Application

Admission Review for Dietetics Program

I wish to be considered for admission to the upper level (junior/senior) of the **Dietetics Program** at the end of _____ (semester/year).

I understand that enrollment in the dietetics major is limited; that the Bachelor of Science Degree in Dietetics is a professional degree which requires acceptance into a competitive internship in order to complete the requirements for eligibility to take the registered dietitian examination; and that a minimum cumulative grade-point average of 2.5 is necessary to be considered for admission, but does not guarantee admission.

Name _____ PID# _____

Current major _____

Phone _____ Email _____

Which of the following are you requesting?

_____ Major change to Dietetics

_____ Dietetics as an additional major

_____ Dietetics as a 2nd degree program

Are there special circumstances about which you'd like the selection committee to know?
If so, describe here:
