## Course Handbook

### (CSUS430, Section 001) ONLINE

#### Overview of the Course

Welcome to CSUS430, Non-Profit Organizational Management for Community Sustainability! This course is designed to provide students with an understanding of the core aspect of organizational management of non-profit agencies. As the title denotes, this course is focused on non-profit organizational management with a community engagement flair. Defining non-profit organizational management is a key component of the course. For our purposes, we will define non-profit organizational management as focused on **non-profit, nonprofit or not-for-profit** organizations. Non-profit organizational examples include: Salvation Army, Michigan Trails and Greenways, Michigan Environmental Council, Pheasants Forever, Ducks Unlimited, Greenpeace, and the Audubon Society.

This course is broken into several components. They include 1) Lectures; 2) Discussion forums; and 3) Assessments (Quizzes, Interview Video, and NPS Video/Paper). The direct application of content will be in the form of 14 cumulative weekly quizzes via D2L, non-profit interview, and development of a non-profit startup organization document and accompanying marketing and promotional video.

Article 2.III.B.2 of the Academic Freedom Report states that "The student shares with the faculty the responsibility for maintaining the integrity of scholarship, grades, and professional standards." In addition, the Department of Community Sustainability adheres to the policies on academic honesty as specified in General Student Regulations 1.0, Protection of Scholarship and Grades; the all-University Policy on Integrity of Scholarship and Grades; and Ordinance 17.00, Examinations. (See Spartan Life: Student Handbook and Resource Guide and/or the MSU Web site: [www.msu.edu](http://www.msu.edu).)

Therefore, unless authorized by your instructor, you are expected to complete all course assignments, including homework, lab work, quizzes, tests and exams, without assistance from any source. You are expected to develop original work for this course; therefore, you may not submit course work you completed for another course to satisfy the requirements for this course. Also, you are not authorized to use the [www.allmsu.com](http://www.allmsu.com) Web site to complete any course work in **CSUS430**. Students who violate MSU academic integrity rules may receive a penalty grade, including a failing grade on the assignment or in the course. Contact your instructor if you are unsure about the appropriateness of your course work. ### **Limits to confidentiality**

Essays, journals, and other materials submitted for this class are generally considered confidential pursuant to the University's student record policies. However, students should be aware that University employees, including instructors, may not be able to maintain confidentiality when it conflicts with their responsibility to report certain issues to protect the health and safety of MSU community members and others. As the instructor, I must report the following information to other University offices (including the [MSU Police Department](#)) if you share it with me:

- Suspected child abuse/neglect, even if this maltreatment happened when you were a child,
- Allegations of sexual assault or sexual harassment when they involve MSU students, faculty, or staff, and
- Credible threats of harm to oneself or to others.

These reports may trigger contact from a campus official who will want to talk with you about the incident that you have shared. In almost all cases, it will be your decision whether you wish to speak with that individual. If you would like to talk about these events in a more confidential setting you are encouraged to make an appointment with the [MSU Counseling Center](#).

### **Accommodations**

Michigan State University is committed to providing equal opportunity for participation in all programs, services and activities. Requests for accommodations by persons with disabilities may be made by contacting the Resource Center for Persons with Disabilities at 517-884-RCPD or on the web at [rcpd.msu.edu](http://rcpd.msu.edu).
