Friends of Hidden Lake Gardens

Membership Program

Our mission is to preserve and enhance our gardens and arboretum for educating and inspiring the public to the beauty of plants and the value of nature.

Hidden Lake Gardens was donated to Michigan State University in 1945 by Harry A. Fee, an Adrian businessman. His wish was that the Gardens be for the benefit and education of the public. It now operates as a part of the Land Management office through MSU.

The original 230 acres have grown to 755 and include a 120-acre arboretum, the Harper Collection of over 350 dwarf and rare conifers, the Hosta Hillside, and a conservatory with plants from all over the world, including a rare Bonsai tree collection.

With more than 6 miles of one-way paved drives and 12 miles of hiking trails, there are many ways to get a closer look at the beauty that the Gardens provide. Several locations are prime spots for picnics, photos, and other special occasions.

Be sure to stop inside the visitor's center to see the interpretive exhibits, peruse the gift shop and see yet another beautiful view of Hidden Lake. No matter what your reasons for visiting, your membership helps make Hidden Lake Gardens a place of beauty and inspiration for public enjoyment. Thank you!

Keep the gardens *Growing*

When you become a friend of Hidden Lake Gardens, you support:
