# 4-H Family News

MARCH/APRIL 2021

## Dear 4-H Family and Friends,

Spring is upon us! In 4-H World that means we are all *busy* prepping for all of the fun activities coming up! We have a lot of great county wide events coming up that I hope that you will consider participating in. One of my favorites is the Community Service Challenge with Berrien County! Community service is a huge part of 4-H and it has been difficult to participate in community service activities during the pandemic. We have created a safe, fun way for your family to give back to your community through community service. You can read more about this challenge on page four. I hope to see you in the game!

Sincerely,

Hailey Harman  
4-H Program Coordinator, Cass County

### Apply for a 2021 4-H State Award!

Michigan 4-H true leaders ages 11 and older have an opportunity to be recognized for the great work they do in 4-H by completing a state award application. A Michigan 4-H State Award is the highest honor bestowed on a Michigan 4-H member and provides an opportunity to receive recognition for their engagement in rich learning experiences that result in outstanding knowledge and life-skill development.

2019 State Award winners with their plaques

State award applications are divided into four categories: Mark of Excellence essay contest (11-12 years old), junior state award (13-15 years old), senior state award (16-19 years old) and group awards (13-19 years old). The application process and selection is determined by the age of the 4-H member.

More information about the Michigan 4-H State Award process can be found online at <http://bit.ly/stateaward>. Applications are due April 1, 2021. For more information, contact your 4-H program coordinator or email Janice Zerbe at [rajzerj@msu.edu](mailto:rajzerj@msu.edu).

### Join the Michigan 4-H LGBTQIA+ Alliance leadership team!

Youth ages 15-19 are invited to apply for the new Michigan 4-H LGBTQIA+ Alliance leadership team to help create a friendly, positive environment for Michigan youth and communities. The Michigan 4-H LGBTQIA+ Alliance is the brainchild of two Michigan 4-H teens who attended the [2020 National 4-H True Leaders in Equity Institute](#) and were inspired to create positive change in their 4-H community.

Applications are being accepted for the teen leadership team that will serve as advisors for the state-level Alliance. These leaders will develop leadership skills and help to create opportunities for LGBTQIA+ youth and allies to come together in fun, positive, and supportive ways. While this group is being established through Michigan 4-H, youth do NOT need to be 4-H'ers to apply; this opportunity is open to all teens interested in supporting the inclusion and participation of LGBTQIA+ youth and allies in Michigan 4-H.

Teen leaders will meet two to three times per month and should plan on committing about three hours of their time each month. The first meeting will be in April. This teen leadership team is just the beginning; additional opportunities will be available for youth who wish to serve on regional or local Alliance leadership teams, as well as join and participate as members.

Applications from prospective youth leadership members will be accepted from February 15 – March 15 at <https://events.anr.msu.edu/4hlgbtqia/>. Youth interested in learning more about the Michigan 4-H LGBTQIA+ Alliance are encouraged to attend an optional Zoom open house on Tuesday, March 9 from 6:30 - 7:30 p.m. Preregistration is required to participate in the open house, and can be completed at <https://bit.ly/3q6v1D8>. For more information, please contact MSU Extension Educator Brian Wibby at [wibby@msu.edu](mailto:wibby@msu.edu).

## Community Service GooseChase Challenge

Calling all Cass County 4-H members! Are you ready for a challenge?!?

We are excited to announce a very unique challenge between 4-H members of Cass County and 4-H members of Berrien County that could benefit many people in both counties while having fun! This will be a community service contest between the two counties following the popular "GooseChase" app online. In this time of safe distancing, it's super hard to find activities our youth can get out and do, and this could be fun opportunities for families to work safely together as a unit, earn points in the contest and make a difference in our communities.

The contest will run from April 8-14 and youth will need to sign up by April 13. There will be prizes for the winning county as well as prizes for individuals at the end of the 'chase'. Youth can choose from working in the county parks (trail maintenance, painting, planting flowers), making T-shirt dog toys, doing "shout outs", cards to nursing homes, appreciation letters, doing a virtual demonstration, homemade blankets, or providing hygiene items for foster care among other activities. The community service must make an impact in the county in which they live to be credited in the contest.

