

Government Fiscal Sustainability Workgroup

Virtual Meeting Agenda

Wednesday, October 25, 2023

(Eastern Time)

- 1:00 pm Welcome – Eric Scorsone, Michigan State University
- 1:10 *Intervention or Monitoring: How the government responds to financial, service, and corporate failings in local authorities* – Peter Murphy, Professor of Public Policy and Management and Director of the Public Policy and Management Research Group at Nottingham Business School, Nottingham Trent University
- 2:00 Topic Area Discussion – open discussion format
- Monitoring System Updates
 - Local Unit Distress or Receivership Updates
- 2:20 State Updates – rotate discussion by state
- Labor Force updates – does this remain a persistent issue of concern? Are you or others within the state taking any actions to address it?
 - Regulatory Changes updates – any changes to statute or administrative rules regarding any local government financial oversight, i.e., bonding, employment law, etc.
- 3:30 pm Adjourn
