## MARKETS

### Agricultural Trade

No price controls, auction, membership or licensing requirements.

Electronic application or ePhyto for phytosanitary certificates.

Phytosanitary fee schedules are publicly available (online).

Efficient and affordable per-shipment document requirements.

## MARKETS

### Plant Protection

Pest lists and a pest database are available online.

Pest reporting obligations apply and penalties apply.

Government is required to conduct pest surveillance and pest risk analysis (PRA). PRA results are available online.

Risk-based phytosanitary import inspections may be conducted.

## FERTILIZER

### Registering Fertilizer

Inexpensive fertilizer registration with no expiration

Official fertilizer catalogue in place and available online

Efficient and cost-effective registration process that includes lab sample analysis and excludes field testing

## MACHINERY

### Tractor Operation

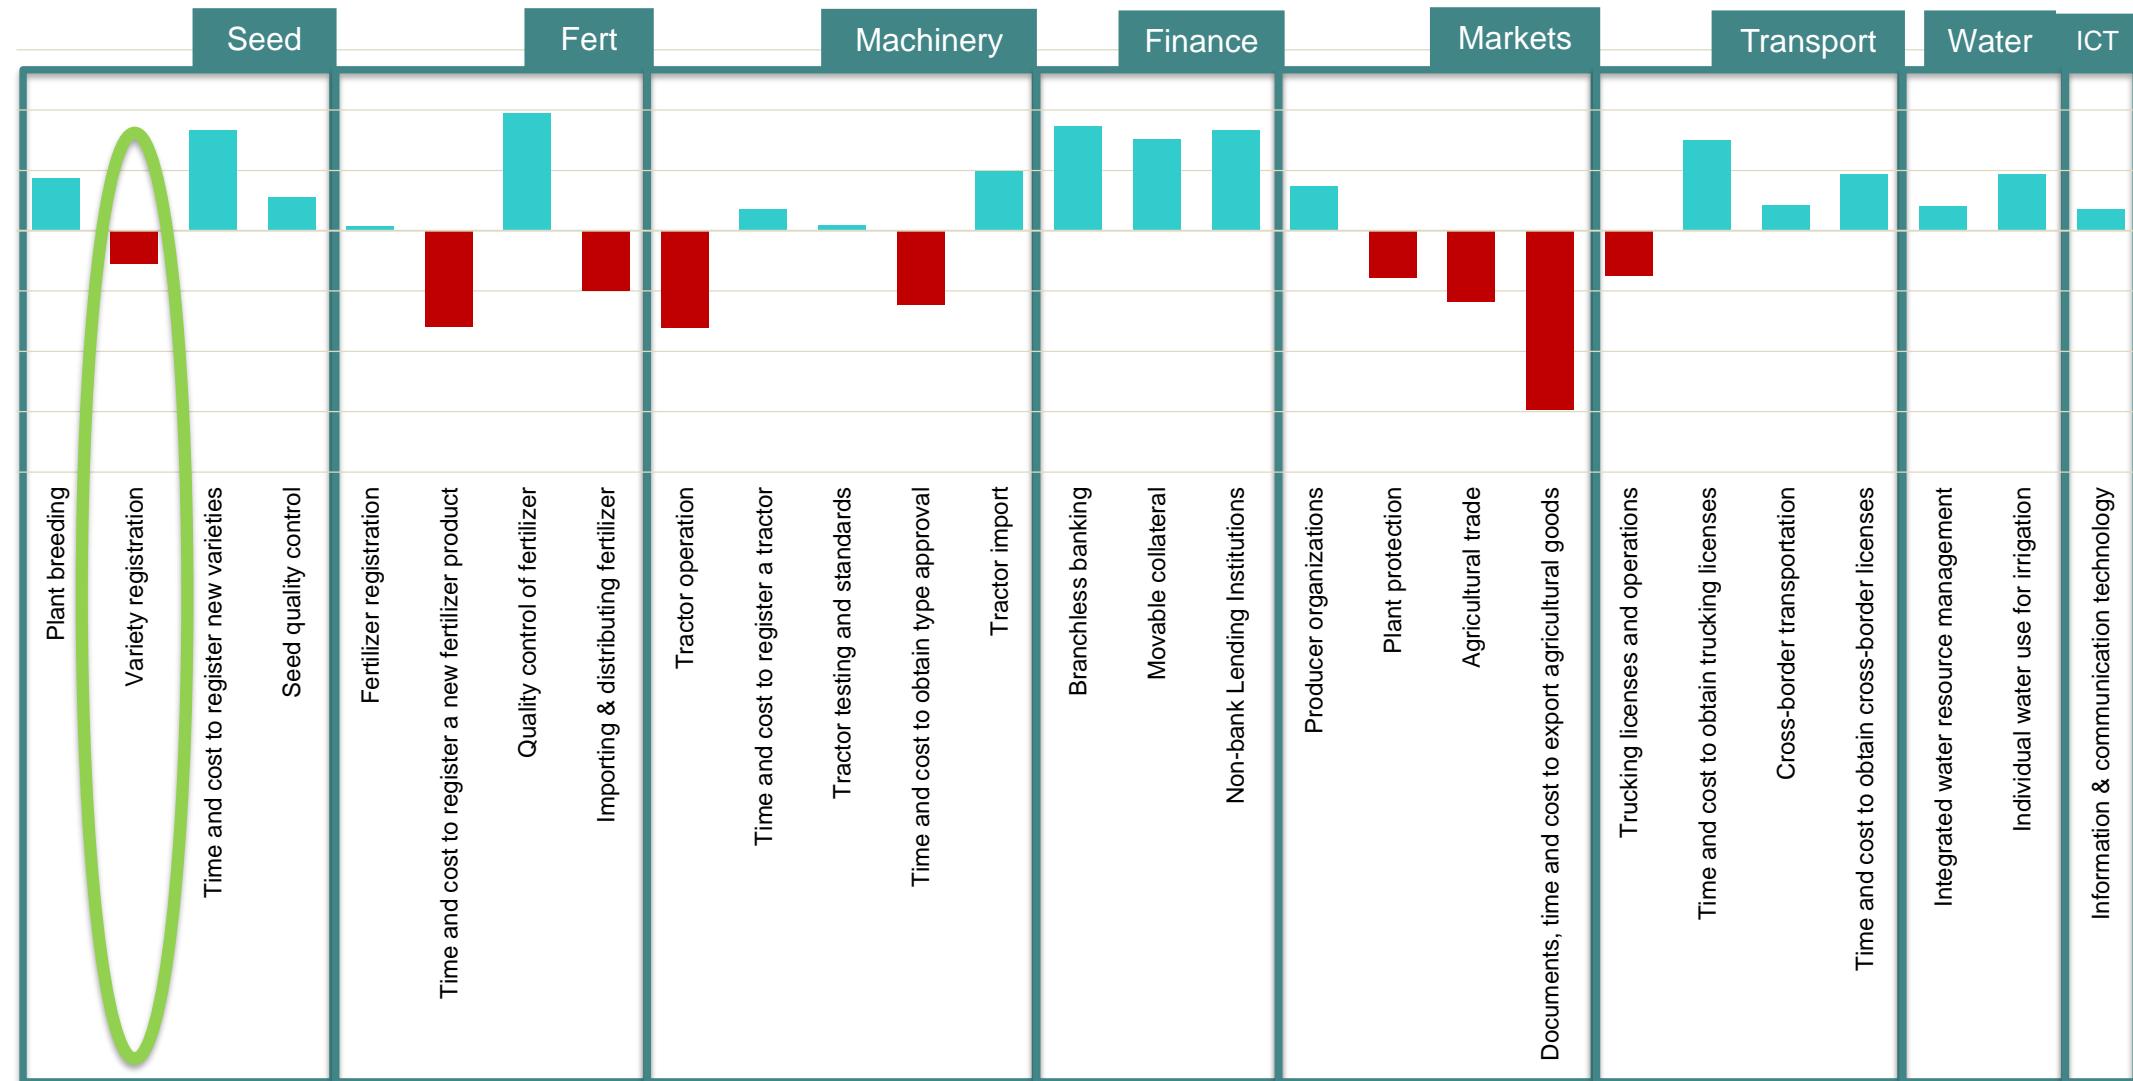

Tractor registration required for use on public roads, and the process is efficient and inexpensive

