EXHIBIT RELEASE

Exhibitors unable to pick up their still exhibits on Thursday evening, August 4th between 8-9:00 pm, may pick them up on Friday, August 5th between 8-9:00 am. If unable to pick up at these times, exhibitor must make arrangements with the MSU Extension Office (989-224-5240) to pick them up at a later date. Exhibits not picked up by August 6th 2022 will be discarded.

Welcome to the 2022 Clinton County 4-H and Youth Fair!

Dear Family, Friends, and Neighbors,

This year we celebrate the 85th year of the Clinton County 4-H & Youth Fair! The motto of our fair is “Where Friends Meet and Memories Are Made”.

We want to welcome you back to the Clinton County 4-H Fairgrounds for all the fun activities that you have all come to know and to celebrate our fair’s 85th year. We will feature back our Truck & Tractor Pull on Monday night. Tuesday’s feature include an Antique Tractor Pull, and a Draft Horse Pull that evening. The still exhibits and animals will be on the grounds for display all week with the Livestock Sale on Wednesday evening and a still exhibit auction on Thursday.

Fair is a community effort each year to celebrate the hard work and accomplishments of our 4-H & Youth. As you walk around the fairgrounds this year, take a few minutes to soak in the “Rich History” that has been preserved by the volunteers and leaders that have all came before us. As I reflect my experience with Clinton County 4-H, I am humbled by the generosity in giving to this organization and this great event by the sheer number of amazing individuals.

Throughout the history of the Fair, the program has been supported by local volunteers, community leaders, civic groups and businesses who believe strongly in the value of youth and the integrity of the county fair and the young exhibitors. Thanks to the help of hundreds of adult and youth volunteers who help put this event together. The Volunteer Board of Directors, Livestock Committee Members, 4-H Council, and Department Chairs have been planning this event for a year now. The Fair Board extends their appreciation to all who help support Fair programs and encourages the community to patronize them and thank them for their support.

We invite you to come and enjoy time with friends and neighbors at the 2022 Clinton County 4-H & Youth Fair. Come with your family and friends to walk through the exhibit buildings to see all the projects and talent, enjoy a meal or snack at one of the concessions, encourage youth in the various competitions or enjoy one or more of the special evening programs. The Board is proud of the family focus of the Clinton County 4-H & Youth Fair and hopes you enjoy your visit.

Be part of the “History” that is the Clinton County 4-H & Youth Fair!

Sincerely,

Douglas Witt, President

CLINTON COUNTY 4-H AND YOUTH FAIR

Exhibitor Rules and Regulations

1. Entry in the youth division is possible as follows:
 - Youth between the ages of 5-7 as of January 1, 2022 and enrolled in a Clinton County 4-H program or who reside within Clinton County may exhibit in the appropriate classes as outlined in the Cloverbud Department. Exhibitors must satisfy all other entry requirements for the class.
 - Youth between the ages of 8-19 as of January 1, 2022 who are enrolled in a Clinton County 4-H Club or FFA program based in Clinton County are eligible to enter in animal classes (i.e. horse, livestock or companion animals) or still project classes. Exhibitors MUST meet all other entry requirements for the project class.
 - Youth between the ages of 8-19 as of January 1, 2022 who are enrolled in a Clinton County 4-H Club or an FFA program based in Clinton County or who reside in Clinton County may enter in any still exhibit class.
 - All exhibitors entering as a member of a 4-H or FFA program must be enrolled in the program by April 1, 2022 and remain in good standing with the program through completion of the Fair.
2. The ages for all classes will be based on the youth's age on January 1 of the current year.
3. No entry fees will be charged for any classes. Any premiums noted will be paid to the exhibitor as indicated.
4. Exhibitors are responsible for understanding and abiding by all Fair rules and regulations. Violation of the rules or regulations may result in forfeiture of all privileges and awards.
5. Exhibitors must sign the Fair Sportsmanship and Conduct Policy form agreeing to comply with the Fair Code of Conduct. For exhibitors who sign-up online, signature on the electronic sign-up constitutes agreement to this policy. Exhibitors who sign-up using paper forms must submit a signed, paper copy of the policy to the MSU Extension office by July 15th. The exhibitor and his/her family must abide by the Fair Code of Conduct. Failure to do so may result in rejection of entries.
6. Exhibitors must complete online class entry by July 1st to be eligible to exhibit. Entry information will be available at the MSU Extension office and is available online.
7. All exhibits must be 4-H appropriate in content and language.
8. No exhibitor may make two entries in the same class unless otherwise specifically stated in the Department.
9. A single still exhibit may only be shown and judged in one class, unless specifically stated in the Department.
10. Exhibitors are responsible for checking individual Departments for additional exhibit requirements.
11. Articles exhibited must be made or grown by the exhibitor since August 1st of previous year. Exhibits not meeting this requirement will be disqualified and removed from display. Animals shown must have been cared for by the exhibitor since the initial tagging or project registration date. All animals exhibited must meet the ownership requirements as defined in the appropriate department.
12. Unless specifically exempted in the Department, projects constructed from a kit that meets all other project guidelines are acceptable and may be considered for top awards.
13. Changes and additions to class entries after online class entry deadline, and prior to judging, are at the discretion of the Department Chairperson.
14. Projects must be completed in order to exhibit. There shall be no changes to a still or non-animal project once it is entered. Any changes to animal projects after fair entry must be in accordance with the department requirements.
15. All exhibitors must be entered at the time and date noted in each respective department as listed in this Fair Book. No late exhibits will be accepted in any department.
16. Any project or animal which is deemed a hazard to the Fair or Fair visitors will be removed from the fairgrounds and is not eligible for awards. Determination of hazards are at the discretion of the Department Chair who will consult with and inform the Fair Board. The Fair Board will have final authority.
17. The decision of the judge shall be final at the conclusion of any and all classes. Concerns with class outcomes should be brought to the attention of the Department Chairperson and the Fair Board within 24 hours of discovery, as set forth in the Complaint Policy below. No award, once announced, will be changed, unless there is a violation of Fair policies.
18. Ribbons shall be awarded in all classes unless otherwise stated. With the exception of the Cloverbud division, the judge shall place entries in A, B or C groups unless otherwise stated in the Fair Book.
19. Rosettes and awards shall be presented at judge's discretion and as printed in the Fair Book. All awards have been pre-approved by the Fair Board prior to the printing of this Fair Book.
20. A judge may decide to award an honor ribbon to those still exhibits which are of a quality surpassing a blue ribbon but do not receive the top award(s).
21. No Fair events or classes shall start after 10:00 p.m.
22. Only pre-authorized night guards and Fair personnel may camp on the Fairgrounds. All other individuals must leave the grounds by 11:00 p.m.
23. No driving will be allowed onto the Fairgrounds between 9:00 a.m.-10:00 p.m., except for those vehicles with special approval of the Fair Board. Permits will be available for senior citizens, handicap parking, food stand delivery vehicles associated with pre-approved Fair Board sponsored entertainment, who will park in designated areas.
24. Any vehicles or trailers that fail to comply with the parking ordinance will be towed at the owner's expense.
25. No awnings or tents will be allowed to set-up on the Fairgrounds without prior approval of the Fair Board. Clubs interested must submit an application with their Club's Fair forms. Clubs will be notified if they have been approved for space. Awnings and tents must be set-up Friday before Fair between 4:00 - 8:00 p.m.

Awnings and tents will not have electrical connections and exhibitors are not to bring in-home furniture. Vehicles are NOT allowed in awning and tent areas and must be left in an approved parking area. Awnings and tents must not have overnight guests and must comply with fairground policies listed below in #26.

Club awnings and tents are considered part of the club exhibit and must not be removed before 9:00 p.m. on Thursday. The area must be cleaned no later than 10:00 a.m. on Friday morning.

26. The following are PROHIBITED on the fairgrounds during the Fair: liquor or alcoholic beverages, bikes, skateboards, scooters, rollerblades or similar items; radio-controlled toys and unmanned aerial vehicles (drones) unless used as part and in accordance with a scheduled event approved by the Fair Board; smoking; solicitation and unsportsmanlike or unruly conduct. Any pets, including dogs or cats, must be on a six (6) foot or less leash and under control of the handler. If an individual violates any of the above, they may be asked to leave the fairgrounds.
27. Each club and exhibitor is responsible for reporting to Fair set-up on the designated date. Each livestock exhibitor is responsible for signing up for a Fair clean-up shift when they retrieve their stall card. The exhibitor is then responsible to report for their clean-up job at the designated time. Exhibitors must work in the assigned area until the assigned job is completed, or they are dismissed by the Department Chairperson.
28. Once entered, no exhibited animal or other project is permitted to leave the grounds, unless specifically authorized in the fair book. No projects of any kind shall be removed before the official release times unless the Fair Board has issued written approval. Written approval may be obtained by filing a written request at the Fair Office. In the event exhibits are removed before the official release time without Fair Board approval, awards will be forfeited. Once an exhibit has been removed from display, the exhibit cannot be returned.
29. The Fair Board is not responsible for exhibits which are not picked up at the time and date designated in the appropriate department.
30. The Fair Board, Clinton County Board of Commissioners and Michigan State University Extension are NOT individually or collectively responsible for loss, damage or injury to livestock, exhibits, articles or individuals.

ANIMAL EXHIBITS

- A. All animal exhibitors must file a Project Certification/Care Form to the Extension Office by July 1st.
- B. All animal exhibitors, except dog exhibitors, must pay a \$20.00 deposit for each pen or stall needed at Fair. Horse exhibitors regardless if the horse is to be stalled on the fairgrounds, must pay a \$20.00 deposit on each equine shown. Stall Reservation Forms and deposits are due in the Extension Office on or before the deadline published on the forms. Stall assignments are at the sole discretion of the specie chair.
- C. All animal exhibitors, including dog and small animal exhibitors, will be assessed a \$1.00 per animal fee. In the case of rabbit and poultry exhibits, the fee is \$1.00 per cage. All animal health fees are applied to the Animal Health Emergency Fund. This is a non-refundable fee that will be collected annually.
- D. All exhibitors must review the Animal Health Rules and Expectations Plan printed in this Fair Book. All exhibitors must comply with the Plan. Animals shall only be unloaded upon compliance with the Plan.
- E. Unless specifically permitted by the Fair Board, no bulls, boars, buck goats, or stallions will be accepted at the Fair.
- F. Market animals must have been tagged according to the Livestock Committee's rules and regulations. Market animals will be weighed upon arrival on the fairgrounds and as listed under the specie department to determine the weight class and sale weights. All species will be weighed only once for official weight. Any issues regarding entry and weight must be resolved at the time the animal is weighed.
- G. Exhibitors will provide appropriate feed for their animals, as well as feed and water containers as needed. Exhibitors should be prepared to provide bedding for their own animals. Bedding types must comply with department requirements.

Pens/stalls are to be cleaned and bedded daily by 9:00 a.m. Animals must be checked, fed and watered not less than two times daily between the hours of 9:00 a.m. and 7:00 p.m.

Exhibitors must keep their pens/stalls clean and well-bedded and their tack area neat at all times. No accumulation of manure or other waste is acceptable. A warning will be issued for the first instance of failure to keep pens/stalls clean and animals cared for. Further failure to care for pens/stalls or animals will result in the deduction of \$30 per stall/pen from the exhibitor's sale check for market animals and non-refund of stall deposit. If the situation continues to remain uncorrected, the Fair Board may ask that the animal exhibit be removed.
- H. Medical needs of animals will be addressed at the expense of the exhibitor. If an animal is deemed a health hazard to the Fair by a veterinarian, the Animal Health Implementation plan will be followed. The exhibitor will be responsible for charges incurred at the Fair for the veterinary services provided for the care of the animal(s) they are showing.
- I. Showmanship exhibitors, except for 4-H Explorers (ages 6-7), must use the animal they are exhibiting.

Animals used in showmanship must also be shown in the appropriate animal class. Exhibitors must participate in showmanship to be eligible to participate in the livestock auction.
- J. All exhibitors participating in showmanship contests must be neat and cleanly dressed in appropriate clothing for the specie they are showing.

Horse exhibitors MUST wear boots while riding.
- K. Unless an exhibitor has more than one entry in a class, exhibitors must show their own animal when called to class, including championship classes, unless excused by the Department Chairperson for medical or emergency reasons.
- L. Horse trailers hauling in horses that will not be stalled in the barn, horses showing in evening classes and draft horses must enter the fairgrounds via designated fairgrounds drive on Townsend Road and must park in the specified area on the southwest side of the horse arena. All requirements listed in the Equine Department must be followed.

- N. Deliveries for feed and/or hay must be completed before 8:30 a.m. While on the grounds, vehicles are to park in designated spaces. Vehicles must exit the exhibit area before 9:00 a.m.
- O. Animal exhibitors are responsible for picking up their own equipment and supplies (feed, rakes, hoses, etc.) on Thursday night after 9:00 p.m. Nothing can be removed from the exhibit area prior to 9:00 p.m. on Thursday. This includes tack boxes, show equipment, signs, etc.
Horses and dogs not stalled on the fairgrounds or any animal that receives special written permission from the Department Chairperson and Fair Board due to a family emergency or animal illness are exempt from this rule.
Livestock grooming chutes and stands will also be exempted from the removal rule. Grooming stands and chutes may be removed at the discretion of the exhibitor between 9:00 -11:00 p.m. any night of the fair.
- P. All exhibitors that remove their animals on Thursday evening must return to complete their assigned clean-up job on Friday morning to claim their stall deposit refund. Stall deposit cards will not be signed until Friday morning. No stall deposit refunds will be made without a signed Stall Deposit Card. Exhibitors must sign-up for a clean-up job in the Fair Office when they retrieve their stall card.

LIVESTOCK SAMPLE COLLECTION PROCEDURES

- The Fair has the legal authority to require drug testing pursuant to MCL 287.740(3), which states, "A fair, exhibition, exposition or show authority may require additional testing or vaccination of animals before entry and during the fair, exhibition exposition, or show".
- All animals shall be subject to blood, urine, and/or tissue testing if determined necessary in response to a possible violation of the rules outlined in: the Exhibitor Code of Conduct and Project Animal Certification Form; the Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sale, and/or the rules contained within this Fair Book.
- The collection of samples shall be performed by a veterinarian or authorized representative as appointed by the Fair Board, in accordance with Fair Board testing procedure protocol. The veterinarian identified by Fair Board and an Animal Representative (AR) shall remain with the animal at all times during the process. The exhibitor's parent or legal guardian must act as the AR. Other than the Department Chair, a Fair Board representative, veterinarian or authorized representative, and AR, all other will be asked to leave the area.

ANIMAL DRUG TREATING PROCEDURES

In the event that an animal must be treated with a drug for any reason while on the fairgrounds, the exhibitor is responsible for following all fair rules and regulations. The treatment must be performed by a veterinarian or authorized representative as appointed by the Fair Board, in accordance with the Fair Board treatment procedure protocol. A copy of the protocol will be provided to all relevant parties before the treatment procedure begins, and they will be asked to sign to indicate they understand the procedure protocol. The veterinarian identified by Fair Board and an Animal Representative (AR) shall remain with the animal at all times during the

process. The exhibitor's parent or legal guardian must act as the AR. Other than the Department Chair, a Fair Board representative, veterinarian or authorized representative and AR, all others will be asked to leave the area.

COMPLAINT POLICY

- Any complaint regarding conflict of interest of the judge, disqualification or eligibility of an exhibit or an exhibitor or violation of sportsmanship and conduct policy by an exhibitor, parent, leader, department chair or superintendent must be filed in the Fair Office. The complaint must be filed within 24 hours of the event or from when the complaining party knew or should have known of the violation.
- Upon receipt of the complaint, the Fair Office will involve the Department Chair and Fair Board to seek resolution. Fair Board will obtain written statements from the alleged violator. The Fair Board may take any other means of obtaining and preserving evidence which includes but is not limited to photos, test results and obtaining written statements from any witness(es). Department Chairs will be exempted from the handling of any complaint that involves their conduct.
- The Fair Board Complaint Committee shall review the complaint and corresponding information no later than ten (10) days after receiving the complaint. The Complaint Committee will issue a written decision no later than 30 days after receiving the complaint. The Fair Board shall provide a copy of the decision to the complaining and responding parties.
- If the complaining or responding party wishes to appeal the Complaint Committee's decision the party must file an appeal with the Fair Board Appeal Committee no later than ten days after receiving notification of the decisions. The appeal shall contain the reason(s) the appealing party disagrees with the decision.
- The Fair Board shall promptly provide a copy of the appeal to the opposing party and allow the opposing party ten days from receipt of the appeal to file a response. No later than ten days after receiving the opposing party's response or the deadline for the opposing party to file a response, the Fair Board Appeal Committee shall review the appeal and, if applicable, the response. No later than 30 days after the appeal deadline, the Appeals Committee shall issue a written decision to both parties. The decision of the Appeals Committee shall be final.

GLOSSARY

Department shall be defined as the project areas as they are set out in the Fair Book. For animals, this is determined by specie. For still projects, this is defined as project type.

Unsportsmanlike / Unruly conduct shall be defined as any conduct that is not in compliance with the official Fair Sportsmanship and Conduct Policy.

General Livestock Rules

PROJECT ANIMAL CERTIFICATION/CARE FORM:

Each youth exhibiting animals of any type at the Clinton County 4-H and Youth Fair must complete and submit a "Project Animals Certification/Care Form". The form certifies that the exhibitor has been caring for the animal exhibited, has used ethical and humane treatment practices, and that the animals have not been given any substance, which is not approved by the federal Food and Drug Administration for slaughter/breeding stock/exhibition animals. The form must be completed, agreed upon by the exhibitor and their parent and turned in by July 1st. This form will be completed as a google form.

All market animals must have been tagged according to policies set by the 4-H Livestock Committee.

CODE OF CONDUCT:

The Fair Board has adopted an exhibitor conduct policy. It is important that all exhibitors, parents and leaders be aware of this policy and the consequences. The policy is as follows:

"Exhibitors must agree to conduct themselves with honesty, integrity and good sportsmanship; treat all Fair and show management personnel, Fair officials, judges and exhibitors with courtesy, cooperation and respect and not direct any abusive or threatening conduct toward them. Exhibitors will not direct criticism or interfere with Fair and show management personnel, Fair officials, judges and exhibitors in conducting the activities associated with the event. Any conduct that is contrary to these items will be brought before the Fair Board for review and may result in the disqualification of individual people and animals from the activities associated with the Clinton County 4-H and Youth Fair.

FAIR RESPONSIBILITIES:

All sale participants are expected to do the following:

- Submit "4-H/FFA Project Animal Certification/Care Form"
- Assist with set-up prior to the Fair
- Stalling is at sole discretion of the specie chair
- Keep their animals fed and watered throughout the Fair
- Keep their pen/stall clean throughout the Fair
- Participate in showmanship class
- Sign up for sale set-up or sale clean-up job

- Contact potential buyers to promote the sale
- Proof sale bill in the Fair Office on Wednesday between 8:00 - 9:00 a.m.
- Care for their animal(s) following the sale until it is shipped
- Help with clean up on Friday morning after the Fair

SHOW REQUIREMENTS:

Exhibitors shall be responsible for knowing and abiding by all rules as printed in the appropriate section of the Fair Book and the Livestock Policy Book. These include (but are not limited to):

- If an exhibitor is selected as Grand Champion, that exhibitor must remove any other animal in that species from the running of Reserve Grand Champion.
- ***The Animal Health Committee must be notified, prior to treatment, of the intent to treat any animal on the fairgrounds at any time with any drug.*** If the animal is determined to be a market animal and the drug has a withdrawal period for that species, the animal must return home at the conclusion of the fair for the remaining withdrawal period. This animal can not participate in the livestock sale. Market class and drug withdrawal time will be at the discretion of a Fair Veterinarian.

MARKET ANIMAL OWNERSHIP:

All market animals must be owned by the exhibitor prior to tagging. Ownership means in possession of, cared for by, and the responsibility of.

SHOWMANSHIP:

All market animal exhibitors are required to show in showmanship in order to sell. All other livestock exhibitors are encouraged to participate in their appropriate showmanship class. Animals to be used in showmanship must also be shown in their respective classes.

GROOMING POLICY:

Refer to specie specific rules.

EXHIBITOR ABSENT FOR SHOW:

Each market animal must be shown at the Fair by the youth owning that animal. In the event that an exhibitor is unable to show their own animal due to illness, injury or emergency situation, it may be shown by another exhibitor providing advance approval is granted by the Department Chairperson.

CASTRATION:

No bulls, bucks, boars, and aged rams (over 2 years of age) may be shown at the Clinton County 4-H and Youth Fair. Males of all species must be castrated prior to tagging.

BARN DECORATIONS:

Set-up - Decorations may be put up in any of the livestock, dairy or horse barns on Friday, July 29th at 6:00 pm.

Clean-up - Absolutely no decorations and/or club signs may be removed until 9:00 pm on Thursday evening unless specifically approved by the Dept. Chairperson.

SALE LOTS:

A sale lot shall consist of one animal or cage.

SALE REGISTRATION:

Although it is possible that youth may be showing several different market animals at the Fair, individuals are limited to selling a maximum of three (3) lots in the sale, however no more than two of which may be in either the large stock sale or the small stock sale.

It is the exhibitor's responsibility to let the Fair Office know which animals will be sold in order to be printed on the sale bill. Exhibitors must submit a "pink sale card" by 9:00 a.m. Monday morning indicating which species they intend to sell. Designation of specific animals must be made not later than one hour after the end of each species show.

LEAVING THE GROUNDS:

Once entered, exhibited animals are not permitted to leave the grounds. Doing so, means they cannot return for the show or sale.

HOME GROWN CLASSES:

All animals to be exhibited in the home grown classes must be identified when weighed in at Fair.

SALE OF CHAMPIONS:

Grand Champion market individuals and Reserve Champion market individuals selected by the judge in the show of beef, goats, rabbits, poultry, sheep, and swine shall be required to sell. Sale of all prospect beef is up to the exhibitor's discretion.

PROOF SALE BILL:

All exhibitors are expected to proof their listings on the sale bill at the Fair Office on Wednesday morning between 8:00-9:00 a.m. The Fair will not be responsible for errors if exhibitors do not proof the sale bill.

SALE PRICE:

The final price for all livestock sold through the ring shall be that price announced by the auctioneer at the drop of the gavel and that buyer shall be the buyer of record.

SALE SHIPPING:

All final shipping arrangements must be recorded in the Fair Office no later than 9:00 a.m. on Thursday.

STALL DEPOSITS and FAIR CLEAN UP:

Members who do not help with clean up shall forfeit their stall deposit. After the deposit card is signed, you may take it to the Fair Office to get your deposit back.

After the Fair, cards may be taken to the Extension Office. All deposits must be claimed by August 15th. Stall deposits that are not claimed by the 15th, shall be forfeited to the Building Fund.

MEMBER RESPONSIBILITY FOR CLEAN UP:

All animal exhibitors are required to help with fairgrounds clean up on Friday morning. Exhibitors are to report to their assigned area at the designated time and to remain until released by the Chairperson.

STALL RESERVATIONS/FEES

Stall reservation forms must be turned in (may be a google form) by July 1st. In the event that this form has not been received or communicated by the date stalls are set-up (July 23rd) a non refundable \$50.00 late fee will be required in addition to the \$20.00 stall deposit.

~All livestock exhibitors are responsible for reading and abiding by any additional policies printed in the Clinton County 4-H and Youth Fair Livestock Policy Books as well as elsewhere in this Fair Book.~

Summary of Michigan Department of Agriculture

2022 Health Requirements for Livestock Exhibited in Michigan

**Livestock means those species of animals used for human food and fiber or those species of animals used for service to humans. Livestock includes but is not limited to cattle, sheep, new world camelids (llamas, alpacas, vicunas and guanacos), goats, bison, privately owned cervids, ratites (cassowaries, kiwis, ostriches and emus), swine, equine, poultry, aquaculture and rabbits. Livestock does not include dogs and cats.*

GENERAL: Exhibitors at state, county, and district fairs (along with other livestock exhibitions, expositions, and shows) are required to comply with all the statutory and regulatory provisions of the State of Michigan relating to animal health outlined in the Animal Industry Act, 1988 PA 466, MCL 287.701-287.747. All references to “animals” below include, but are not limited to, animals exhibited by 4-H and other youth, open classes, petting zoos, rodeos, circus animals, racing pigs, pony rides, and exotic animals.

1. A person who suspects or confirms an animal is either affected by a reportable disease or contaminated with a toxic substance shall immediately report the case to the Michigan Department of Agriculture and Rural Development, Animal Industry Division (MDARD AID) by calling 800-292-3939 (daytime telephone) or 517-373-0440 (after hours emergencies).
 2. Livestock with clinical signs of infectious, contagious, or toxicological disease, either at check-in or during the event, shall be removed from the fair, exhibition, exposition, or show. Alternatively, by permission of MDARD AID, such livestock may be isolated on the premises. An accredited veterinarian's knowledge and advice should be sought out by an exhibitor or exhibition staff to assess an animal for clinical signs of an infectious, contagious, or toxicological disease.
 3. A fair, exhibition, exposition, or show authority shall have an accredited veterinarian on call whenever there are animals on the premises.
 4. All cattle, bison, farmed deer, goats, and sheep shall bear official United States Department of Agriculture (USDA) identification before they leave their home premises. Swine require official USDA identification prior to being exhibited.
 5. It is the responsibility of exhibitors to ensure that all test charts, official identification, and interstate certificates of veterinary inspection or other movement documents Return to the Table of Contents 5 required by this act accompany their animal(s) and that proof of fulfilling these requirements is provided to the director of the department (or his/her authorized representative) and/or fair, exhibition, exposition, or show authority upon request.
 6. A fair, exhibition, exposition or show authority shall do all of the following:
 - A.) Notify exhibitors of health tests and certificates required for importation and exhibition.
 - B.) Examine and approve required official animal identification, health certificates, reports, test charts, certificates or other required documentation before commingling with other animals
 - C.) Provide shipping arrangements for all exhibited livestock that are to be removed from the fair, exhibition, exposition, or show facility for direct movement to slaughter or to a market for livestock auction;
 - D.) Exhibitors shall be notified as to whether or not poultry vaccinated against ILT are allowed in the fair, exhibition, exposition or show
 7. A fair or exhibition may require additional testing or vaccination of animals before entry and during the fair, exhibition, exposition, or show.
 8. Whenever an official test is conducted or an official vaccination is administered by an accredited veterinarian, livestock shall, unless exempted, be permanently identified in a manner approved by MDARD AID.
 9. Unless otherwise approved or waived by the director, all the following apply to exhibition facilities:
 - A.) A facility for exhibition of animals shall be constructed in a manner to allow sufficient separation of each exhibitor's animals and to allow for sufficient separation of species. The facility shall be constructed of a material that can be adequately cleaned and disinfected.
 - B.) Animal housing shall be constructed and placed to provide adequate light and ventilation that are appropriate for the animals being housed.
 - C.) An exhibition facility and its associated buildings shall be cleaned and disinfected with a state veterinarian-approved disinfectant and used in accordance with label instructions before animals are admitted.
 - ◇ Virkon-S
 - ◇ Accelerated Hydrogen Peroxides (Accel, Intervention, or Rescue)
 - ◇ Bleach (such as Clorox) at a ratio of 1:32, which is ½ cup (4 oz.) to one gallon of water. Do not add ammonia to bleach/water mixture.
 - ◇ Phenolic disinfectants (like Pinesol) for poultry equipment and coops
 - D.) Access to hand-cleansing facilities or hand-sanitizing methods shall be available in close proximity to each building that houses animals.
 - E.) Bedding used by livestock, feed waste, shipping containers, and other animal associated waste shall be removed from the animal area and disposed of in a timely and responsible manner.
 - F.) An animal shall not be used as a prize at a carnival or a midway activity unless approved by the director.

Clinton County Fair Animal Health Safety Plan

The following Animal Health and Safety Plan was adopted by the Fair Board in 2009 in order to be prepared to handle any animal health emergencies.

PREVENTION: is the first priority and involves all exhibitors, their parents, leaders and key Fair staff. The following steps are to be taken at entry.

1. Entry Check-in:

- Check-in staff must look animal(s) over as best as possible for any abnormality in health; like watery eyes, foaming of mouth, etc. Stop any outbreak before it even enters the fair grounds. The department superintendents and department chairs will be our defense to stop any disease from remaining on the fair grounds. If an animal's health is in question, the exhibitor will have the option of taking it home or having a vet called for another opinion. **Vet expenses will be the responsibility of the exhibitors.**

2. Unloading:

- The Department Chairs, along with their superintendents, are our eyes and ears in the barns to stop any outbreak at the fair. The Department Chair is responsible for signing off that an animal is healthy at time of unloading.
- After unloading, animals will still need to be monitored throughout the week to prevent any outbreak. This is done by good animal husbandry, previously addressed in fairbook.
- For our Fair visitor's health, the Fair is going to put up hand washing stations and signs regarding good hygiene practices.

SIGNS OF SICK ANIMAL: all animals exhibited will be monitored for any signs of illness while at the Fair.

1. If the Department Chair sees signs of a sick animal they will get the Fair Board representative and the owner of the animal together to discuss the situation. If further action needs to be taken, a veterinarian will be called. **Vet expenses will be the responsibility of the exhibitors.**
2. Separate the animal(s) in question to isolate from others. The Fair will have a trailer available to isolate animals if necessary.
3. Monitor other animals that were in the same vicinity of the animal(s) in question. All actions are to be recorded. Record keeping is crucial if the state gets involved and quarantine is issued.
4. If outbreak looks evident, hold meetings with Fair officials, owner of animal(s) involved, Fair Vet, Sheriff's Posse and all Dept. Chairs to discuss the next actions to be taken.

OUTBREAK: in the event of an outbreak of a contagious infection, the following steps shall be taken to minimize negative impact on other animals, exhibitors and visitors.

