Posted 11/28/2023

Deadline: Until Filled

### Agriscience/Science Teacher 2023-2024 School Year

Department: Jr.-Sr. High School  
 Reports to: Building Principal  
 Employment: 2023 - 2024 School Year  
 Salary: Per CEA Contract  
 Start Date: As soon as possible

**Qualification Requirements**

- Possess valid Michigan School Teaching Certificate with Secondary Education certification, with a Science endorsement (DA, DX, and/or DI) and Agri-science & Natural Resources endorsement (HX), or an Annual Career Authorization. (This option is open to teachers with 4000 or more work hours in the field.) Specialized work experience in program area must be within the 10 years prior to the date of applications. Bachelor's degree from an accredited college or university.
- Prior successful teaching experience in a Jr.-Sr. High school grades is preferred but not required.
- Experience with FFA and/or 4H preferred but not required.
- Clear criminal history check, physical, and drug test, required; first aid training, preferred.
- Alternatives to the above qualification as the Board may find appropriate and acceptable.

**Essential Duties and Responsibilities**

*This position's responsibilities are to instruct students with district approved curriculum ensuring that students have a variety of opportunities to be successful and productive members of the school community. The teacher is accountable for the continuous growth and performance of students as measured over time by state standards and locally determined indicators. It is the expectation that the teacher will demonstrate strong and varied instructional abilities while maintaining an organized classroom ensuring the safety and welfare of students and others in the classroom.*

Required:

- Provides instruction for assigned classes in the location(s) and at the time designated that challenge high achievers and accelerates learning for struggling learners.
- Develop course appropriate lesson plans guided by district approved curriculum that establish clear objectives for all lessons, units, projects, etc. and then communicate the objectives to students and parents through the delivery of the instruction.
- Use effective and varied assessment practices to evaluate pupils' academic and social growth, keeping appropriate records, preparing progress reports/report cards.
- Perform duties with awareness to all district requirements and board of education policies while modeling district standards of ethics and professionalism; implement policy, procedural, and curriculum changes from administration, the board of education, or state/federal changes. Implement the school improvement plan within the classroom ensuring building, district, and state standards/goals are met.
- Maintain a safe and orderly classroom environment ensuring that a positive instructional environment conducive to learning and appropriate to the maturity/interests of the assigned students occurs.
- Carry out the school discipline plan while providing students with clear expectations, a system of positive reinforcement and sequential, consistent, progressive consequences.
- Fosters, recognizes, and supports ethnic, cultural, gender, economic, and human diversity within the classroom and school community.
- Must be able to perform the physical demands of this position, which includes sitting, standing, talking, seeing, and hearing. Occasionally, it will be expected to repeat the same hand, arm, or finger motions many times and push or lift up to 50 lbs. such as boxes of books.
- Available to students and parents for education-related purposed outside the instructional day. • Performs other functions and duties as assigned by the principal.

**Method of Application**
