- A-1
- B-2
- C-3
- D-4
- E-5

16

17 Identify the procedure the mouth speculum would commonly be used for.

- A-Shoeing
- B-Radiograph
- C- Clipping
- D-Floating Tee
- E-Castration

17

18

Identify this grass.

- A-Orchard Grass
- B-Lespedeza
- C-Bermuda Grass
- D-Alfalfa
- E-Timothy

18

19

Identify the following.

- A- Pritchel
- B- S File
- C-Float
- D-Wolf Tooth Forceps

19

20

Identify the equipment below.

- A- Sponges
- B-Floats
- C-Bit guards
- D-Stirrup Pads
- E-Files

20

21

Identify this breed.

- A- Suffolk
- B- Andalusion
- C- Holsteiner
- D- Azteca
- E- Marwari

21

22

What is this piece of equipment used for?

- A- Pulling off Shoes
- B- Castrating
- C- Pulling Teeth
- D- Restraint Mechanism
- E- None of the Above

22

23

Identify the breast collar.

- A- 2
- B- 4
- C- 6
- D- 9
- E- 10

23

24

Name the condition below?

- A- Over at the Knee
- B- Club foot
- C- Ideal
- D- Calf-Kneed
- E- Pigeon-Toed

24

25

Identify this body part.

- A- Scapula
- B- Stifle
- C- Hock
- D- Metatarsal
- E- Phalanx

25

26

Identify this training device.

- A- Martingale
- B- Chambon
- C- War Bridle
- D- Draw Reins
- E- Daisy Reins

26

27

Identify the equipment below.

- A- Chiffney Bit
- B- Chambon
- C- Snaffle Bit
- D- War Bridle
- E- Hackamore

27

28

What blemish is shown?

- A- Curb
- B- Sidebone
- C- Capped Hock
- D- Bone Spavin
- E- Bog Spavin

28

29

Identify this tooth.

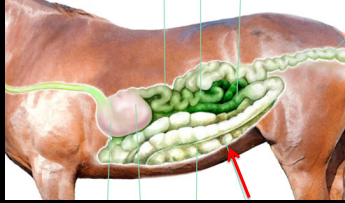

- A- Wolf Tooth
- B- Upper Incisor
- C- Canine
- D- Molar
- E- Frontal Hook

29

30 Identify this part of the digestive system.

- A- Large Colon
- B- Small Intestine
- C- Cecum
- D- Stomach
- E- Rectum

30

End of Slide Test

Congratulations, you're all done! 😊