1. If the Vet determines that there is a contagious viral infection, they have the authority to call in the State Department of Agriculture. At this time the Fair will notify St. Johns and Clinton County Health Departments and local law enforcement.
2. Isolate the barns by gating and putting a guard at each end of the barn, to limit access.
3. A member of the Extension Office will act as the Fair spokesperson. All media contact will go through this person to help control any public damage that might occur. Limit the amount of information given out and keep a record of the media outlets you speak with.
4. Set up work schedule for barn regarding administering medicine, feeding, cleaning and record keeping. Use feed in quarantine area up first. If quarantine lasts longer than the feed, animals in the quarantine area will be fed a basic ration, supplied by the Fair, out of the Animal Health Fund*.
5. While quarantine is in place, a boot wash and hand wash station will be in place outside of barn to prevent spread of the virus.
6. In case of animal death, the State Dept. of Agriculture will decide if a necropsy needs to be performed. At this time the Fair Board will decide the best options on the disposal of the diseased animals. Granger landfill will take animals that are not contagious.

AFTERMATH:

- Disinfect areas involved. Follow up on records to make sure they are in good order. Send out a positive message to the public to prevent any further damage.
- Animal Health Fund (AHF) – AAHF will be created by charging \$1.00 per exhibit that will not be refunded. At the end of the Fair these funds will be put into a secured account to be used only in the event of quarantine.
- All exhibitors with any type of animal (including dogs and small animals) will be assessed \$1.00 Animal Health Fund fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

Beef must weigh 900 # or more, dairy steers must weigh over 1000 #, market lambs must weigh between 90-175 #, market hogs 225-300 # and prospect beef 275-600 #. Goats, rabbits, and poultry must meet weight requirements as listed in class descriptions.
11. The Livestock Committee reserves the right to reject animals meeting the weight requirements if they are not properly finished and in good market condition. Members will be notified no later than Monday evening if their animals may not be sold.
12. The price, announced by the auctioneer, when the gavel drops shall be the official price and that the bidder will be the buyer of record.
13. Exhibitors with animals shown at the Fair but not sold in the sale who wish to have their animals taken to market by the Livestock Committee, must make necessary arrangements in the Fair Office by 9:00 a.m. on Thursday for a fee of \$5.00 or there will be a \$15.00 late fee after 9:00 a.m.
14. Sale participants must also be aware of and abide by the policies and regulations outlined in the "Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sales", and the General Rules in the front of this book.

Beef

Show Time: Tuesday, Aug. 2nd
6:00 p.m.
Entry Time: Saturday, July 30th
1:00 p.m. - 4:00 p.m.

Department Chairperson: Kurt Marvel
269-223-0693

As of 3-1-07, all cattle moving to a show, sale, or exhibition are required to have an official radio frequency identification device (RFID) ear tag. Exhibitors may call the Michigan Department of Agriculture (866-870-5136) for additional information or to order tags.

All animals must be in the barn tied with a neck rope and halter. In the event that an animal does not have a neck rope, the Fair will place one at the exhibitor's expense and payment will be deducted from their sale check.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with beef animals will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

An exhibitor must keep his/her stalls and pens clean by 9:00 a.m. and well bedded at all times. Bedding will be straw or mulch that is provided by the exhibitors. In case of failure to do so the Department Chairperson may issue a warning. Refer to General Livestock Rules for further action.

An animal may only be shown and judged in one category. Hence, a heifer may be shown in breeding or market divisions but not both. However, prospect beef heifers may be shown in the breeding show.

Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the "Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sale" and the front of this Fair Book.

Exhibitors are encouraged to be Youth for the Quality Care of Animals certified.

Exhibitors must show their own animal.

All exhibit animals must remain housed in their assigned area throughout the week. Animals may not be housed in a trailer or in any other location without advance written authorization from the Department Chair and the Fair Board Complaints Committee.

Grooming Policy: Use of false tail heads or adding of hair or hemp is prohibited. No forced administration of fluids to create gut fill will be allowed. Violation will result in the disqualification of the entry and the exhibitor.

Generators are allowed, and encouraged to be used on show and sale day.

BREEDING STOCK

Exhibitors with breeding animals must check them in with the Dept. Chair at entry on Saturday. All beef animals born before January 1, 2021 must be without horns. Unless horns are Breed Standard (Ex. Scottish Highlander).

Exhibitors may enter the following five heifer classes more than once. To do so, each entry must be recorded on the entry forms.

Jr. Heifer Calf.....(Born Jan. 1, 2022 or after)
Sr. Heifer Calf.....(Born Sept. 1 - Dec. 31, 2021)

MARKET BEEF

Absolutely no market beef steers/heifers will be re-tagged at fair entry. If an animal loses its ear tag, the exhibitor must contact Kurt Marvel (269-223-0693) immediately to have the tag replaced as soon as possible.

All animals exhibited in market livestock classes must be owned by the individual showing them.

Exhibitors are required to show in beef showmanship in order to be eligible to sell market beef animals in the Fair Livestock Sale.

The Livestock Committee will divide the show classes into different weight classes after weigh-in on Saturday. Weight minimum for market beef is 900# and dairy steers is 1000#. Exhibitors must know their animals weight when entering the show ring.

The first place animal in market heifer and market steer classes will compete for Grand Champion Market Beef Animal. Only animals tagged and registered as market animals and eligible for the sale may compete in market classes.

Unruly or out of control cattle will not be allowed to show or be sold in the Livestock Sale. Final determination to be made be the Livestock Committee and the Fair Board. Unruly animals may be asked to leave the ring and be disqualified from the class.

All cattle must be dehorned. Any re-growth or scurs must be less than 2 inches. Animals with horns, which exceed the 2-inch limit, will not be allowed to show.

All medication withdrawal instructions must be observed. No other drugs (tranquilizers) may be used. Persons violating this rule will not be able to sell the animal in the Livestock Sale.

Exhibitors may show two individual market beef animals but to do so you must enter either dairy steer, market heifer or market steer for each animal. Exhibitors may show two (2) market beef animals, but may only sell one (1). Only animals shown may be sold.

1st—10th place ribbons will be awarded in each class.

Dogs

Show Time: Saturday, July 30th
10:00 a.m.
Show Area: Pavilion

Department Chairperson: Gwen Coon
989-640-2700

GENERAL RULES: All exhibitors with dogs will be assessed a \$1.00 Animal Health Fund Fee which will be collected at the check in table prior to the first dog show. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually. Exhibit dogs will be kept at the Fair only on the days of the dog shows. All dogs exhibited at the Fair must be kept on a leash or be crated. In order to participate in the dog show, exhibitors are required to provide proof of up-to-date immunization for rabies (all dogs 4 mo. and older), distemper virus, parvovirus and adenovirus (hepatitis) for all dogs entered. Rabies is required by Federal Law and must be administered by a licensed veterinarian. Prior to exposure to other dogs, exhibitors are recommended to have their dogs vaccinated for Leptospirosis and Bordetella. Proof of up-to-date immunizations can be met by one of the following:

Copy of veterinarian records clearly showing both rabies and core vaccination with a due date for next vaccinations following the date of the show. A titer test by a veterinarian showing acceptable level of immunity is also acceptable.

A combination of a rabies certificate from a veterinarian showing due date after the show AND owners vaccination records of core vaccinations. The only acceptable proof of owner-administered core vaccinations is empty vaccine vial along with the date administered and a receipt showing the date of purchase. All home vaccinations will only be valid for one year from the time the vaccines are given.

Exceptions to the above are only accepted in the case of a veterinarian certifying they do not recommend vaccines for a specific dog for health reasons. Such exceptions must be verified by the Department Chair and Fair Animal Health Committee.

All dogs must have proof of current dog license

Dress code will be the same as State Dog Show dress code in obedience, Jr. showmanship, rally and agility. All handlers are expected to clean-up after their dogs.

The dog must be trained by the exhibitor in a 4-H dog club. No bitch in season will be allowed to be shown. A dog fouling a judging area may be disqualified or scored according to the rules in each competition.

A Class: is for a new dog and new handler. The dog must be trained by the 4-H member.

B Class: is for an experienced handler and dog or experienced handler and new dog or experienced dog and new handler. Any dog trained by someone other than a 4-H member must show in the B Class.

No two 4-H exhibitors may show the same dog in any one competition. Obedience, jr. showmanship, rally and agility are considered separate competitions.

JUNIOR SHOWMANSHIP

Registration: 9:00 - 10:00 a.m.

Show Starts: 10:00 a.m.

Handler and dog may enter in only one class. The first and second place winner in each class will compete for Best Junior Handler.

Exhibitors with 1-2 years of experience shall enter in the Novice class.

Exhibitors with 3 or more years of experience will show in the Open Class. Handlers with 3 or more 1st place wins in any Jr. Showmanship competition must show in Open Class.

- Learning Objective: Train the dog to obey and heed established uniform simple commands working together with the exhibitor and displaying co-operation and sportsmanship.
- The obedience show will begin following a 15-minute break after the end of showmanship.
- The show will be judged according to 4-H Obedience Rules (AKC rules using 4-H score sheets).
- Handlers that have qualified 3 times in the beginners-novice class in any competition with the dog being shown, must enter in the novice class or higher. Handlers that have qualified 3 times in the novice class in any competition with the dog being shown, must enter in the grand novice class or higher.
- The performance scores of the qualifying dogs will be changed into percentages. The highest percentage of the beginners-novice class will be the Top Obedience Dog in Beginners-Novice. The second highest percentage will be the Reserve Champion Beginners-Novice.
- Exhibitors may enter two different dogs in obedience, but the second entry must be in a "B" class.
- 1st-4th place ribbons will be awarded in each class to exhibitors with qualifying scores.

RALLY

Show Time: 45 Minutes following Obedience Competition

Learning Objective: The dog has been trained by the 4-H'ers to obey and heed established simple commands. The 4-H exhibitor and dog team demonstrate independent working skills by walking through a series of signs, displaying cooperation and sportsmanship.

