out and sign the Calhoun County Fair and Calhoun County Agricultural and Industrial Society Code of Conduct/Media/Medical Release Form.

4-H AGE POLICY

This special non-animal, non-competitive, non-Fair division for 5-7 year old 4-H Members does not award premiums. Exhibitors must be enrolled in Calhoun County 4-H and have paid their 4-H membership dues and be at least 5 years old by January 1 of the current year. All Cloverbuds, no matter what 4-H club you are in must bring their exhibits to be judged on **Saturday, August 10, between 9 am and 12:00.** If you are in an animal club and have to keep a project record book, or feed record, you could use that. You could have a picture of your animal and label all the parts. These are examples, or you could do a craft project. Be sure to do something as this is the only way you get your arm band for Fair entry and milk card (for free milk every day of Fair courtesy of Farm Bureau).

4-H Cloverbud Exhibitors will receive a ribbon and prizes donated by the Calhoun County 4-H Council. Exhibits must be displayed in the Club's booth.

Guidelines:

- ⌘ Suggested number of exhibits: 5 year olds bring 5 or less, 6 year olds bring 6 or less, etc.
- ⌘ The exhibit must be complete.
- ⌘ The member must be able to describe all steps and materials used for the exhibit from beginning to end.
- ⌘ Parents, leaders, etc. may **not** interact with judges.

We are also looking for leaders to provide volunteers for tear down, date and time to be announced.

To participate, submit entries on a Fair Entry Form to the **Fair Office** by **Tuesday, July 9**. Then, between Saturday, August 10 and Tuesday, August 13, by noon. **Exhibitors must sign up** in the Boys & Girls Exhibit Building for their judging time.

INTERVIEWS

Judging is an important step in a 4-H exhibitor's growth in their project area. During an interview, judges may ask youth questions to determine the youth's knowledge, skills, abilities and experience. To facilitate fair judging and judging as an educational opportunity for exhibitors, *parents, leaders and other adults are NOT allowed to interact with judges.*

RATINGS

Judges award **A, B or C** ratings to 4-H exhibits (*except special competitions and 5-7 year old exhibits*) based on guidelines for project area departments, divisions and classes. Additional considerations may include an exhibitor's age, ability, project area knowledge, experience and communication skills. Although ratings are subject to the discretion of the judges, the following usually apply:

- 8 **A** ratings receive blue ribbons, are complete, show excellent and consistent quality and workmanship and/or meet all or most guidelines. These exhibits are eligible for additional recognitions such as Best of Class, Best of Show, Outstanding Exhibit, Champion, etc.
- 8 **B** ratings receive red ribbons, are complete, show average or inconsistent quality and workmanship and/or meet most or some guidelines. These exhibits are not eligible for additional recognitions.
- 8 **C** ratings receive white ribbons, are incomplete, show inconsistent to below average quality and workmanship and/or meet few or no guidelines. These exhibits are not eligible for additional recognitions.

JUDGING RECOMMENDATIONS

1. The Exhibitor should be enrolled in the project area.
2. The exhibit should be the best one selected from several which the Exhibitor has prepared.

3. Avoid putting something together at the last minute because there is a Fair class for it.
4. Projects, including collections, should not have been previously exhibited unless substantially changed.
5. Projects should teach planning, selecting, buying, usage, construction and safety.
6. Exhibitors should manage their own time, money, energy and other resources to meet guidelines.

If you have questions about any projects, call the Superintendent of that area. See listing on page 6 of this newsletter.

CREATIVE WRITING

Members will present their exhibit(s) to the creative writing judge on **Saturday, August 10**, between 9 am and 12 noon. The judge may interview the member, then retain the exhibit over night or over the weekend for further review. Upon return, exhibits need to be placed in the member's club booth. Specific creative writing guidelines are available at the MSU Extension Office or the Fair Office.

FOOD & FOOD PRESERVATION

Judging between 9 am and 12:00 pm, Saturday, August 10.

Food poisoning bacteria can grow rapidly in foods that must be kept within specific temperatures and can quickly become unsafe for the food judge to taste. For example, cold foods must be stored under 40 degrees and hot foods must be stored above 140 degrees Fahrenheit. Therefore, food judges will not be tasting:

- 8 Foods requiring refrigeration or freezing such as custards, custard filled baked goods like pies and doughnuts; whipped cream or pudding type fillings; meat, poultry, seafood, egg, or vegetable salads; milk, cream,
- 8 creamed dishes, cheese, ice cream, other milk products; meringues.
- 8 Foods that must be served hot.
- 8 Any home-preserved food.

Exhibitors must complete a score card and a copy of the recipe used before they are judged. Score cards are available at the MSU Extension Office or Fair Office. Please remove deteriorating foods from the booth. Cake decorating guidelines and scorecards can be picked up at the MSU Extension Office or the Fair Office.

HORTICULTURE

Vegetable exhibits have very specific numbers which must be observed to have a complete display. The guide "How to Select Vegetables for Exhibit" is the primary reference (4-H 1175) and is available at the MSU Extension Office. Exhibitors are expected to know when the vegetables were planted, how many were planted and how much time was spent tending the garden. Flower and Vegetable Exhibitors should check their entries regularly during Fair and replace wilted or spoiled items.

If exhibiting flowers or vegetables, Exhibitors should present completed "4-H Vegetable Gardening" or "4-H Flower Gardening" record keeping worksheets to the judge. A garden diagram should be attached to the back of the worksheet. Worksheets are available at the MSU Extension Office or Fair Office.

A total of 100 points will be awarded daily based on specific criteria. **The Calhoun County 4-H Council sponsors these events.**
