## High School Agriscience/Science Teacher

Deadline: Until Filled

District/Organization: Whittemore-Prescott Area Schools

Position/Type: Teacher, full time

Salary: Per Contract

### Position Details

Are you looking for an opportunity to make a difference and impact the lives of future generations? Looking for a great team that is passionate about what they do? If that's you, we invite you to join our team. We are looking for a candidate passionate about Agriscience, FFA, teaching and a team player!

Qualifications: Possess valid Michigan School Teaching Certificate with Secondary Education certification, with a Science endorsement (DX, and/or DI) and Agri-science & Natural Resources endorsement (HX), or an Annual Career Authorization. (This option is open to teachers with 4000 or more work hours in the field.) Specialized work experience in the program area must be within the 10 years prior to the date of applications. Bachelor's degree from an accredited college or university.

- Prior successful teaching experience in a Jr.-Sr. High school grades is preferred but not required.
- Experience with FFA and/or 4H preferred but not required.

## Responsibilities:

- Develop and implement engaging lesson plans that align with the curriculum and educational standards
- Create a positive and inclusive learning environment for students
- Provide instruction in various subjects
- Interactive teaching with a project based instruction
- Assess student progress and provide constructive feedback
- Collaborate with colleagues to develop interdisciplinary projects and activities
- Utilize technology and multimedia resources to enhance instruction
- Mentor and guide students in their personal and academic growth  
Implement behavior management strategies to maintain a positive classroom environment

The program has a brand new state of the art 18'x36' greenhouse, recently updated wood and metal shop and aquaculture system. The W-P Agriscience program has deep rooted community support with a growing alumni network and several state winning teams and state officers from the chapter.

This position offers a rewarding opportunity to make a difference in the lives of high school students. As a High School Teacher, you will have the chance to inspire young minds, foster their academic growth, and contribute to their overall development. We offer competitive compensation packages and opportunities for professional development and a summer contract. Join our team of dedicated educators and help shape the future generation.
