

Livingston County, Macomb County, Oakland County, and Wayne County Michigan

This chart contains information on Southeast Michigan farmers markets and was gathered during the 2019 growing season. Our hope is that this tool will assist you in bringing your farm products to new markets. Additional information on stall fees and other market details can be found by contacting the market manager listed. For more information, visit:

https://www.canr.msu.edu/farm_farmers_markets/resources

KEY

The following symbols are used to describe features of each market; its facilities and management.