- 4-H members must be entered in Obedience or Showmanship to enter Rally. All rules outlined by State 4-H Companion Animal Programming Committee will be used for judging.
- A single exhibitor may enter 2 dogs in this section; the second dog must be entered in the Novice B class.
- Rally signs will be taken from the AKC Rally Signs Publication; including all revisions as of 6/2021. Rally signs, descriptions and symbols are available online on the AKC web site at <https://www.akc.org/sports/rally/>. All signs may be used from the novice Classes number 1 through 42. Exercises #5, 6, 7, 8, 9, 10, 17, 18 and 19 may be repeated multiple times in the course.
- The course will be limited to 10 to 15 stations (start and finish not included) with no more than five (5) stationary exercises per class. The course will be done on leash. Intermediate classes will include Novice signs, the dog will be handled by exhibitor off leash.
- The exhibitor must receive a qualifying score in the Rally class to receive an award. The least faults and fastest time in each class will determine the placements in the rally classes. Ties will be broken by an additional walk through the rally course at the level entered.

VERSATILE DOG HANDLER OF THE YEAR AWARD

The award will be presented to the 4-H'er that has shown the most versatility in dog handling and dog activities for the year with one dog. This includes all dog events at the Clinton County 4-H and Youth Fair. The 4-H'er must be entered and shown in at least 3 of the 4 performance event (Showmanship, Obedience, Rally, and Agility) during the Fair. The exhibitor must also have an educational exhibit entered at the Fair in the Dog Educational Exhibit class and/or Veterinary Science related to dogs. The handler(s) will turn in their completed Versatile Dog Handler Score Sheets after the completion of the Agility Show to the Department Chairperson for Dogs. The winner of the Versatile Dog Handler of the year will be announced following the Agility Show results.

Interested exhibitors may pick up a copy of the versatile Dog Handler of the Year score sheet at the Extension Office prior to Fair or in the Fair Office during fair week.

★ **Versatile Dog Handler of the Year Plaque**

AGILITY

Show Time: Wednesday, August 3rd at 4:00 p.m.

Show Area: Lawn between Peck Hall and Smith Hall

If same dog was shown on Saturday, only a visual check (no proof of vaccinations) will be required Wednesday.

All rules outlined by State 4-H Companion Animals Programming Committee will be used for judging. All dogs must wear a buckle collar (no tags). Exhibitors with their dogs must also be entered in Obedience and/ or Jr. Showmanship and must have experience with agility equipment. A and B class explained are same as outlined in general rules for dogs.

A single exhibitor may enter 2 dogs in this section; the second dog must be entered in a Beginners Agility B class or Beginners Agility Non-Competition Class or any Intermediate or Advanced class.

Any exhibitor/dog team that have received 3 qualifying scores in Beginners Agility B must move up to the Intermediate Level (this includes all 4-H competitions) or these exhibitor/dog teams may show in the Beginners- Non-Competition Class. These teams may not compete for the Champion Beginner Rosette or the Top Agility Dog Award.

The exhibitor must receive a qualifying score in the regular classes (all classes except Beginners-Non-Competition) to receive an award.

1st-4th place ribbons will be awarded in each class.

Ties will be broken by an additional run through Agility course at the level entered. The fastest time and least faults in each regular class will be the champion for that class.

The dog with the least faults and fastest time will be the Top Agility Dog. In case of a tie, course time percentages will be determined (running time divided by course time). The lowest percentage will be the winner.

Goats

Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the front of this Fair Book and the "Expectations" booklet.

Goats must meet all USDA identification requirements.

Exhibitors may call the Michigan Department of Agriculture (866-870-5136) for additional information or to order tags.

All goats may have horns except breeding dairy animals. No spurs longer than 1-inch will be allowed. Animals must be healthy and sound. A health check will be done for runny noses, lice, abscesses and diarrhea before stalling.

Exhibitors may show no more than six (6) breeding and two (2) market goats. All male goats must be neutered.

Exhibitors are to have their animals cared for and pens cleaned by 9:00 a.m. AND 7:00 p.m. daily. An exhibitor shall keep his/her stalls and pens clean and well bedded at all times. In case of failure to do so the Department Chairperson may issue a warning. Refer to General Livestock Rules for further action.

Animals used in the showmanship classes must be animals that will be shown in their respective breed classes. Non-compliance will result in loss of placing and awards.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with goats will be assessed a \$1.00 per goat Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

Showing attire: dairy and fiber exhibitors may wear dairy whites or white shirt and black pants; Meat exhibitors may wear Western attire. No tank tops and low-neck lines. Please make sure that when you bend/kneel, your pants and top still meet.

Show Time: Sunday, July 31st
4:00 p.m.
Entry Time: Saturday, July 30th
1:00 - 4:00 pm

EXPLORING GOATS

The project entry for 6-7 year old 4-H Explorers has two components and both are required. The exhibitor must be enrolled in "Exploring 4-H" and "goats" for the current year. In addition, they:

- Must prepare a poster related to something they learned this year-it might focus on breeds, body parts, feeds, equipment, etc. and give it to the Department Chairperson at the beginning of the show
- Enter in the following showmanship class where they will demonstrate their skills using an animal that has been fitted and cared for at the Fair by another exhibitor. 6-7 yr. old exhibitors must be accompanied into the show ring by a parent, leader or older exhibitor.

MARKET GOATS

Members are allowed to show and sell up to two (2) entries in the market class. There will be two market goat classes: one for purebred dairy or dairy/dairy crossbred goats and one for purebred meat goats or meat/dairy crosses. There will be a Grand Champion and Reserve Grand Champion Dairy for each dairy and meat/cross-bred. Classes will be broken down into appropriate classes by weight.

Goats must have milk teeth and weigh a minimum of 50 pounds.

Only goats deemed healthy and in salable condition will be allowed to sell. Exhibitors who wish to sell their market goat must complete a Sale Registration card and submit it to the Fair Office immediately following the show.

All animals exhibited in market livestock classes must be owned by the individual showing them and must be in their possession and cared for by the 4-H individual no later than the scheduled tagging date.

Market goats must have been tagged and identified by the Goat Committee on the April tagging date and must have USDA tag in place. Exhibitors must participate in the appropriate showmanship class in order to be eligible to sell in the Livestock Sale.

Market goats must be shown with all four feet on the ground at all times. Bracing allowed at judge's discretion.

The Champion and Reserve Champion Market Goats must be sold at the Livestock Auction.

The Champion of each division will compete for Overall Market Goat.

Horse and Pony

Department Chairs: Mary Pino
517-614-2093
Jan Mehney
517-749-6541

All equine exhibitors are required to show in a showmanship class. Exhibitors are limited to one showmanship class and may not switch between disciplines after registration.

Exhibitors must be enrolled in the horse project in their local 4-H club or FFA chapter by April 1st. Exhibitors are not required to own the animal(s) they show, however, the horse/pony is to be in the continual care and training of the exhibitor and must be registered by the exhibitor on or prior to May 1st.

All horses shown must present a copy of proof of a negative Coggins test within the previous 12 months to keep on file.

Discipline: If a member is caught not following the rules, a written warning will be issued by the 4-H leader that witnessed the infraction, signed by the 4-H member's parent or legal guardian and put on file with the Extension/Fair Office.

All horse/pony exhibitors are required to pay a \$20.00 Fair Exhibition Deposit on EACH animal shown. Deposits are to be paid at the Fair Office prior to stalling and/or showing. Exhibitors must show their deposit card in order to pick up their exhibitor number at the Fair. Fair exhibitor numbers are to be picked up prior to showing in your first class of your first show day at the Fair. Stall changes must be approved by the Department Chairperson. Late stall forms will be charged a non-refundable \$50.00 Fee.

All exhibitors with horses/ponies will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

An exhibitor shall keep his/her stalls clean and well bedded at all times. In case of failure to do so, the Department Chairperson may issue a warning. Refer to the General Livestock Rules for further guidance.

Hanging hay nets in stalls at night including hay bags must be at a height to minimize possible entanglement of the equine.

Decorations may not be put up in the barns until the Friday before Fair at 5:00 pm.

Horse/pony classes may be added in the Judging Stand prior to the specific start time. Classes will be held in the order listed in the Fair Book, subject to judge's request or Chairperson's decision. The department Chairperson reserves the right to split any class.

All horses and ponies exhibited must be healthy and sound. Unhealthy animals will be sent home. Contentions and appeals regarding the determination of animal soundness are to be made, at owner's expense through a licensed vet.

There will be no trailers or vehicles for feed/tack allowed to enter the fairgrounds between the hours of 9:00 am and 10:00 p.m., Monday through Thursday of Fair week.

Horses can enter Sunday, July 31st from 9:00 a.m. - 12:00 p.m.

English or Western boots must be worn with proper attire. Spurs are accepted if used properly. **The Protective Headgear Rule applies to all Clinton County 4-H and Fair events.** All participants in all hunter (both over fences and on the flat) and gymkhana, walk/trot, saddle seat and bareback classes are required to wear properly secured protective riding helmets whenever they are mounted. The helmets must meet the specifications of the American Society for Testing and Materials (ASTM), must be manufactured and distributed by a participant in the certification program of the Safety Equipment Institute (SEI) and must bear the SEI certification label (SEI F1163 or above). The exhibitor (or his or her parent or legal guardian if the exhibitor is a minor) — not the local show officials or judge — is solely responsible for complying with the headgear rule. Show officials reserve the right to spot-check helmets at any time to verify compliance with this rule.

It is highly recommended that all 4-H members participating in horse shows, practice events and any other riding activity wear protective headgear. There will be no discrimination against protective headgear, even if the style does not match the style of riding. Harnesses must be secured and must properly fit the head. A well-fitted helmet should stay on the rider's head when the rider bends over at the waist and shakes his or her head from side to side. This rule applies when in the arena competing or warming up in a competitive fashion for Walk/Trot, Gymkhana, Hunter, bareback and saddle seat classes.

Exhibitors must show either as an amateur, novice, special rider or walk trot in all classes throughout the Fair. Leaders will determine whether exhibitors should be entered in novice, amateur, walk/trot or special classes.

Amateur- These riders are experienced riders who have mastered basic rail work and equitation patterns or can canter Gymkhana patterns at an increased speed. More advanced skills are being worked on such as flying lead changes, lateral work for more advanced patterns. These riders also are skilled and able to do a jumping pattern and a western riding pattern with flying lead changes. They have show experience at open all breed circuit shows (ex. CMHA, LMHA and MOMHA) or breed/color shows.

