This is Juncus Graceful Grasses® Curly Wurly. Keep going and make it to the final bed to see it included in a design and for more information on the plant. Below is the next plant description.

**Plant Two Description**

- Short, very full, ground cover
- Deeply lobed dark purple leaves
- Vibrant purple pink petioles (the part that attaches the leaf to the stem)
- Although a wide spreading ground cover it has thick compact foliage