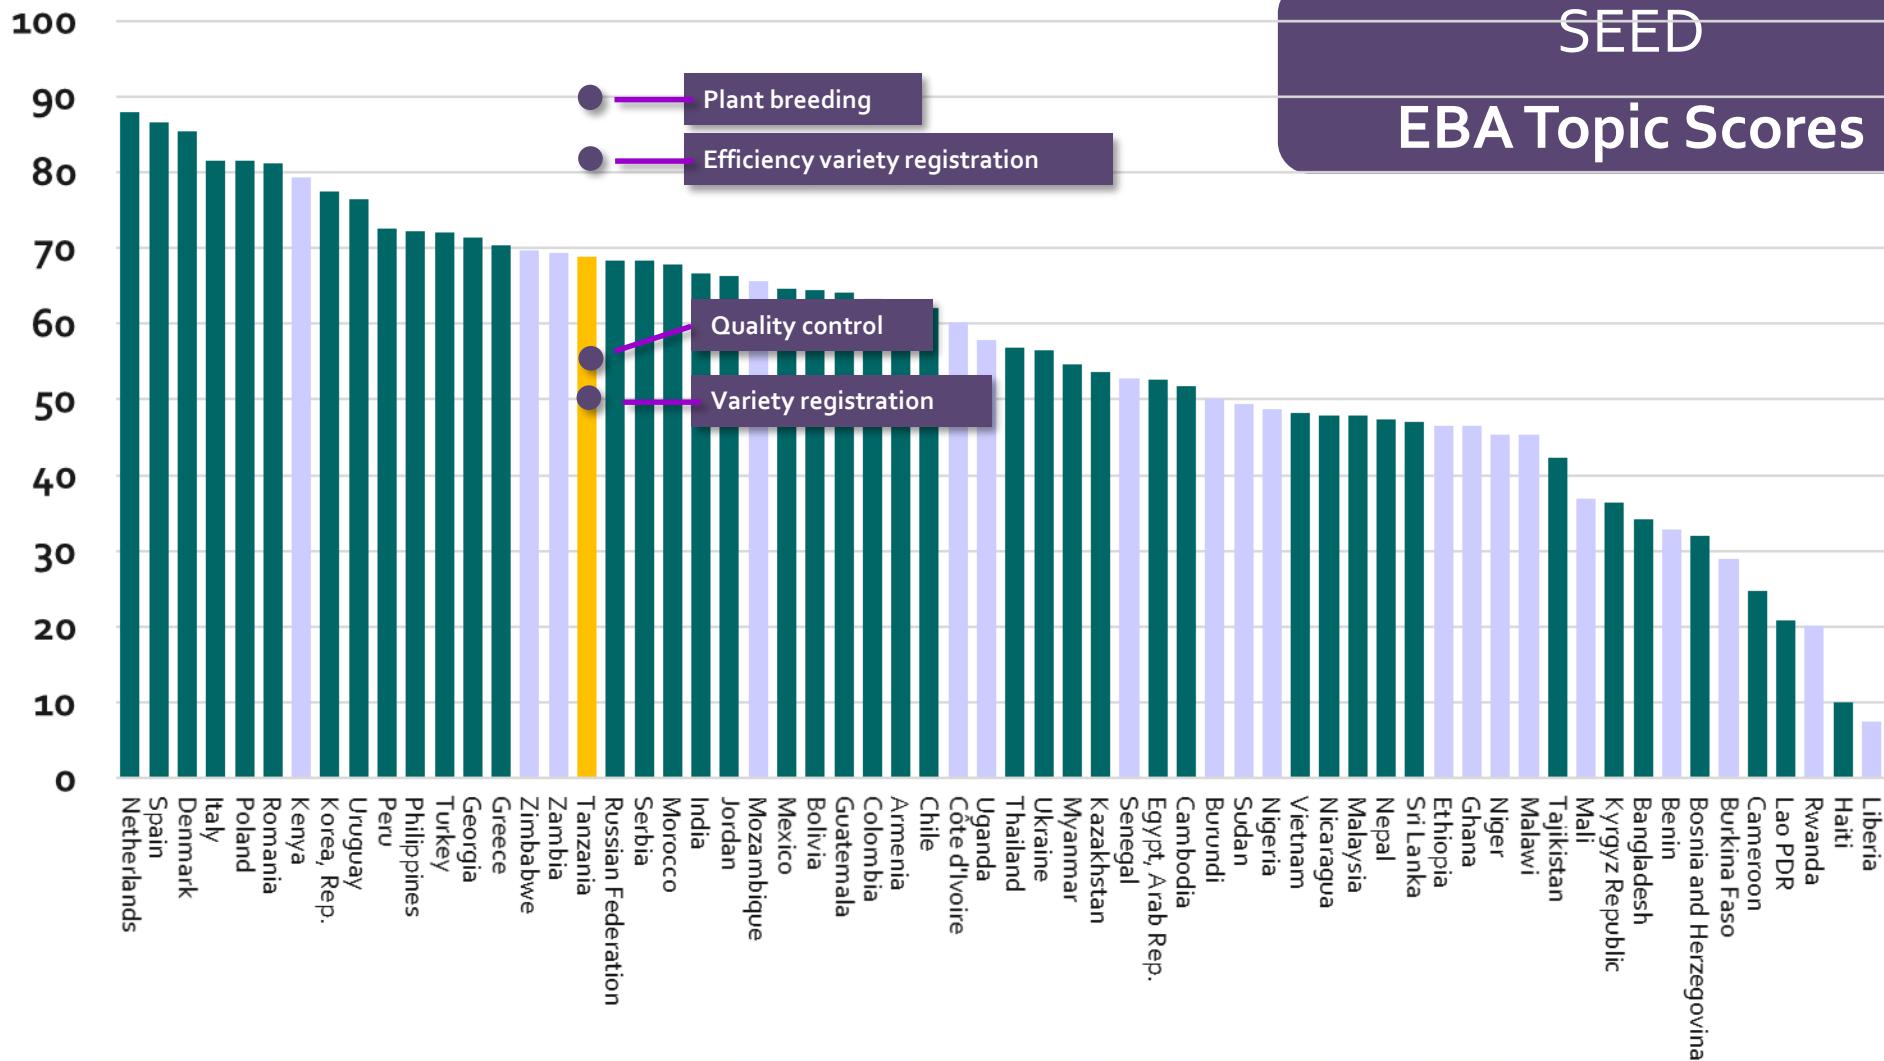

Roadworthiness/road-fitness inspection of in-use tractors required at affordable cost

Provision of tractor after-market service and parts