Novice - Riders in this division can safely perform all gaits and back in a rail class or can safely lope a Gymkhana pattern. These riders are developing their skills to recognize diagonals, leads, and pattern work/patterns. Outside show experience is limited to 4-H sponsored shows (ex. Gratiot or Ingham Counties open 4-H shows) or MIHA.

Special - classes limited to those riders with a disability which precludes competition in walk/trot, novice and amateur classes and who are enrolled as Special Showmen.

Baby Green - beginning over fence class. Not permitted to show in any other jumping class.

Beginner Walk/Trot - This is for riders who have not shown at any shows or any horse at a canter or lope. Riders in this division will be required to wear an approved helmet in all classes. They may enter only designated W/T classes. Cantering more than three strides in the W/T Gymkhana classes is grounds for disqualification from the class. Ideally a rider should advance out of the W/T division after their 3rd year of competition at the Fair. However, at the leaders discretion additional years may be permitted

Horse, Pony, or Mini - any equine animal measuring the height listed in the State 4-H Rule Book.

Exhibitors showing in walk/trot classes may be up to 19 years of age. Walk/trot exhibitors are not eligible for any championship classes except showmanship.

An adequate number of spotters will be in the ring during Walk/Trot classes.

Exhibitors showing ponies must show in age appropriate horse class.

No one other than the exhibitor will be allowed to ride an exhibitor's horse at the Fair with the exception of the exhibitor's immediate family and only after the exhibitor is done showing for the day. This includes exhibitor Fun Night participants. Anyone riding a horse must be wearing boots, long pants and a helmet when required.

Horses/ponies are to be worked in the designated arenas only! Horses are to be walked at all other times.

Exhibitors can show up to a total of 3 equine projects. However, exhibitors may only show 1 project per discipline. Exhibitors may not show two different horses/ponies in the same discipline. They may choose from English, Western, Gymkhana or Mini.

Exhibitors will be required to show in one (1) showmanship class at the Fair and must choose between English, Western Gymkhana, Mini, Draft or others

Championship classes do not count toward high point categories.

All Over Fence classes are limited to those riders with previous over fences experience and training over fences up to 2'6". A waiver must be signed by the exhibitor and parent prior to entering the class verifying this previous experience.

Exhibitors entering Dressage Introductory Test A (WALK/TROT ONLY) may not enter any other Dressage Tests. Exhibitors are still eligible for Dressage Equitation and Suitability.

Dressage Test I is only open for Novice riders. Novice riders will only receive Points from Test 1 or Test 2, the highest score of the two will be used. Additionally, Novice exhibitors wishing to ride in Test 2 must qualify with a high enough score in Test 1. **Western Dressage classes are not eligible for points. Judge will call back riders to ride Test 3.**

Exhibitors may only ride one trail class and must choose either English, Western or Gymkhana discipline. Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the "Clinton County 4-H Horse Project Rules, Regulations and Information" and in the front of the Fair Book. **All horse exhibitors are required to help with fairgrounds clean up on Friday morning. Exhibitors are to report to their assigned area and remain until released by the Chairperson. Exhibitors must check with Department Chair for details and times.**

Exhibitors may only choose one English/Western Riding Pattern Class. See rules under class list.

Exhibitors showing in Gymkhana Showmanship and (or) Horsemanship must ride in 3 additional speed classes.

Sweepstakes Showmanship

Entry Time: Thursday, Aug. 4th
Contest Area: Judging Pavilion
Contest Time: 1:15 pm

Contest Coordinator: Chris Strong

The Junior and Senior Champion showmanship winner in dairy, beef, prospect beef, sheep, swine, equine and goats will compete showing each species. Participants will be disqualified if they do not show in all species. If youth does not intend to participant, they must notify the Fair Office by 9:00 pm on Wednesday so the replacement can be contacted.

All sweepstakes showmanship contestants will be required to wear a sweepstakes showmanship t-shirt and jeans for the sweepstakes competition rather than the outfit they wear in their own specie competition.

First place winner in both Junior and Senior divisions will be awarded a belt buckle. Rosettes will be awarded to 2nd -7th place contestants in both junior and senior divisions.

Judging will be done based on eye contact with the judge, knowledge of animal, showmanship skills for each species and sportsmanship.

Participants are to be ready and in the Judging Pavilion by 1:15 p.m. on Thursday.

Participants are encouraged to contact the Department Chairman or exhibitors who show the various species for suggestions on how to show each animal.

★ Junior Division (12-14 yrs. old)

★ Senior Division (15-19 yrs. old)

Llamas/Alpacas

Show Time: Sunday, July 31st
Following Goat Show

Entry Time: Saturday, July 30th
1:00 p.m. - 4:00 p.m.

General Rules: Llamas and alpacas will be stalled at the Fair all week. All llamas/alpacas exhibited at the Fair must be kept on a halter and lead rope.

All llamas/alpacas must have up-to-date Clostridium C and D and Tetanus shots. No intact male llamas over 18 months may be shown.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with llamas will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

SHOWMANSHIP

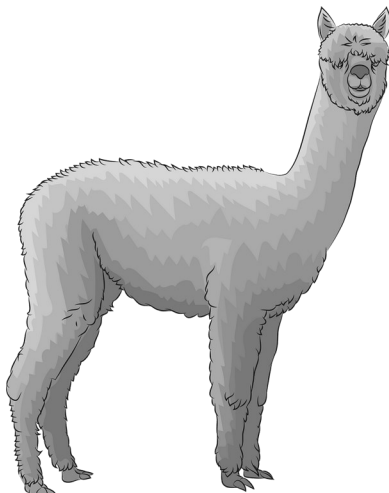

Showmanship is a demonstration of the exhibitor's ability to show the animal to its best advantage at halter. Judging is based on the exhibitor's basic skills in fitting, showing, grooming, following directions and style of presenting the animal to the judge. Conformation is not a consideration.

1st-6th place rosettes will be awarded in showmanship.

Exhibitor's attire should be neat, clean and appropriate for the class.

EXPLORING LLAMAS / ALPACAS

The project entry for 6-7 year-old 4-H Explorers has two components and both are required. The exhibitor must be enrolled in "Exploring 4-H" and "llamas" for the current year. In addition, they:

- Must prepare a poster related to something they learned this year - it might focus on breeds, body parts, equipment, etc. and give it to the Department Chair at the beginning of the show;
- Enter in the following showmanship class where they will demonstrate their skills using an animal that has been fitted and cared for at the Fair by another exhibitor. 6-7 yrs. old exhibitors must be accompanied into the show ring by a parent, leader or older exhibitor.

Participation Ribbons

- ◆ **Showmanship 6-7 yr. old**

CONFORMATION

This class is not judged on the exhibitor's ability to fit and show the animal but rather on the actual conformation of the animal itself. Are the legs straight, is the head held high, are the ears correct, is the neck in proportion to the body and legs, etc.

- ◆ **llamas, any age llama, any age youth**
- ◆ **Alpacas, any age alpaca, any age youth**

OBSTACLE COURSE

Obstacles are geared to simulate those obstacles the animal would encounter hiking in the woods. The course will require llamas to jump, back up, go under obstacles and through water. Judging will be based on how well the obstacles are negotiated by the animal and exhibitor and how well they work together to complete the course. Each exhibitor and their llama compete for their own personal best not against each other.

Poultry

Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the "Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sale." Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the front of this Fair Book.

All poultry exhibited must have a negative test for pullorum or a certification showing they originated from a pullorum free hatchery. Testing may be done by the exhibitor prior to the Fair but must be done within 90 days prior to Fair. Animals who have been tested more than 90 days before Fair must be retested. Exhibitor will need to provide proof at entry. Testing will be available at the fairgrounds on Sunday afternoon (There will be a fee of 50¢ per bird to cover cost of testing.) Those with pullorum certificates must turn them into the Chairperson upon check-in and will be returned at check-out.

Any exhibit having lice will be sent home at check-in.

Poultry that have been vaccinated against infectious Laryngotracheitis, a herpes virus causing respiratory infections in poultry, will not be allowed to exhibit at the Fair.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with poultry will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually. The fee is \$1.00 per cage/pen.

Exhibitors must be present for all aspects of poultry judging, including egg judging.

POULTRY SHOWMANSHIP

All market poultry exhibitors will be required to participate in showmanship. 1st-6th place showmanship ribbons will be awarded in each of the showmanship classes.

Department Chairperson: Dan Lowe
989-682-4645

As of 3-1-07, all cattle moving to a show, sale, or exhibition are required to have an official radio frequency identification device (RFID) ear tag.

All animals must be in the barn tied with a neck rope and halter. In the event that an animal does not have a necktie one will be provided by the Fair at the exhibitor's expense and payment will be deducted from their premium check.

All prospect beef must be vaccinated for shipping fever in order to show and sell.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with prospect beef will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

Straw only for bedding. Exhibitors must provide own straw.

An exhibitor shall keep his/her stalls and pens clean and well bedded at all times. In case of failure to do so, the Department Chairperson may issue a warning. Please see General Livestock Rules for further action.

Exhibitors are to have their animals cared for and stalls cleaned by 9:00 am daily.

Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the "Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sale" and the front of this Fair Book.

An exhibitor may enter two calves, one in each class, but may sell only one prospect in the livestock sale.

Calves must have been ear tagged at the April 30th tagging.

There will be a Grand Champion and Reserve Grand Champion dairy and a Grand Champion and Reserve Grand Champion beef/cross-bred.

All cattle must be dehorned by tagging. Any re-growth or scurs must be less than 2 inches. Prospect Beef males must be castrated prior to the May tagging date in order to be exhibited at the Fair. Calves will be checked at tagging. All medications must be discontinued prior to the withdrawal date specified on the container for animals to be slaughtered.

Prospect Beef showmanship classes may be broken by size. Beef showmanship techniques will be used regardless of class entered.

All prospect beef exhibitors are required to participate in the appropriate showmanship class.

MARKET PROSPECT BEEF

Exhibitors must be ready to enter the arena when their class is called. All animals exhibited in market livestock classes must be owned by the individual showing them.

