6 - Quiz

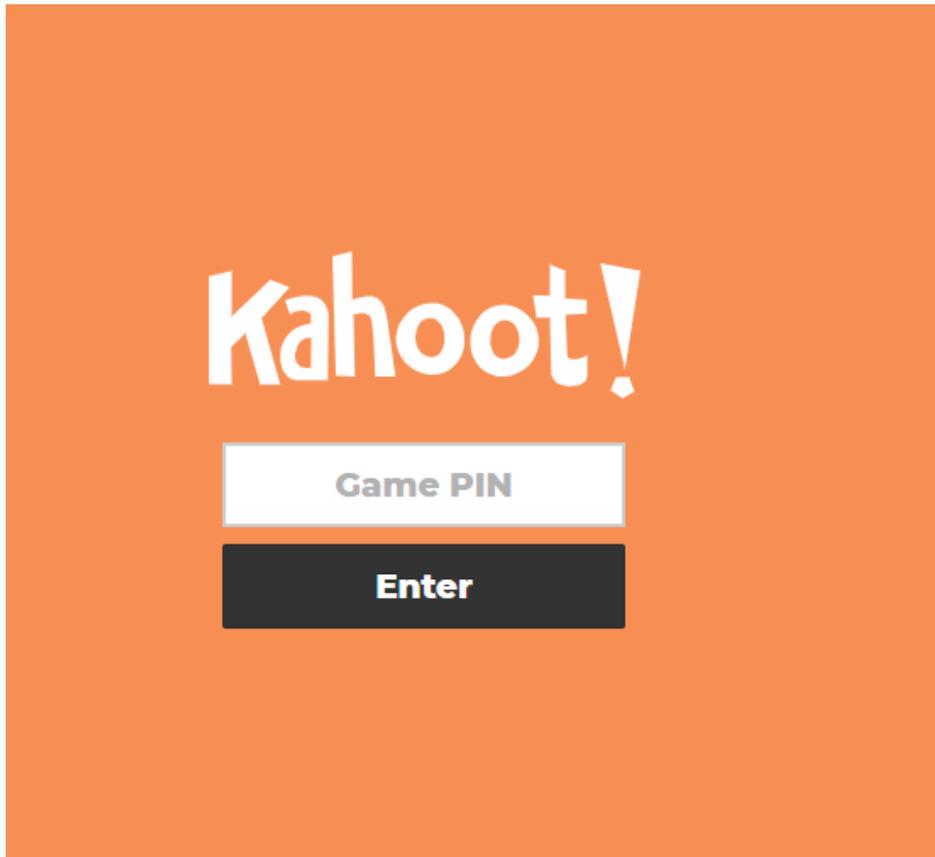

8. Choose classic or team mode. We recommend the “Classic” mode.

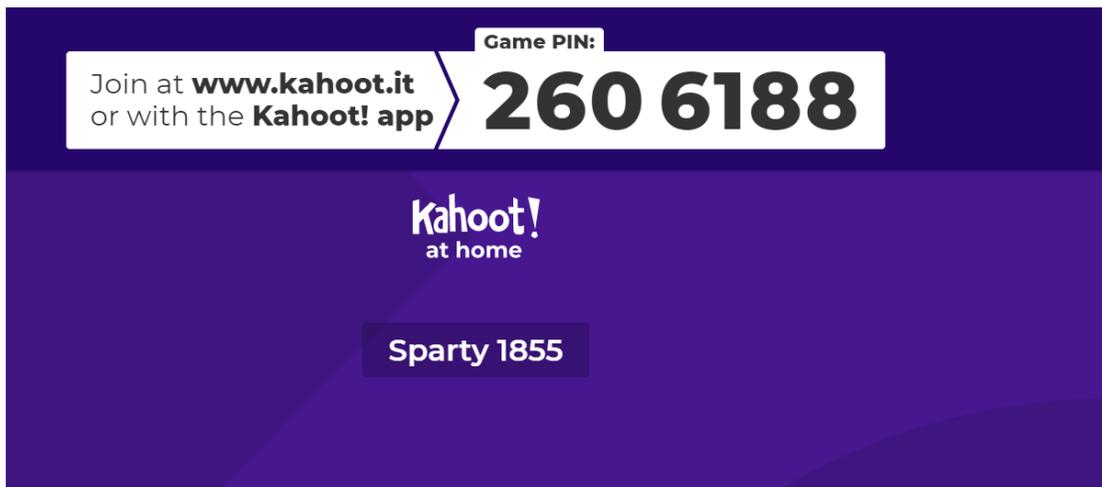

9. Have the participants go to [www.kahoot.it](http://www.kahoot.it) and enter the game pin displayed on the screen. *Note: The game code will change each time and **will not** match the code displayed on the image below.*

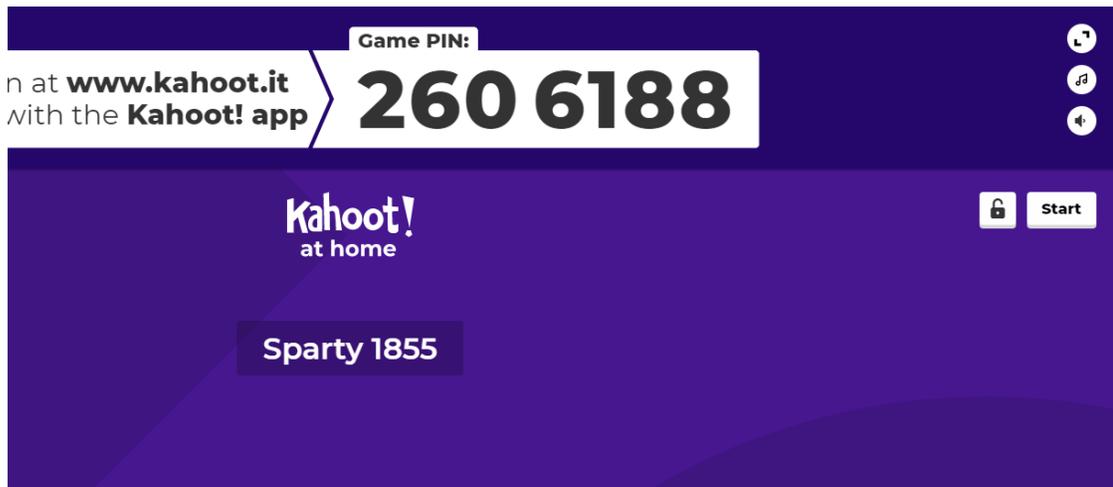

10. Participant view\*

11. After the participant(s) enters the code their name will show on your home screen as seen below.

12. Once all of the participant(s) have logged in, click the start button

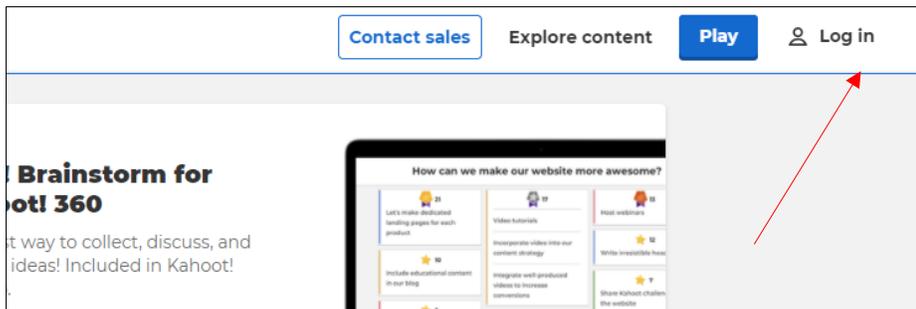

13. Follow the onscreen cues and have fun!

**Health for One, One Health for All**

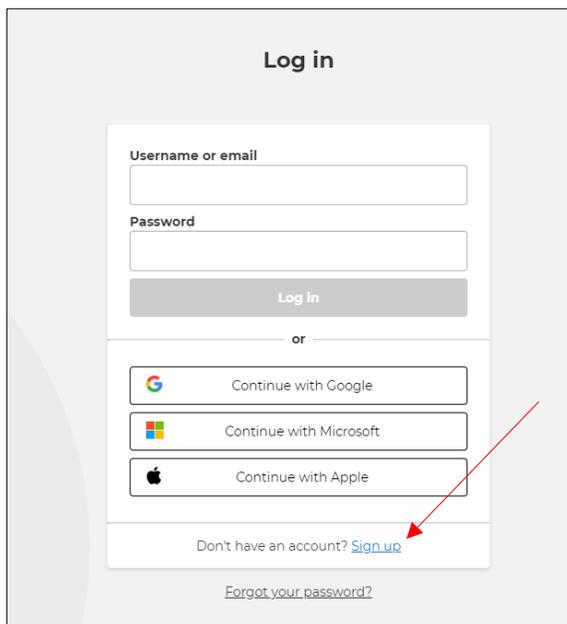

The following instructions are for creating a Kahoot account.

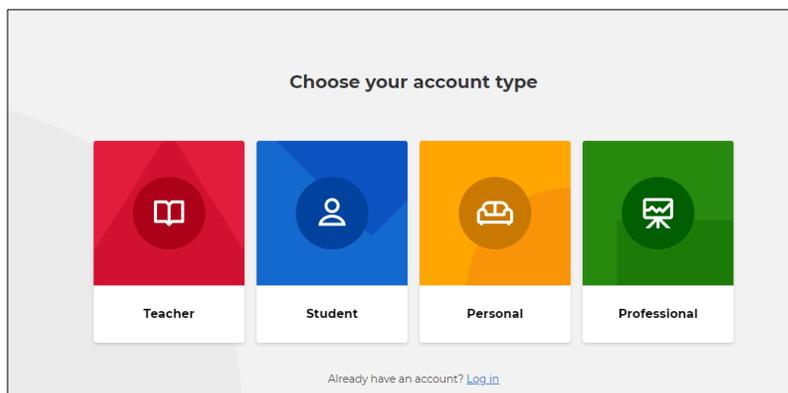

1. Select the log in option.

2. Select sign up.

3. Choose your account type.

4. Choose who you will most often play with

**Who will you play Kahoot! with most often?**

			
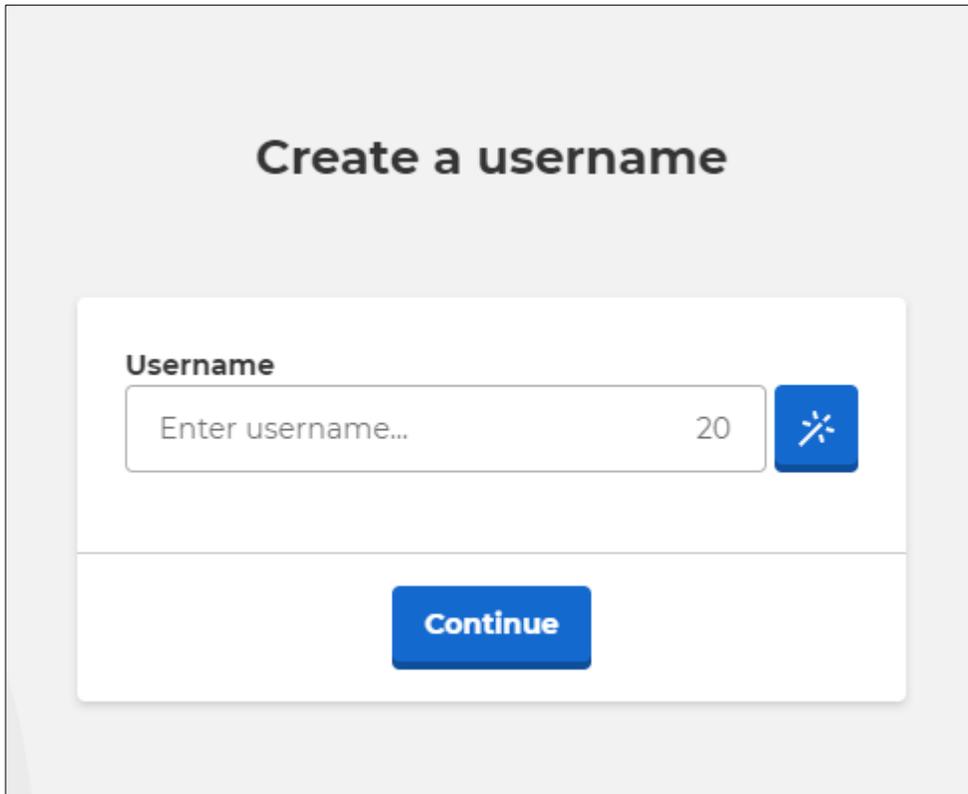

Friends and family	Colleagues or clients	Students	Other

5. Enter your date of birth.

**Enter your date of birth**

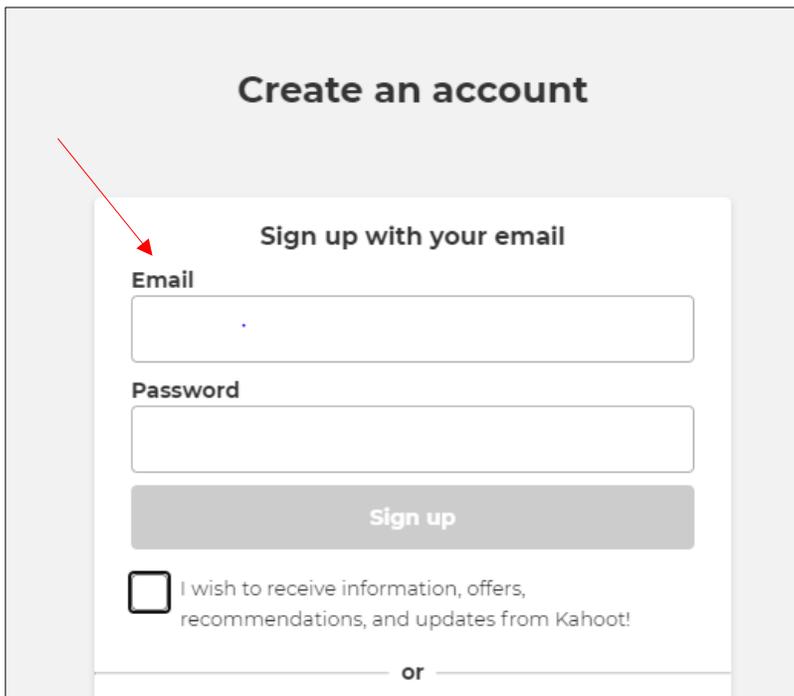

<b>Month</b>	<b>Day</b>	<b>Year</b>
Select... ▼	Select... ▼	Select... ▼
<b>Continue</b>		

6. Create a username.

The screenshot shows a form titled "Create a username". It features a text input field with the placeholder text "Enter username..." and a character count of "20" on the right. A blue button with a white asterisk icon is positioned to the right of the input field. Below the input field is a large blue button labeled "Continue".

7. Sign up with an email of your choosing.

The screenshot shows a form titled "Create an account" with a sub-section "Sign up with your email". A red arrow points to the "Email" input field. The form includes an "Email" input field, a "Password" input field, and a grey "Sign up" button. Below the button is a checkbox with the text "I wish to receive information, offers, recommendations, and updates from Kahoot!". At the bottom, there is a horizontal line with the word "or" in the center.

8. Choose your plan. It is suggested you use the free or basic account.

**Choose your Kahoot! plan for personal use**

Make learning awesome for the entire family! Create, play, and share learning games (kahoots) together with friends and family, both in person and virtually.
