

Buyer Add-Ons

New opportunity this year – If you wish to donate to an exhibitor but do not plan on purchasing their animal, consider a buyer add-on. An add-on is a monetary donation given to individual exhibitors. There is no transfer of ownership, add-ons are only considered as a donation to the youth exhibitor.

In order to allow staff time to process all paperwork, this form must be submitted to the MSU Extension Office by **July 27, 2021**. An electronic version of this form is also available at <https://bit.ly/BuyerAddOn>. Electronic submissions must be completed by the end of the Livestock Sale on August 4, 2021. All add-ons will be billed after the sale and will be included on your invoice with any livestock purchases you make. Make checks payable to GreenStone FCS.

Buyer Name (as used during the Livestock Sale): _____
