The State 4-H Horse Show takes place at the Michigan State University Pavilion for Agriculture & Livestock Education, south of the corner of Farm Lane and Mount Hope Road. This 3-day event includes more than 275 classes of 4-H members and their projects competing on a statewide basis! The show will go on, rain or shine; be prepared to show in the rain! The show coordinator is Taylor Fabus, Equine Extension Educator, with the assistance of Carla McLachlan, Events Manager, and all of the Dept. of Animal Science at MSU. Please read this booklet carefully to ensure that you know and understand all of the rules.

The objectives of the State 4-H Horse Show are:

• To develop leadership, initiative, self-reliance, sportsmanship and other traits of character.
• To experience the pride and responsibility of owning a horse or pony and to learn the care, feeding, management and health of the horse.
• To develop an appreciation of horseback riding as a healthy and wholesome form of recreation.
• To learn skills in horsemanship and understanding of the training of horses.
• To increase knowledge of safety precautions to prevent injury to themselves, others and their mounts.
• To provide an opportunity to meet 4-H members, leaders and families from other parts of the state.
• To provide an opportunity to compete on a statewide level.
• To learn skills in horse show management.
• The knowledge the member has gained should be emphasized. The State 4-H Horse Show should assist members in evaluating their progress rather than being the major emphasis of their project.

Being selected to attend this show brings with it responsibilities as well as privileges. You should be “your own best exhibit.” Remember you represent your local 4-H club, your county, and the Michigan 4-H Horse Program. We hope you will learn from the show, and have fun while benefiting from it. Cooperation, safety, and good sportsmanship will be emphasized at the show. Members exhibiting poor sportsmanship, those not cooperating with show officials and other members, or those using unsafe methods will be subject to disqualification from competition by show officials.

We are fortunate to have the use of Michigan State University’s campus facilities for this show. Please observe the guidelines to ensure the safety of the show, the use of the facilities for future 4-H programs, and to have a day that will provide memorable experiences!

Each county is required to send volunteers to the State 4-H Horse Show to assist with the show. Entries will not be processed until counties have submitted complete information to meet the requirements of their volunteer quota. Please be sure to assist the county staff/coordinator in identifying volunteers. REMEMBER -- no entries will be accepted until the volunteer quota is met. The State 4-H Horse Show is a large event and depends on volunteers to run successfully.

The 4-H Staff and State 4-H Horse Show Programming Committee hopes that your day is enjoyable and educational. If you have any suggestions that will help make this experience run smoother, please feel free to submit it in writing to the committee or the Equine Extension Specialist. There will be an evaluation form in the delegate packet to fill out.

Michigan State University Extension nor Michigan State University will not individually, or collectively, be responsible for any loss, damage or injury to person, horses, or property incurred in connection with this show, and upon these conditions only, are entries accepted.

General Rules

1. Good sportsmanship will be emphasized at the show. Members, parents or guardians exhibiting poor sportsmanship will be disqualified from further competition by show officials & asked to leave grounds.

2. You must be 13 years or older in 2019 to participate in the State 4-H Horse Show. Exhibitor age will be determined as of January 1, 2019. You must be currently enrolled in a 4-H horse project in the county you represent. Miniature horse exhibitor age 11 to 19.

3. Entry forms must be typed or printed and sent to your County Extension office by the deadline established by your county 4-H staff. Your county 4-H staff will confirm your entry and send it to the State 4-H Office. You will not be allowed to make changes in your entry after it reaches the Equine Extension Specialist.

4. You will not be permitted to show unless you have a completed entry to the Equine Extension Educator on JULY 12. A completed entry includes a copy of a negative Coggins test taken on or after Aug 18, 2018.

5. There is a $65 entry fee, which includes one stall fee, per exhibitor. Your entry fee must accompany your completed entry form. Checks should be payable to Michigan State University. No refunds will be given for any reason. Many classes will be held outdoors, rain or shine so plan accordingly!

6. Any participant needing to stay more than the one night before (or after) their show day, must contact the show staff for approval by July 12. If you are approved for an additional stay you will be charged an additional $20 per night/early arrival. Siblings traveling together will not be charged, but must call for approval by July 12 at 517- 432-5402 or 517-353-1748.

7. The 4-H State Horse Show committee will make any and all reasonable accommodations, especially to include participants with disabilities. Accommodation requests must be received prior to start of the event. Please email these requests to Taylor Fabus at tenlenta@msu.edu.

