What's Not Included in our Pricing

The following items are not included in our pricing but are available to rent from our supplier (American Rentals):

- Setup, delivery, and cleaning fees
- Additional tents
- Bars
- Dance floors
- Tables
- Chairs
- Linens
- Side curtains or pole covers for tents

Examples of those additional rental costs

To give our potential clients a sense of what these additional rental costs might be, we have developed a few scenarios so that you can get an idea of these costs:

- An event for 50 guests serving food electing to use white contour chairs, one bar, and the appropriate number of dinner tables and service tables. Their additional cost will be \$439.5 for these items.
- An event for 200 guests includes food and chooses to use white contour chairs, have two bars, and the appropriate number of dinner tables and service tables. Their additional cost will be \$1,292.
- A memorial event for 100 guests with cocktails and appetizers elects to use white contour chairs, have one bar, and 10 cocktail tables and 2 service tables. Their additional cost will be \$622.
- You will be charged their current rental prices at the time of your event. American Rentals makes every effort to not raise these prices by any more than 5% per year. See our Wedding and Event Coordinator for current year's pricing.
