The mission of the Michigan Conservation Stewards Program (CSP) is to deliver high quality, locally based training opportunities to develop informed individuals who will practice community-based volunteer conservation management activities.

For more information about the St. Clair County program, visit www.scriver.org or contact Kirsten Lyons, 586.212.8488, stewardship@scriver.org.

Program overview:

- 2-hour live Zoom sessions each week (1 hour state-level instruction, + 1 hour conservation, restoration, & mitigation led by local planning partners/experts)
- 1 hour of online course content per topic
- 3 self-guided field assignments
- Capstone project with guidance from local planners
- Certification option available

Course fee:

- Early bird registration: \$75 (deadline August 18)
- Regular registration: \$95 (Aug. 19-Sep. 1)
- Financial assistance is available