Exhibitors are required to show in prospect beef showmanship in order to be eligible to sell a prospect beef animal in the sale.

Calves must weigh between 275-600 pounds. Animals not meeting weight requirements will show in a lightweight or heavy-weight class but will not be eligible to compete for champion or reserve champion and will not be eligible for the sale.

Prospect beef animals will be allowed only one weigh in at Fair. There will be no re-weighs later in the day.

There will be two prospect beef classes. One for calves that are purebred dairy or dairy/dairy crossbred calves. The second class is for purebred beef breeds, cross between two beef breeds, or beef/dairy cross calves.

Recognized dairy breeds are limited to black and white Holstein, red and white Holstein, Jersey, Brown Swiss, Guernsey, Ayrshire and milking shorthorn or any mix of these breeds. All other breeds must show as beef and crossbred calves.

To be eligible for the livestock sale, exhibitors must have been enrolled in the prospect beef project by April 1st and tagged on the tagging date.

Exhibitors may enter each class only once.

The Champion of each division will compete for Overall Grand Champion Market Prospect Beef

1st-10th place ribbons will be presented in each class.

Entry Time: Saturday, July 30th
1:00 p.m. - 4:00 p.m.

Department Chairpersons:

Theresa Sisung 989-640-1703
Rich Kniff 517-749-3578

All pigs shown in Michigan need to have official ID in the form of a USDA 840 tag, a PIN tag with a unique animal number, or a NUES tag. Effective December 2020, MDARD no longer provides bulk orders of official NUES ID tags for fairs or exhibitions so the exhibitor is responsible for acquiring official ID, prior to tagging. Official ID tags will **NOT** be provided by the fair.

To reserve barn space, all exhibitors must submit a Stall Reservation Form with their Fair Entry prior to the Fair and pay a \$20.00/stall fee at the Fair. Failure to reserve stall space by the deadline will result in a non-refundable \$50.00 fee.

All exhibitors with pigs will be assessed a \$1.00 Animal Health Fund Fee. These funds will be used to establish an Animal Health Emergency Fund. This is a non-refundable fee which will be collected annually.

Barn decorations which obstruct traffic in the Swine Barn are prohibited.

All swine exhibitors must participate in the appropriate showmanship class in order to be eligible to sell in the sale.

An exhibitor shall keep his/her stalls and pens clean and well bedded at all times. **Exhibitor shall provide a wood based bedding.** In case of failure to do so, please refer to general livestock rules for further action.

Exhibitors are to have their animals fed and their pens/stalls cleaned by 9:00 a.m. daily.

While exhibiting at the fair, all swine must be fed in a feed pan.

Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the "Expectations for 4-H and FFA Participation in the Clinton County 4-H and Youth Fair Livestock Show and Sale" booklet. Exhibitors are expected to read and abide by all additional rules and regulations as outlined in the front of this Fair Book.

All hogs must have a minimum hair length of 1/2 inch. Hogs with less than 1/2" of hair will not be allowed to sell. No clipping will be allowed at the fair.

SWINE SHOWMANSHIP

1st-6th place showmanship ribbons will be awarded in each of the showmanship classes.

EXPLORING SWINE

The project entry for 6-7 year-old 4-H Explorers has two components and both are required. The exhibitor must be enrolled in "Exploring 4-H" and "swine" for the current year. In addition, they:

- Must prepare a poster related to something they learned this year - it might focus on breeds, body parts, feeds, equipment, etc. and give it to the Department Chair at the beginning of the show.
- Enter in the following showmanship class where they will demonstrate their skills using an animal that has been fitted and cared for at the Fair by another exhibitor. 6-7 yr. old exhibitors must be accompanied into the show ring by a parent, leader or older exhibitor.

Participation Ribbon

- ♦ Swine Showmanship (6-7 yr. old)

MARKET HOGS

Hogs that are either too heavy or too light to be sold in the Livestock Sale may be shown in the under-weight or over-weight class and then shipped out at the end of the Fair. To assist exhibitors with extra project pigs and hogs that did not make weight, shipping will also be available on Saturday evening to Bellingars for processing only. There will be a \$10 fee paid to cover trucking. Fees will be collected in the Fair Office and must be paid by 4:00 p.m. Saturday.

All animals exhibited in market livestock classes must be owned by the individual showing them.

Exhibitors are encouraged to be Youth for the Quality Care of Animals certified.

Any swine not sold in the sale, but prefer to be sent to Bellingars, must fill out a shipping form in the Fair Office by 9:00 a.m. on Thursday and pay a \$4.00 shipping fee. Late fee is \$10.00 per animal.

Market hogs must weigh between 225-300 pounds to be eligible for the sale. Members with animals not meeting this weight requirement for the sale are still encouraged to show their animal in the appropriate Fair class. Hogs not meeting the required weight will be shown in an under-weight or over-weight class as appropriate.

Market hog classes will be broken down into appropriate classes by weight. Only animals registered in the MSU Extension Office, tagged and eligible for the sale, may compete for champion and reserve market hog. Champion and reserve champion light weight, middle weight and heavy weight will be selected. A special ribbon will be presented to champion and reserve champion light weight, middle weight and heavy weight hogs.

A member may show no more than two market hogs in the live animal show. Exhibitors may show two individuals but to do so you must enter individual market hog class twice.

HOMEGROWN/COUNTY BORN MARKET HOG

The animal must meet at least one of these criteria: been born on the exhibitors farm or born on a farm within the boundaries of Clinton County. Verification may be required. The animal must be properly tagged at the county tagging date, entered in the Individual Market Hog class and show in its respective market class. The top 2 Homegrown/County born participants in each market class will come back to compete for the Champion and Reserve Homegrown/County Born Market Hog. Exhibitors may show two individuals as Homegrown/County Born but they must enter the class twice. Homegrown/County Born champions are not required to sell.

SWINE PROJECT EVALUATION

Monday beginning at 2:00 p.m.

The purpose of this evaluation is to determine the level of involvement of the exhibitor with the project. A Swine Record Form (available from the MSU Extension Office) must be completed and handed to the judge at the beginning of the interview. An interview will then be conducted by qualified personnel beginning at 2:00 p.m. in the Swine Barn. This interview will attempt to determine what knowledge has been gained from participating in this project.

Baskets

Entry Time: Saturday, July 30th
9:00 a.m. - 1:00 p.m.
Exhibit Area: Peck Hall
Judging Time: At Entry

Department Chairperson: Sharon McElroy
517-388-4938

Baskets must be hand-woven by the exhibitor. The project can be an original design or from a pattern.

Cloverbud exhibitors will exhibit a placemat and/or poster. An evaluator will visit with each exhibitor to learn about what has been done and how they would like to use their skills in the future.

Baskets can be dyed, painted, stained, or left natural depending on the style.

Baskets will be judged on neatness and good construction for the style.

A single exhibit could consist of a grouping of miniatures. This would only be suggested for advanced members.

Each exhibit must be accompanied by a 3 x 5 note explaining the process.

Cloverbuds

Entry Time: Saturday, July 30th
9:00 a.m.-1:00 p.m.
Exhibit Area: Peck Hall

Department Chair : Heather Williams
989-666-2316

Youth between the ages of 5-7 (as of January 1st of the current year) are participants in the Cloverbud Program. Cloverbuds exhibit as 4-H Explorers (6-7-year olds) or Clover Sprouts (5-year olds). Evaluators look at the child's project and give feedback either in writing or in person but are not judged. Youth receive participation ribbons for each entry. Cloverbud exhibitors will be recognized at the Fair Awards Program on Thursday evening and each will receive a special t-shirt.

4-H EXPLORERS (6-7 years old) may exhibit in any Department that has classes listed for 6 and 7-year olds. 4-H Explorers (6-7-year olds) may not enter in any other classes and they may not enter in the Clover Sprouts (5-year olds) Department. 4-H Explorer projects are entered as listed in the specific department and youth exhibitors must abide by the guidelines and policies outlined in the department.

4-H CLOVER

SPROUTS (5 year olds) may exhibit in this Cloverbud department only. Exhibits may enter only the classes listed. Youth may exhibit up to three of their favorite projects and are limited to a maximum of two entries per class. All entries must be the sole work of the exhibitor.

Card and include the picture to use in visiting with the evaluator. The Pet Exhibitor Card will be left on display and the exhibitor will take their pets home after evaluation

Clover Sprout exhibitors in livestock (beef, sheep, swine and goats), dairy, and horses will complete the skill-a-thon from 9:30 am-1:00 p.m. on Saturday.

All Clover Sprout exhibits will be entered and displayed in Peck Hall.

Foods and Nutrition

Entry Time: Saturday, July 30th
9:00 a.m.-1:00 p.m.
Exhibit Area: Smith Hall

Department Chair: Delaney Atkinson
989-593-3327

REQUIREMENTS FOR ALL FOODS and NUTRITION EXHIBITS:

Exhibitors may enter in each of the foods and nutrition divisions but may only have 1 entry per class. (Example: 1 person may exhibit a baked item, a casserole and a candy exhibit all in the same year.)

Cloverbud exhibitors will exhibit a food item and/or poster. An evaluator will visit with each exhibitor to learn about what has been done and how they would like to use their skills in the future.

All food exhibits must include a 4"x 6" recipe card with the recipe printed or typed on it. Failure to do so may result in an exhibit being marked down when judged.

Some classes require Exhibit Cards. They are available from the MSU Extension Office prior to the Fair. A recipe card and picture of the prepared food are to be part of the exhibit. Magazine pictures are acceptable.

Exhibit Cards must be completed prior to entry including picture or photograph. Cameras will not be available at entry.

Exhibits should be appropriate for number of years experience of the individual exhibitor. Difficulty and amount of time spent on project will be considered.

Individuals may not enter the same recipe more than once.

Judging area will be roped off with only the judge, chairman, superintendent and exhibitors allowed in the area during judging.

HEALTHY EATING

Recipes prepared in this category may include casseroles, baked foods, desserts, etc. Recipe must indicate how it fits this category, i.e. low-fat, low-salt, low-sugar, high-fiber, etc.

