I have read, understand and promise to share the following information with youth, parents and volunteers in my club.

- A 4-H Club consists of at least 1 registered adult volunteer, 5 youth from 2 or more families, and meets a minimum of 6 times.
- 4-H clubs must get written approval from 4-H Staff before holding a fundraiser or asking/soliciting for or receiving donations of money or other items.
- All flyers or promotional items must be approved by the 4-H Staff before being distributed.
- If a club is making a group purchase of taxable merchandise, they can get a *Michigan Sales and Use Certificate of Exemption* from the MSU Extension office so hopefully they won’t have to pay Michigan sales tax on the items.

I understand that my name, club meeting location and contact phone number will be printed in a brochure available to the public and listed on the MSU Extension County 4-H web page on the internet. I also understand that the club is responsible for collecting and submitting the 4-H member’s participation fee to the MSU Extension office within two weeks of members registering with the club (make checks payable to MSU). My signature below indicates that I have read and agree to these provisions.