8. Your horse must have a negative Coggins test drawn on or after 8/18/2018 to participate in the show. You must send a photocopy of the test with your entry form. Michigan law also requires that you travel with a copy of the form. It is recommended that your horse have the following vaccinations prior to the show: Eastern and Western Equine Encephalomyelitis, Rhino pneumonitis, Influenza, Tetanus and Rabies. Your veterinarian may suggest other vaccines as well.

9. Delegates chosen as alternates must send a completed entry form with all other entries from the County. Do not send fees. If a delegate cancels, the County Extension staff must contact the Animal Science Office (517) 432-5402 by Tuesday, August 13 at 5 p.m. Alternates will not be eligible to participate unless notice is received from the County staff.

10. You may only enter 1 show section (i.e. Gymkhana, Jr., or Sr.), UNLESS YOU ALSO SHOW A MINI. Exhibitors are allowed to show a Miniature Horse on August 17, and also show in the State 4-H Horse Show on the appropriate day. You and your county 4-H staff person are responsible for making sure you are in the appropriate classes.

11. Four classes from the show section of classes (rail & leading classes) may be entered. A fifth class may be chosen from the
Symposium section of classes corresponding to the day you exhibit your horse.

12. Stallions are not allowed at the State 4-H Horse Show. No companion horses or foals are allowed.

13. Only one horse per exhibitor may be entered at the State 4-H Horse Show (with the exception of a mini.). The horse must be designated as your project animal by the date specified in your county. The horse being exhibited at the State 4-H Horse Show must be the horse you qualified with at the county level.

14. Code of conduct: anyone participating in a state-sponsored 4-H activity who is caught in the act of theft or vandalism, or caught with illegal drugs or alcohol, or who is involved in other such offenses shall immediately be sent home at his/her own expense and if it is determined by 4-H staff, leaders, or persons in charge of the activity that the offense warrants it, the offender may be turned over to the proper authorities.

15. Exhibitor Packet: Packets are available when you receive your stall assignment and check in at the show. **Do not unload horses until the exhibitor and/or parent/guardian has checked in at the Stall office and received a stall assignment. Exhibitors cannot arrive earlier than their designated check-in times or stay additional time, because of limited stalling.** Check in is located in the northwest corner of the stalling area (see map). **Check in available only at the time designated.** Do not plan to arrive at times other than those listed as your horse will have to remain on the trailer until check in time. Do not stall any horse before picking up your exhibitor packet.

16. Stalling: Because of limited stalling, some counties will share the stalling area (and tack stall) with a second or third county. While we encourage you to show your county spirit with banners and decorations, keep in mind that many counties will not have a specific stalling area dedicated to them for the whole weekend. Be courteous to exhibitors from other counties. It is important that everyone have a good experience at the State 4-H Horse Show.

17. **You must use bedding in the stalls at all times** to absorb urine and assure a clean stall for the next person who uses it. You are welcome to bring bedding or it can be purchased at the Pavilion. **You should bring appropriate equipment for removing soiled bedding/cleaning your stall out.**

18. Fans cords or other electrical cords must be suspended, out of the reach of all horses. Cords may not be taped down on the floor as this creates an electrocution hazard.

19. **DOGS:** Dogs are allowed in the camping area only – on leash or secured at all times. **DOGS ARE NOT ALLOWED IN STALLING OR ANY SHOW AREAS.**

20. **Camping will only be allowed in the designated camping area.** Camping fees should be sent with entries or paid at check in.

21. **Trailer parking is available immediately west and south of the Pavilion, overflow trailer parking is allowed north of the main Pavilion.** No horses tied to trailers on the paved parking lot. No horse corrals are allowed. All horses are to be kept in the stalling area when not being ridden.

22. You are expected to clean up the area around your trailer and completely clean your stall before leaving the show grounds. Failure to clean stalls will result in the reduction of the county quota for the next State 4-H Horse Show.

23. **Services available during the show:** Food & soft drink concessions, tack vendors, farrier, a professional photographer, and an area for self portraits. A veterinarian will be on the premises at designated times and on call at all times. (Fees are the responsibility of the exhibitor).

24. **P.A. System:** It is the exhibitor’s responsibility to be on time for all classes. A P.A. system can be heard in most areas and will be used for announcements and class calls.

25. **Tack & Clothing Changes:** Will be noted in the schedule at the show.

26. **Pony exhibitors who select pleasure classes (where offered) can only show in ONE western pleasure class and ONE english pleasure class. All other classes entered will be according to the exhibitor’s age.**

27. Ponies cannot be taller than 56 inches in height. Shod ponies will have 1/2 inch deducted from their measured height. Ponies will be measured at the State 4 H Horse Show. Entries measuring over 56 inches will show in horse classes. Measuring will be done prior to the start of the show.

