

Dog Committee

11/7/18 minutes

Discussion of last year:

- Schedule changes due to issues with rushing from agility to obedience or showmanship with the middle ages; suggested for youth to figure out where to fit in agility when agility is open.
- Judges last year were good, especially obedience.
- Issue with kids having to change classes last minute due to selecting the wrong class; will have a discussion on this at the spring meeting as to how to handle, maybe do a session on how to do the entry forms