Recipes may include some pre-packaged items such as canned or dry soup, biscuit mix, etc. and must be noted on the recipe.

Cookie, muffin, biscuit, cupcake or roll exhibits must consist of 3 items on a paper plate. Pies, cakes, breads, etc. are to be exhibited as a whole with only one piece left for display.

Casseroles should be presented for judging as they are intended to be served and should be as hot or as cold as possible. Casseroles will be taken home after judging and an exhibit card left for display.

Items will be judged on nutritional value, appearance and taste.

BAKED FOODS

(Conventional Oven or Microwave)

Baked goods may include cookies, cakes (frosted or unfrosted), pies, brownies, muffins, breads, yeast rolls, quick breads, etc. Items in this class may be baked in a conventional oven, microwave or bread machine. Exhibitors are responsible for seeing that any item requiring refrigeration (cake with cream filling, cheese-cake, cream and custard pie, etc.) is kept cold until presentation to the judge. The item will be sent home and an Exhibit Card will be displayed.

Commercial mixes such as cookie, cake, pie crust, etc. are not allowed in this area. Check classes in convenience foods. Purchased pie filling may be used, however difficulty of project for age will be considered.

When exhibiting cookies, muffins, biscuits, cupcakes and rolls, an exhibit will consist of three (3) uniform items on a paper plate covered with a plastic bag. Exhibitors making pies, cakes, large bread rings, etc., may bring the entire item for judging but will leave only a piece of the item for display at the Fair. However, exhibitors may choose to make smaller versions of the item with the entire thing being left for display. This means that members may make a 9" pie for entry and then leave one piece for display after judging or they may make a pie in a small pie pan and leave the entire pie.

Exhibiting less than the required number of items may result in an exhibit being marked down when it is judged. It is permissible to make the item ahead of time and freeze it. Make sure the baked item is one that does not lose in quality or appearance when frozen. It must be properly defrosted before presentation.

Baked foods will be judged on the basis of taste, appearance and difficulty of exhibit.

CASSEROLES

(Conventional Oven or Microwave)

A casserole is a main dish for a meal not including simple sandwiches.

Casserole recipes may use some pre-packaged items such as canned or dry soup, tomato paste, biscuit mix, etc. and this must be noted on the recipe.

Casseroles are evaluated on nutritional value, aroma, texture and appearance. Presentation adds to the display but will not be included in the judging score. Casseroles should be presented for judging as if they were to be served as hot or cold as possible.

Casseroles will be judged and then taken home and an Exhibit Card displayed.

FOOD PRESERVATION

Learning Objective: Youth will learn and demonstrate the basic principles of food preservation according to current USDA recommendations.

Food preservation exhibits can be canned, frozen or dried foods. An exhibit may not consist of a combination of types of preservation. An exhibit shall consist of three (3) containers (jelly jars, freezer bags, pint/quart jars, etc.) and may be, but are not required to be, the same food. All food preservation projects must be properly labeled on the container. Labels should include the name of the food item and date it was preserved but not exhibitor's name. Foods for this exhibit must have been preserved since the last fair.

Evaluation will be based on appearance and questions asked of the member about the preservation since the last fair.

Canned foods should be sealed, with or without rims attached. Dried foods should be exhibited in tightly covered containers or bags. Frozen exhibits will be taken home after judging and an Exhibit Card left on display.

MENU PLANNING

Learning Objectives: Develop skills in preparing and handling food and equipment and become familiar with the food groups and how to use them in planning meals.

Exhibitors plan a menu for one meal and exhibit an appropriate place setting consisting of one complete place setting and a copy of the menu.

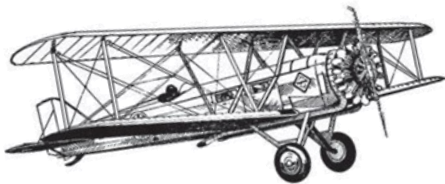

Judging will be based on:

- Neat and well-done menu copy
- Nutritionally balanced meal
- Balance of food colors, shape/form and texture
- Suitable arrangement of flatware, dishes, linens, etc.
- Attractiveness of overall display
- Place favor or centerpiece is optional
- Display area is limited to 30" x 30" (may be smaller)

Learning Objective: Learn to keep records of personal learning experiences and accomplishments.

Exhibitors complete and exhibit their Member's Personal Record Book. Record books will be judged on completeness and accuracy. Neatness will be evaluated by age. Member's Personal Record Books are available in the MSU Extension Office.

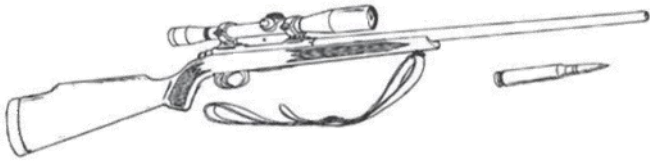

Exhibitors should not redo their entire book but rather to add to it each year. This shows growth and development. Judging is primarily based on current year.

Exhibits may include other information with the record book (i.e. photos, letters, etc.) but all must be together in a notebook.

4-H bulletin No. 1175 serves as a guide to the number of each vegetable exhibited and bulletin #1516 is used for herbs. These 2 bulletins are available at the MSU Extension Office free of charge. Please read entire bulletin before preparing exhibit.

Cloverbud exhibitors will exhibit produce and/or a poster. An evaluator will visit with each one about what has been learned and how they would like to use their skills in the future.

Beginner and junior exhibitors must use 9" paper plates to exhibit their vegetables. Senior and commercial exhibitors should use small boxes. In senior boxes, the appropriate number of each vegetable must be exhibited. Two varieties of the same vegetable count as one vegetable except for winter and summer squash.

The number of vegetable specimens of one kind and variety to exhibit are:

1 specimen: Cabbage, cantaloupe, cauliflower, eggplant, pumpkin, squash, watermelon.

3 specimens: Rutabagas, summer squash, zucchini.

5 specimens: Beets, carrots, sweet corn, cucumbers, kohlrabi, okra, dry onions, parsnips, peppers, potatoes, radishes, sweet potatoes, tomatoes (except cherry), turnips.

12 specimens: Green or wax beans, lima beans, brussel sprouts, peas, cherry tomatoes.

1 bunch: Broccoli, green onions.

All entries displayed must be grown by the exhibitor.

A "4-H Open" class has been added for the 4-H gardening member who, because of bad weather or circumstances beyond their control, cannot meet the requirements for their age division. If you do not have the right amount of vegetables for your age, this class is for you. **This class is not eligible for rosette consideration.**

VEGETABLES

Cloverbud exhibits should consist of one plate with three specimens of any one vegetable.

Still Exhibit Auction

Sale Time: Thursday, Aug. 4th
3:30 p.m.

Sale Location: Fairgrounds Stage

1. Participation in this sale is limited to enrolled members of Clinton County 4-H Clubs who have satisfied the following requirements.
2. Exhibitors must have registered to sell an item when signing up for fair entries.
3. Exhibitors must have made the item being sold.
4. Exhibitors must have exhibited the item or its duplicate at the 2022 Clinton County 4-H and Youth Fair.
5. An exhibitor is limited to a single still exhibit sale lot.
6. Except as further provided, the exhibitor may sell the item he or she exhibited at fair or a duplicate of the exhibited item. If the exhibitor will be selling a food item other than food preservation, or a flower exhibit that uses fresh flowers, the exhibitor must bring new item to the sale.
7. Except for any buyer conveniences, any duplicate should be a replica of the exhibited item. A buyer convenience is something that adds value or makes it easier for a buyer but does not alter the essence of the exhibit. Buyer conveniences may include such things as bringing a frozen version of a casserole, in a disposable aluminum pan; using a vase for flowers; placing a picture in a frame, or increasing the amount used in an exhibit; Ex. Three cookies are displayed for an exhibit and the sale item includes a dozen of the cookies.
8. An exhibitor must complete sale registration in the Fair Office no later than 8 p.m. on Monday before the sale.
9. The sale order will be determined by random draw.
10. The Fair Board reserves the right to reject sale items if they are not properly finished and of good quality.
11. Unless the exhibitor received written permission from the Fair Board for good cause, the exhibitor must be the individual to display his or her item during the auction.
12. The price, announced by the auctioneer, when the gravel drops shall be the official price and that bidder will be the buyer of record.
13. The sale item is released to the buyer at the time of sale. If an individual sold a duplicate item, he or she is responsible for picking up the exhibited item pursuant Exhibitor Rules and Regulations.
14. Sale participants must be aware of and abide by the regulations outlined in the "Exhibitor Rules and Regulations" found at the front of this book and "Expectations for 4-H Still Exhibit Auction" emailed to registered participants.

Clinton County 4-H and Youth Fair

FAIR SPORTSMANSIP and CONDUCT POLICY

A Fair participant is an exhibitor, exhibitor's parents or legal guardian, and/or Organizational Leader.

All Fair participants and participant's visitors or supporters must conduct themselves with honesty, integrity and good sportsmanship while attending and/or participating in all activities associated with the Clinton County 4-H and Youth Fair.

All participants agree to:

- Read, be familiar with, and comply with all Exhibition Rules and Regulations set forth in the Fair Book.
- Respect and adhere to any other published policy or guidelines established by the Clinton County 4-H and Youth Fair by Fair Board, Livestock Committee, Dairy Committee or Equine Advisory Board.
- Abstain from engaging in or supporting physical or verbal abuse. Verbal abuse is the forceful criticism, insulting or denouncing of someone else directly, via social media or any other medium of communication.
- Abstain from possessing, selling or consuming any other following on the fair-grounds or at Fair events: alcohol, tobacco products and/or electronic cigarettes or controlled substances.
- Treat Fair and show management, personnel, Department Chairpersons, Fair officials, judges, other exhibitors and their families, security personnel and all visitors with courtesy, cooperation and respect.

Concerns regarding the behavior and/or actions of other participants shall be handled as outlined in the Complaint Policy, which is printed in the Fair Book and is available from the Fair Office. If the Fair Board concludes that there has been a violation of policy, the Fair Board may ask the violator(s) to leave the fairgrounds, disqualify an exhibitor, project or animal from Fair activities, require an exhibitor to forfeit awards or ban the participant from future Fair activities.