"This challenge is open to anyone between the ages 13 and 19 (younger youth can participate with an older sibling or parent/guardian), the only requirement is that you must be signed up in 4-H, which is free this year!" says Harman, "I know we've got a great group of families in Cass County providing services to our community... and so does Berrien County. We are hoping to make this challenge one to remember, and maybe get other counties to do the same!"

Youth ages 5-19 interested in signing up for 4-H this year may do so by going to 4-H Online (<https://v2.4honline.com/#/user/sign-in>) under the "Events" tab! This challenge is completely free, but you will need a smart device to participate (phone, tablet or computer).

## Ag Explorers

Have you ever wondered what kind of careers are available in agriculture in the world today besides the traditional "farmer"? Cass County 4-H, in partnership with Cass County Farm Bureau, will be presenting a virtual series addressing just that beginning March 22 for three consecutive evenings at 5:00 p.m. This introduction is just the "tip of the iceberg" of careers available to our area high school age youth. Highlighting part of this series, professionals will be covering resumes and interview building; both so important as our students enter the portion of their lives where they seriously pursue career options.

For 4-H youth interested in joining this free, virtual experience, the process is very simple; just access your 4-H Online profile and click on "events", the sign-up is done within a few clicks. If non-4-H youth are interested in joining 4-H, this is a great year to try it out, as it is free for 2021, and all you have to do is go to 4-H Online and register in Cass County! Registration for this program is now through March 15<sup>th</sup>. Questions can be directed to Hailey Harman through email at [harmanha@msu.edu](mailto:harmanha@msu.edu).

### Clovers and Canvas

Cass County 4-H is offering a "Clovers and Canvas" painting opportunity for both Cloverbuds (April 29th) and youth (April 26th). This program will be administered via a kit delivered directly to your home and an online Zoom to walk you through the painting. Registration will be through 4-H Online under the "Events" tab and will be available beginning March 22nd. In the past, similar kits have gone quick and spots will be limited!

### Cass County 4-H Leaders' Association Auction

The Cass County Leaders' Association will be holding their annual auction *virtually* this year! Red Star Auction will be administering a great online auction for the Association Fundraiser from May 19-21. Items will be visible beginning May 14th. Are you not local but still want to support? Shipping is an option this year! More details will be available in the future via our Facebook and the next Clover. We hope that you will log-on and peruse the fantastic items that will be offered!

### Volunteer Toolkit: Parliamentary Procedure Training

Are you a 4-H Leader who is an association member or responsible for teaching youth to run meetings? If you said yes, then this program is just for you! In the second program of the Volunteer Toolkit training series, you will learn the basics of parliamentary procedure and how to teach youth these practices for your club meetings! This virtual program will take place via Zoom on April 13th at 6:30 pm. Pre-registration is required to receive the Zoom link. Registration is through 4-H Online. To register, sign into your 4-H Online Family Profile (<https://v2.4honline.com/#/user/sign-in>), select your profile, select the "Events" tab, and find the program!

### Cass County Boards = Opportunities for Young Adults!

Many dedicated people assist Cass County Government by serving on Boards and Commissions. If you are a 4-H youth between the ages of 16-19 and are interested in helping your community while learning how government works on a local level, you should check out the possibility of serving on a county board! The County of Cass website lists all the boards and commissions, along with a brief description of the board and the terms of appointment, along with meeting times. Boards are very interested in hearing the concerns and solutions our young adults have to offer.

Who knows... you may be unknowingly looking at a political career and it could start right here... or even be a future congress-person.... or President of the United States!!

### 4-H Teen Leaders' Association

Our Cass County 4-H Teen Leaders' Association works to provide educational (and fun) opportunities for youth in Cass County 4-H. All youth 13+ are encouraged to attend! If you would like to be involved, please consider coming to the Teen Leader meetings on Wednesday, March 10th and April 14th at 6:30 p.m. via Zoom.
