

Dog Committee Minutes

March 18, 2019

- I. **Secretary's Report** – put on file.
- II. **Treasurer's Report** – ended \$3350.78 with last meeting; have an uncashed check from last year. Also wrote check for ribbon order; current balance is \$3066.48. Kristy will check with Angie on uncashed check (from 2019 food shack).
- III. **4-H Staff Report** – office still open as of 3/18 but reduced staff, Kristy working from home except Fridays. State 4-H Office sent email from 4HOnline stating 4-H groups should cancel or postpone events between now & April 20. Mentioned overview of information in 4-H emails that have been sent out (see emails for detail).

IV. Superintendent Report

- a. **Dog classes** – were going to start 4/15, but on hold until further notice.

V. Old Business

- a. Pre-Fair Dog Match – Canceled due to near end of current social distancing recommendations; also youth won't have opportunity to work in-person with leaders to prep.
- b. May 1 forms & shot records for fair still due on May 1 to Bonnie; stay tuned for what entries look like 😊; vaccinations when vet offices are closed down – need to be current by fair, but still send whatever current shot record you have by the May 1 form, then send updated form to Bonnie by fair time
- c. Fair book changes – specific class # for Cloverbud obedience & cloverbud showmanship to register in; costume class is no longer (changed to simon says or musical hoops).

VI. New Business

- a. Creating educational opportunities with technology – encouraging leaders to still work creatively with youth while we are still practicing social distancing. Please contact Kristy if you need help! Ideas:
 - i. Have youth take video of them working with their dogs and share video for feedback
 - ii. Set up a Zoom for leader to demonstrate and youth can observe and work with their dogs.
 - iii. Leaders can find videos online to share with youth, youth can watch and share what they've learned and practice with their dogs.