28. **Classes will be judged according to Michigan 4-H standards as outlined in 4-H Horse and Pony Project Show Rules and Regulations (Revised 2016) and the current equine dressage test.** Copies of the English dressage tests are available from: www.usef.org. Western dressage tests are available westerndressageassociation.org/wdaa-tests/.

29. **The judge will select the top eight exhibitors in each class. First and second place winners compete for champion and reserve champion awards in classes where they are offered. All competitors in the championship classes will be eligible to be top five.** Champions and reserve champions will be photographed for publicity purposes. The show management reserves the right to combine or split classes as needed. You must show in your split.

30. All participants in the hunter hack, hunter under saddle, saddle seat and gymkhana classes are required to wear (fastened) protective riding helmets while mounted. The helmets must meet the specifications of the American Society for Testing and Materials (ASTM), must be manufactured and distributed by a participant in the certification program of the Safety Equipment Institute (SEI) and must bear the SEI certification label. It is highly recommended that all 4-H members participating in horse shows and practice events wear protective headgear. There will be no discrimination against protective headgear, even if the style does not match the style of riding. Protective headgear is especially important in hunter hack, hunt seat pleasure, hunt seat equitation, saddle seat and gymkhana classes. Harnesses must be secured and must properly fit the head. A well-fitted helmet should stay on the rider’s head when the rider bends over at the waist and shakes his/her head. Exhibitor (or his/her parent or legal guardian if the exhibitor is a minor)-not the local show officials or judge—is solely responsible for complying with the headgear rule. Show officials will check all helmets prior to the start of the show and reserve the right to spot check helmets at any time to verify compliance with this rule. Once your helmet is inspected, the ID you will be given must be attached at all times to designate that your helmet has been inspected.

30. **Any protests or objections to rules, procedures or any aspect**
of the show must be provided in writing to a representative of the State 4-H Horse Show Committee and will be responded to no earlier than 1 hour after its submission. Any individual exhibiting unsportsmanlike or inappropriate conduct of any kind will be dismissed, along with their family/party members, from the grounds.

31. The show coordinator & the State 4-H Horse Show Committee reserve the right to make exceptions to the rules where necessary.

32. Judge’s decision is final. Placing and/or disqualifications will not be changed or altered after judges cards have been turned in, nor will they be changed as a result of video playback, ring side protest, etc. The exhibitor should not approach the Judge for any reason until the ring is closed either for lunch or when the show is over. Problems should be brought to the attention of the show clerk or ring steward.

33. LEAD YOUR HORSE TO AND FROM THE SHOW RINGS. Riding on lawn/grass areas around the Pavilion will be discouraged. Anyone disregarding this rule may be disqualified from further competition by show officials. ABSOLUTELY NO RIDING IN STALLING AREA.

34. The Show will be held RAIN OR SHINE. Classes will be held in the outdoor arenas during rain. The Show Committee will review the footing often during rain periods to determine safety. Classes will be stopped in the outdoor arenas during periods of lightning but will continue during periods of rain only. Bring appropriate rain gear!!

35. Only the 4-H member will be allowed to ride/drive/lunge the horse. Participants not adhering to this rule may be disqualified.

36. If a horse appears visibly ill or not fit to show, while at the State 4-H Horse Show, the management reserves the right to ask the exhibitor to remove the horse from the show grounds.

37. Michigan State University Extension will not, individually or collectively, be responsible for loss, damage or injury to people, horses or property incurred in connection with the show, and only upon these conditions are entries excepted.

### Symposium Section

1. Exhibitors are eligible to enter up to four Show Section classes (rail & leading classes), and one Symposium class (if exhibitors choose to enter, it is not required). The Symposium class must be selected from one of the following areas:

   **A. Creative Writing** – Participants may submit an original piece of horse themed fiction, non-fiction, essay or poetry, not to exceed 10 double-spaced, typed pages in length (not including the Title Page and Bibliography). The Title Page must include name, county and date of birth. If a piece of non-fiction is submitted, sources used must be listed on a Bibliography page. Creative Writing entries will be judged on creativity and neatness.

   **B. State 4-H Horse Show Logo Design** – Participants should submit an original design for consideration. Copyrighted characters are not allowed. Designs must be 8½ x 11 inches, either horizontal or vertical. All designs should be submitted in a single color – with a recommendation for shirt and design color. Winning entries will be kept by the State 4H Horse Show staff for consideration for use for the 2020 State 4-H Horse Show.

   **C. Photography Contest** – Participants may submit a single photograph (framed or unframed) that includes a horse or horses. Photos must be no smaller than 5x7 inches and no larger than 8x10 inches. Photos must be firmly affixed to photographic mount board, mat board, or Form-Core board. Photo and mount board may be no larger than 11x14 inches. Photos should include name, birthdate and county of participant on the back. Entries will be judged on technique, creativity and overall neatness/presentation.

2. Entries will be displayed in the hall/classroom area and should be picked up after judging is completed. Entries can be turned in at check-in, and should be picked up at the end of the show.

3. Results will be announced when judging is complete and awards will be available at the T-shirt tables.

1. It is suggested that counties send the top 10% of their 4-H Miniature Horse project. For example, a county with 20 enrolled Miniature Horse Project members could send 2 delegates to the Miniature section of the State 4-H Horse Show. Miniature horse entries will be accepted in addition to the established horse quota. This show section will be divided into 2 height divisions: Division 1 – 34 inches and under, Division 2 – 34.1 to 38 inches for many of the classes. Horses must be 3 years of age or older to participate in driving, jumping, or speed classes.

2. Miniature horse exhibitors will now be allowed to show a light horse or pony at the State 4-H Horse Show if selected as a county delegate. Miniature horses do not need to be registered with the American Miniature Horse Association to show at the State 4-H Miniature Horse Show.

3. Miniature horses are NOT required to be body clipped for the State 4-H Miniature Horse Show.

4. Not all classes in the Miniature Horse show section are eligible for Champion and Reserve Champion. Please refer to the schedule for details.

5. Show driving apparel should be neat and clean. For showmanship, long sleeve shirts must be worn as well as neat, clean pants, boots, and hat.

6. Patterns for classes will be provided in the information packet when exhibitors check in for the show.

7. Driven pleasure, reinmanship and obstacle classes, certified helmets are highly recommended but optional. All driven speed classes; cones class and driven cloverleaf certified helmets MUST be worn.

8. Drivers are required to enter the show ring at the judges/stewards direction, to stand at the horses head until dismissed.

9. An overcheck or sidecheck is required for all driving classes.

10. A biothane or leather harness is allowed. An overcheck or side check is required for all driven classes. All lines must be buckled or taped at end for safety reasons.

11. Liberty Class: Liberty is demonstrating the natural beauty of the miniature horse. Horses are to be judged on style, grace, animation, gaits, presence, and ease of catching. The liberty horse is expected to perform at both a canter and a trot. It is the Stewards’s responsibility to time Liberty classes and to be in possession of a stopwatch. The Steward should be in the same location as the Judge(s) to adjudicate the class. Timing will begin when the halter is dropped, not when the music starts. When the 2 minute catch time has elapsed, the show announcer will announce TIME to signal the end of the catch if the animal has not been caught. If the catch is not completed in the 2 minute allotted time frame, the exhibitor is disqualified. Only the exhibitor and one assistant will be allowed in the arena with horse. Whips and shaker bottles are allowed, but touching the horse with aids or hands will result in disqualification. Only the exhibitor can touch the horse during the catch. The horse must be caught and haltered by the exhibitor only within 2 minutes or be disqualified. The assistant may not touch the horse at any time. There will be “No Baiting” (no use of hay, grain, clickers, etc.) of Liberty horses during the catch or horse will be disqualified. Music should be presented on a device with USB connectability. (Bring a device with the appropriate cords to connect to a USB speaker)

15. Driven Dressage Exhibition: Please refer to rules and information provided by the American Driving Society at: www.american driving society.org. Training Level Test 2 will be driven.

16. In Hand Hunter. Please review the AMHR Hunter Scoring card for details regarding this class.

Miniature Horse Show Guidelines have been included as an addition to the MI 4-H Horse & Pony rule book. Check out the website for details:

MI 4-H State Horse Show Sportsmanship Recognition System. Throughout this event we will work to recognize the great sportsmanship all around us. Each year, participants and volunteers exemplify great sportsmanship and with our all new recognition system, we will be reaching out to show you just how much we appreciate this!

At the State 4-H Horse show, no dogs are allowed in the Pavilion, near any of the show arenas, or in the stalling areas. Anyone with a dog in an area out side the camping area will be asked to leave.

Service Dogs are Welcome.
Appendix A – State 4-H Horse Show Rules Packet

DOWN AND BACK

The Down and Back pattern is run around one pole. The pole is placed 75-125 feet from the starting line. Pole should be the size of a 55-gallon drum, with no sharp edges.

The rider will cross the starting line and approach the pole on either side, ride around to the other side of the pole, then return to the starting line.

A disqualification will be assessed for knocking down the pole.
