NOTICE OF VACANCY  
May 2, 2022

## POSITION

Corunna Public Schools is looking for a **Agriscience (HX Endorsement) Secondary Teacher** to start no later than the 2022-2023 school year. We are looking to hire the best candidates around and will determine placement based on the qualifications and expertise of said candidate(s).

## JOB DESCRIPTION

To plan, organize and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic potential. Work is performed under the supervision of the building administrator.

## JOB/ District

Corunna Public Schools is looking for the best possible **Agriscience (HX Endorsement) Secondary Teacher** available. True to our mission statement of preparing an unprecedented number of students to be college **and/or** career ready, our district offers a continuum of services to meet the needs of all students. Our district is known for offering quality education in a small-town environment with the amenities of a larger community (our district buildings are five minutes away from Applebee's, Culver's, Meijer, Walmart, etc.).

Student loan tuition reimbursement is available to district teachers and our county's cost of living is incredibly low. We are a class "B" school (around 130 students per grade level) with a reputation for higher standards; as a result, nearly 40% of our students are school of choice. We have the only inclusive preschool in the county. Our school is the community "hub" and Homecoming is still a big deal in our small town, which is the county seat. Our community is incredibly supportive of our district as well. We have high-achieving athletic teams and award-winning extra-curricular programs. Despite having nearly 40% of students coming to us via school of choice, our constituents passed a nearly \$17 million bond a few years ago to upgrade our buildings and two more in 2021, (\$7 million). We also were recently fortunate to have earned a \$123,000 Michigan State Police competitive grant to upgrade security features in our buildings. First district in the state to have an on-site health clinic for employees, (free prescriptions).

## QUALIFICATIONS

Valid State of Michigan Secondary Teaching Certificate. Preference may be given to someone with one (or more) of the following areas: Science, Agriscience, Physical Education, Health, Math, ELA, and Social Studies.
